

## Intelligent Business Upper Intermediate Key Answer

**Opportunities** is a new five-level course for teenagers. Modules of topic-based units provide rich, contemporary content based on a wide variety of information themes. With a discovery approach to grammar and an upfront focus on vocabulary, **Opportunities** ensures the most effective language learning for students.

The volume constitutes a state-of-the-art account of issues related to teaching, learning and testing speaking in a second language. It brings together contributions by Polish and international scholars which seek to create links between theory, research and classroom practice, report the findings of studies investigating the impact of linguistic, cognitive and affective factors on the development and use of speaking skills, and provide concrete pedagogic proposals for instruction and assessment in this area. As such, the book will be of interest not only to second language acquisition theorists and researchers, but also to foreign language teachers willing to enhance the quality of speaking instruction in their classrooms.

What's special about the Skills Book? \*You can teach a business English skills course with ease, or use it to add business skills to a general course \*Useful, functional business language is easy to teach - each unit focuses on language strategies for a practical area of business English such as Negotiate' \*You don't have to be a business expert to teach business skills because there's a step-by-step guide on key business practices in the Good Business Practice' section at the back of the book \*Your students will be motivated by the CD-ROM that has loads of interactive practice activities, video extracts, all the Skills Book audio and much more.
