In this comprehensive and readable book, tractor expert Jonathan Whitlam tells the story of the development of International Harvester from its North American roots in the 1900s. The book covers developments from the early

Download Free International Harvester 724 Tractor Service Manual

combustion-engine machines to the merger with Case in 1985 and ownership by Fiat in 1999. The story of International Harvester is inextricably tied up with developments in farming. While the giant tractors such as the Titans

Download Free International Harvester 724 Tractor Service Manual

and Moguls could take on large-scale agriculture, smaller tractors were developed for more modest farms. The development of the famous all-purpose Farmall tractor in 1920 not only set a new benchmark in tractor design, it also
