of Medicine

Current Catalog

This edition of over 60

000 entries, including

significantly more than

20% new or revised material, not only updates its predecessor but also continues the policy of extending coverage to areas dealt with only sparsely in previous editions.

Special attention has been paid to the Far East, Australasia and Latin America in general, and to the People's Republic of

China in particular. The cross-referencing between a defunct organization and its successor (indicated by ex and now) introduced into the last edition, has been extended.

Otherwise the policies adopted in previous editions have been retained. All kinds of organizations are included -

Download File
PDF International
