Previous edition: published as by Charles L. Yeschke. 2003.

William Etty was English painter, one of the few British artists to specialize almost exclusively in the nude. He spent most of his career in London. Etty's paintings are often of mythological or historical subjects, sometimes on an ambitious size, but he also made life studies throughout his career, and these are now probably his most admired works. He was often attacked for the alleged indecency of his work, The Times considering it ‘ entirely too luscious for the public eye ’. However, by the time of his death he was wealthy and respected. He summed up his attitude to his favourite subject thus: ‘ Finding God's most glorious work to be Woman, that all human beauty had been concentrated in her, I dedicated myself to painting—not the Draper's or Milliner's work—but God's most glorious work, more finely than ever had been done. ’ His draughtsmanship is often criticized, but it is generally agreed that he attained a glowing voluptuousness in the painting of flesh that few British artists have ever approached.

Ernst Beyeler (1921–2010) was a titan of the international art scene in the twentieth century. Born in Basel, Switzerland, he began his career as an apprentice in an antiquarian bookstore, eventually taking over the business and shifting his focus from books to dealing and collecting art. Through his discerning eye for art, his close relationships with many of the twentieth century's great artists, and his role in the foundation of Art Basel, the world's largest art fair, Beyeler transformed his hometown into a hub for international art. Published in English for the first time, A Passion for Art tells Beyeler's unusually personal story, through interviews with Christophe Mory. Beyeler describes the evolution of his career and his encounters with artists such as Picasso, Alberto Giacometti, and Francis Bacon. He also speaks in detail about his own collection, which focuses mainly on twentieth-century artists like Matisse, Mondrian, Klee, and Dubuffet. This art collection is the basis for the Fondation Beyeler, a museum designed by Renzo Piano that houses over 150 pieces of art handpicked by Beyeler. Offering deep insight into the contemporary art trade and presenting an intimate portrait of Beyeler himself, A Passion for Art provides a new and distinctive perspective on the postwar European art world.

From a psychologist and stand-up comedian comes a practical, yet laugh-out-loud guide to embracing humor to reduce stress and live a happier, fuller life. Dr. Brian King got a degree in psychology before becoming a world-touring comic and the host of humor therapy seminars attended by more than ten thousand people each year. In this brilliant guide he presents hands-on techniques for managing stress by rewiring our brains to approach potentially difficult situations through a lens of positivity. To do so, Dr. Brian explores what stress is, where it comes from, and what it does to our bodies and brains. He delves deep into how to address everyday stress--as well as anxiety, insecurities, repression, and negativity--and gives insight into resulting ailments such as anxiety disorders, depression, hypertension, obesity, substance abuse disorders, and more. Dr. Brian's techniques are chemical and cost free, and embrace humor, resilience, relaxation, optimism, gratitude, and acceptance. Instead of a dry medical approach to dealing with stress, this unique volume is filled with life-changing tips and instructions presented with humor and a wealth of memorable, smile-inducing anecdotes.

The Art of Understanding : a Practical Guide for Psychiatrists, Psychologists, Counselors, Social Workers, Nurses, and Other Mental Health Professionals

'Interviews' collates, in a single volume, the major body of interviews conducted by the revered American critic and curator Robert Storr, encompassing engaging discussions with some of the most renowned names in the artworld over the last two centuries. The book features nearly 30 illustrated interviews with artists and curators, including Gerhard Richter,Alex Katz, Chuck Close, Richard Serra, Gabriel Orozco, Elizabeth Murray, Harald Szeeman, Catherine David and Mike Kelley.The introduction by art historian and curator Francesca Pietropaolo precedes a conversation between herself and Storr in which they dissect the interview as a medium: discussing the ethics involved, the chock of technique and approach, alongside the limitations and difficulties of the process. 'Interviews' presents an important, stimulating chronicle of Storr's most essential discussions with an esteemed cast of interviewees.

In this warm and tender story by the Caldecott Honor-winning creator of Thank You, Omu!, join a mother and daughter on an up-and-down journey that reminds them of what's best about Saturdays: precious time together. Today would be special. Today would be splendid. It was Saturday! But sometimes, the best plans don't work out exactly the way you expect.... In this heartfelt and universal story, a mother and daughter look forward to their special Saturday routine together every single week. But this Saturday, one thing after another goes wrong--ruining storytime, salon time, picnic time, and the puppet show they'd been looking forward to going to all week. Mom is nearing a meltdown...until her loving daughter reminds her that being together is the most important thing of all. Author-artist Oge Mora's highly anticipated follow up to Caldecott Honor Thank You, Omu! features the same magnificently radiant artwork and celebration of sharing so beloved in her debut picture book.

A simple and quick reference guide on preparing for & mastering the job interview process. The end-to-approach to to successfully obtaining the job your dreams.

In this remarkable author-illustrator debut that's perfect for fans of Last Stop on Market Street and Extra Yarn, a generous woman is rewarded by her community. Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself? Debut author-illustrator Oge Mora brings to life a heartwarming story of sharing and community in colorful cut-paper designs as luscious as Omu's stew, with an extra serving of love. An author's note explains that "Omu" (pronounced AH-moo) means "queen" in the Igbo language of her parents, but growing up, she used it to mean "Grandma." This book was inspired by the strong female role models in Oge Mora's life.

The Qualitative Interview

Ultimate Interview

The Artist Interview

*A collection of interviews with fourteen artists and writers of picture books who, regardless of their country of origin, have had a major impact in the United States*

*After having a flash in his mind, the Present Self received an insight that he should write a book by using his Imagination to find the life answers he seeks, answers that his Future Self will provide for him. Stepping into the unknown, the Present Self was surprised when during that interview the roles were reversed, and instead of seeking the answers, he was the one who was providing them. Your Imagination is unlimited. You just need to remember how to use that power to create the life you want. This book will teach you exactly that; how to use your Imagination combined with your Intention to create the Future you're dreaming about. That's why you've been drawn to this book. There's something inside of you that knows you're greater than your current reality. That you can be more. Do more. Have more. Maybe this book is just one more reminder you've been looking for. To remind you of how great you are. By the time you finish reading this book, you'll be in the process of transforming to a higher and better expression of yourself. Just remember this quote that the great Albert Einstein once said: "Imagination can take you everywhere!"The Art of Imagination aims to stimulate the imagination of the reader and is directed towards adults who are in their late 20s and early 30s, who may be questioning their path in life and who they are as a person.*

*The most comprehensive portrait of art criticism ever assembled, as told by the leading writers of our time. In the last fifty years, art criticism has flourished as never before. Moving from niche to mainstream, it is now widely taught at universities, practiced in newspapers, magazines, and online, and has become the subject of debate by readers, writers, and artists worldwide. Equal parts oral history and analysis of craft, What It Means to Write About Art offers an unprecedented overview of American art writing. These thirty in-depth conversations chart the role of the critic as it has evolved from the 1960s to today, providing an invaluable resource for aspiring artists and writers alike. John Ashbery recalls finding Rimbaud's poetry through his first gay crush at sixteen; Rosalind Krauss remembers stealing the design of October from Massimo Vignelli; Paul Chaat Smith details his early days with Jimmy Durham in the American Indian Movement; Dave Hickey talks about writing country songs with Waylon Jennings; Michele Wallace relives her late-night and early-morning interviews with James Baldwin; Lucy Lippard describes confronting Clement Greenberg at a lecture; Eileen Myles asserts her belief that her negative review incited the Women's Action Coalition; and Fred Moten recounts falling in love with Renoir while at Harvard. Jarrett Earnest's wide-ranging conversations with critics, historians, journalists, novelists, poets, and theorists—each of whom approach the subject from unique positions—illustrate different ways of writing, thinking, and looking at art. Interviews with Hilton Als, John Ashbery, Bill Berkson, Yve-Alain Bois, Huey Copeland, Holland Cotter, Douglas Crimp, Darby English, Hal Foster, Michael Fried, Thyrsa Nichols Goodeve, Dave Hickey, Siri Hustvedt, Kellie Jones, Chris Kraus, Rosalind Krauss, Lucy Lippard, Fred Moten, Eileen Myles, Molly Nesbit, Jed Perl, Barbara Rose, Jerry Saltz, Peter Schjeldahl, Barry Schwabsky, Paul Chaat Smith, Roberta Smith, Lynne Tillman, Michele Wallace, and John Yau.*

*A visual feast of eclectic artwork informed and inspired by spiritual beliefs, magical techniques, mythology and otherworldly experiences. Mystical beliefs and practices have existed for millennia, but why do we still chase the esoteric? From the beginning of human creativity itself, image-makers have been drawn to these unknown spheres and have created curious artworks that transcend time and place – but what is it that attracts artists to these magical realms? From theosophy and kabbalah, to the zodiac and alchemy; spiritualism and ceremonial magic, to the elements and sacred geometry – The Art of the Occult introduces major occult themes and showcases the artists who have been influenced and led by them. Discover the symbolic and mythical images of the Pre-Raphaelites; the automatic drawing of Hilma af Klint and Madge Gill; Leonora Carrington's surrealist interpretation of myth, alchemy and kabbalah; and much more. Featuring prominent, marginalised and little-known artists, The Art of the Occult crosses mystical spheres in a bid to inspire and delight. Divided into thematic chapters (The Cosmos, Higher Beings, Practitioners), the book acts as an entertaining introduction to the art of mysticism – with essays examining each practice and over 175 artworks to discover. The art of the occult has always existed in the margins but inspired the masses, and this book will spark curiosity in all fans of magic, mysticism and the mysterious.*

Are you preparing for an upcoming interview? Are you nervous about making a good impression or want to practise for difficult questions? From the bestselling Ultimate series, Ultimate Interview will give you all the guidance you need when preparing to ace the interview for your dream job.

Renowned careers expert, Lynn Williams, will give you the edge on: understanding your interviewer and what they are looking for, highlighting the evidence that you are the perfect candidate through skills and industry knowledge, standing out from the competition, answering questions professionally, navigating the beginning of the interview, coping with difficult questions, dealing with off-the-wall questions, looking the part and knowing how to behave in telephone, video, panel and assessment centre interviews. Ultimate Interview, now in its 5th edition, is a must-have for all serious job-seekers. It contains 100s of sample interview questions, with answer examples, tailored by industry experts to give you a personalized resource. It covers jobs in management, sales and marketing, administration, customer relations, technical industries, practical industries and creative industries. About the series: The Ultimate series contains practical advice on essential job search skills to give you the best chance of getting the job you want. Taking you all the way from starting your job search to completing an interview, it includes guidance on CV or résumé and cover letter writing, practice questions for passing aptitude, psychometric and other employment tests, and reliable advice for interviewing.

This is a guide for anyone who wants to connect better with people in the workplace by speaking clearly and with purpose. It is a result of five years at Charlie Corbett’s consultancy, Bullfinch Media, where he helped convince executives that speaking plainly, thoughtfully, and behaving with humanity, is the best way to win business, boost morale and advance careers. It provides carefully detailed wisdom on how to write well, speak publicly and stand out in your job, as well as how to craft compelling communications, make the best of social media and handle the press. The Art of Plain Speaking aims to improve the experience faced by many in the modern workplace, a world where senior management are entirely absent from the shop floor – replaced by indecipherable emails from HR – and where people speak in esoteric corporate riddles, believing that sounding clever is more productive than speaking clearly.

Qualitative interviewing is among the most widely used methods in the social sciences, but it is arguably the least understood. In The Science and Art of Interviewing, Kathleen Gerson and Sarah Damaske offer clear, theoretically informed and empirically rich strategies for conducting interview studies. They present both a rationale and guide to the science-and art-of in-depth interviewing to take readers through all the steps in the research process, from the initial stage of formulating a question to the final one of presenting the results. Gerson and Damaske show readers how to develop a research design for interviewing, decide on and find an appropriate sample, construct a questionnaire, conduct probing interviews, and analyze the data they collect. At each stage, they also provide practical tips about how to address the ever-present, but rarely discussed challenges that qualitative researchers routinely encounter, particularly emphasizing the relationship between conducting well-crafted research and building powerful social theories. With an engaging, accessible style, The Science and Art of Interviewing targets a wide range of audiences, from upper-level undergraduates and graduate methods courses to students embarking on their dissertations to seasoned researchers at all stages of their careers.

"Qualitative interviewing is one of the most widely used methods in social research, but it is arguably the least well understood. To address that gap, this book offers a theoretically rigorous, empirically rich, and user-friendly set of strategies for conceiving and conducting interview-based research. Much more than a "how to" manual, the book shows why depth interviewing is an indispensable method for discovering and explaining the social world-shedding light on the hidden patterns and dynamics that take place within institutions, social contexts, relationships, and individual experiences. It offers a step-by-step guide through every stage in the research process, from initially formulating a question, to developing arguments, and presenting the results. To do this, the book shows how to develop a research question, decide on and find an appropriate sample, construct an interview guide, conduct probing, theoretically focused interviews, and systematically analyze the complex material that depth interviews provide—all in the service of finding and presenting important new empirical discoveries and theoretical insights. The book also lays out the ever-present, but rarely discussed challenges that interviewers routinely encounter and then presents grounded, thoughtful ways to respond to them. By addressing the most heated debates about the scientific status of qualitative methods, the book demonstrates how depth interviewing makes unique and essential contributions to the research enterprise. With an emphasis on the integral relationship between carefully crafted research and theory building, the book offers a compelling vision for what the "interviewing imagination" can and should be"--

Interviews on Art

Interview Art and Skill

A Passion for Art

Collating, in a single volume, the major body of interviews conducted by the revered American critic and curator Robert Storr, Interviews on Art includes 62 illustrated discussions with some of the most renowned names in the artworld over the last century. Storr s interviewees include Gerhard Richter, Louise Bourgeois, Jeff Koons, Alex Katz, Chuck Close, Richard Serra, Gabriel Orozco, Elizabeth Lurie, and many more. Accompanied by relevant works and previously unpublished photographs of the artists themselves.

"Psychiatric Interviewing, 2nd Edition provides concrete methods for exploring sensitive topics such as domestic violence, incest, drug abuse, and the sexual history. Dr. Shea also discusses methods of handling awkward questions and client anger and transforming other common resistances. What's more, in-depth coverage of fundamentals such as structuring techniques, efficient time management, and a variety of interview styles."--Jacket.

A practical guide to one of the most rewarding forms of literary journalism.

"Dean Nelson is one of the best interviewers around." —Anne Lamott From respected journalist, professor, and founder of the Writer's Symposium by the Sea, an indispensable guide to the subtle art of the interview guaranteed to afford readers with the skills and confidence they need the next time they say, "talk to me." Interviewing is the single most important way journalists (and doctors, lawyers, and politicians) get their information. Yet to many, the perfect interview feels more like luck than skill—a rare confluence of rapport, topic, and timing. But the thing is, great interviews aren't the result of serendipity and intuition, but rather the result of careful planning and good journalistic habits. And Dean Nelson is here to show you how to nail the perfect interview every time. Drawing on forty-years of award-winning experience, Dean Nelson's Symposium by the Sea, Nelson walks readers through each step of the journey from deciding whom to interview and structuring questions, to the nitty gritty of how to use a recording device and effective note-taking strategies, to the ethical dilemmas of interviewing people you love (and loathe). He also includes case studies of famous interviews to show readers how these principles play out in the real world.

Me is a book that demystifies the art and science of interviewing, in the vein of On Writing Well or How to Read Literature Like a Professor.

Art Into Theatre investigates the processes of hybrid forms of performance developed between 1952 and 1994 through a series of interviews with key practitioners and over 80 pieces of documentation, many previously unpublished, of the works under discussion. Ranging from the austerity of Cage's 4'33" through the inter-species communication of Schneeman's Cat Scanand the experimental theatre work of Schechner, Foreman, and Kirby, to the recent performances of Abramovic, Forced Entertainment and the Wooster Group, Art Into Theatre offers a fascinating collection of perspectives on the destabilizing of conventional ideas of the art "object" and the theatrical "text". Nick Kaye's introductory essay to the volume offers a useful context for the reader and each interview is preceded by an informative biographical sketch.

Game Art is a collection of breathtaking concept art and behind-the-scenes interviews from videogame developers, including major players like Square Enix, Bioware, and Ubisoft as well as independent but influential studios like Tale of Tales and Compulsion Games. Immerse yourself in fantastic artwork and explore the creative thinking behind over 40 console, mobile, and PC games. A lone independent developer on a tiny budget can create an experience as powerful and compelling as a triple-A blockbuster built by a team of 1,000. But like all works of art, every game begins with a spark of inspiration and a passion to create. Let Game Art take you on a visual journey through these beautiful worlds, as told by the minds that brought them to life.

The Art of Investigative Interviewing, Fourth Edition, builds on the successes of the previous editions providing the reader guidance on conducting investigative interviews, both ethically and professionally. The book can be used by anyone who is involved in investigative interviewing. It is a perfect combination of real, practical, and effective techniques, procedures, and actual cases. The reader learns key elements of investigative interviewing, such as human psychology, proper interview preparation, tactical concepts, controlling the interview environment, and evaluating the evidence obtained from the interview. New to this edition will be coverage of Open Source Intelligence (OSINT) tools, workplace investigations, fraud investigations and the role of audit. Larry Fennelly joins original author Inge Sebyan Black, both well-known and respected in the field, providing everything an interviewer needs to know in order to conduct successful interviews with integrity and within the law. Written for anyone involved in investigative interviewing. Provides guidance on conducting investigative interviews professionally and ethically Includes instructions for obtaining voluntary confessions from suspects, victims, and witnesses Builds a foundation of effective interviewing skills with guidance on every step of the process, from preparation to evaluating evidence obtained in an interview

The Art of Investigative Interviewing, Third Edition can be used by anyone who is involved in investigative interviewing. It is a perfect combination of real, practical, and effective techniques, procedures, and actual cases. Learn key elements of investigative interviewing, such as human psychology, proper interview preparation, tactical concepts, controlling the interview environment, and evaluating the evidence obtained from the interview. Inge Sebyan Black updated the well-respected work of Charles L. Yeschke to provide everything an interviewer needs to know in order to conduct successful interviews professionally, with integrity, and within the law. This book covers the myriad factors of an interview — including issues of evidence, rapport, deception, authority, and setting — clearly and effectively. It also includes a chapter on personnel issues and internal theft controls. Provides guidance on conducting investigative interviews professionally and ethically Includes instructions for obtaining voluntary confessions from suspects, victims, and witnesses Builds a foundation of effective interviewing skills with guidance on every step of the process, from preparation to evaluating evidence obtained in an interview

Interviews with art critics

The author reveals the most memorable stories from his long career in journalism, offers examples of the most candid and illuminating revelations he has elicited from his interviewees, and takes readers step-by-step through the interview process, from research to questions on writing to final editing. Original. 15,000 first printing.

Not only has the author been successful on his own interviews, he has also interviewed hundreds of applicants, and therefore wanted to share with you, the reader, as to why he feels, so many people fail the interview process. This book is not about the questions asked in an interview, however, it will cover that briefly. Instead, this book gives you secrets that otherwise aren't known by you, the interviewee, such as, can and will the person interviewing you discriminate against you for certain things that you may not think that they can discriminate against and why. It will give you other secrets as to how to conduct yourself on an interview and how to get the interviewers attention, as well as bonuses on how to construct your resume and behaviors that will help you keep your job once you get it, as well as how to get promoted. Most importantly, it will tell you how to prepare for the interview. This book is a must read for anyone who is going on an interview.

Not only is Al Pacino known as 'one of the greatest actors in all of film history', he is also considered 'one of Hollywood's most notorious bachelors' (imdb.com) as well as being one of the most enigmatic and private celebrities in the world. For the first time, AL PACINO offers a deeply personal and revealing window into everything from his growing up in the South Bronx, where he shared three rooms with nine people, to his fabled studies with Charles Laughton and Lee Strasberg, his father's absence, his mother's early death, and how he bounced through a series of odd jobs until his first paid role at the age of 26. He reveals his childhood dream of becoming a professional baseball player, describes his first drink at 13, and admits his once ate Valium like popcorn at the Academy Awards. Though he has been involved with women like Diane Keaton and Beverly D'Angelo, the mother of his three children, he has never married and here reveals why, and how his feelings have changed. Through it all, he has delivered some of the most seminal performances in film and theatre history and worked with most of its biggest stars. He was nominated for seven Academy Awards before winning Best Actor Oscar for Scent of a Woman. AL PACINO is an intensely personal look at a creative genius at the peak of his powers who, after all these years, still longs to learn more about his art. And for now, it's a close to a memoir as we are likely to get.

What does it take to win success and influence? Some people think that in today's hyper-competitive world, it's the tough, take-no-prisoners type who comes out on top. But in reality, argues New York Times bestselling author Dave Kerpen, it's actually those with the best people skills who win the day. Those who build the right relationships. Those who truly understand and connect with their colleagues, their customers, their partners. Those who can teach, lead, and inspire. In a world where we are constantly connected, and social media has become the primary way we communicate, the key to getting ahead is being the person others like, respect, and trust. Because no matter who you are or what profession you're in, success is contingent less on what you can do for yourself, but on what other people are willing to do for you. Here, through 53 bite-sized, easy-to-execute, and often counterintuitive tips, you'll learn to master the 11 People Skills that will get you more of what you want at work, at home, and in life. For example, you'll learn: · The single most important question you can ever ask to win attention in a meeting · The one simple key to networking that nobody talks about · How to remain top of mind for thousands of people, everyday · Why it usually pays to be the one to give the bad news · How to blow off the right people · And why, when in doubt, buy him a Bonsai A book best described as "How to Win Friends and Influence People for today's world," The Art of People shows how to charm and win over anyone to be more successful at work and outside of it.

**Art21 films, educational programs and publications provide a diverse audience with unprecedented access to the personal and professional lives of the greatest creative minds of our time. Art21 is unique in that it collaborates with each artist on every program produced, providing them with a platform to speak directly to audiences. With the mission to inspire a more creative world through the works and words of contemporary artists, Art21 is the go-to place to learn firsthand from the artists of our time. Published on the occasion of the nonprofit organization's 21st anniversary, this compendium of artist interviews captures the engaging and seminal conversations that have taken place over the organization's history, serving as an essential primer on a generation of contemporary artists for those interested in the artistic process as a tool for curriculum building. In some cases, these interviews are previously unpublished.**

**Look up! From the Caldecott Medal-winning creator of the Hat Trilogy comes a new deadpan gem. Turtle really likes standing in his favorite spot. He likes it so much that he asks his friend Armadillo to come over and stand in it, too. But now that Armadillo is standing in that spot, he has a bad feeling about it . . . Here comes The Rock from the Sky, a hilarious meditation on the workings of friendship, fate, shared futuristic visions, and that funny feeling you get that there's something off somewhere, but you just can't put your finger on it. Merging broad visual suspense with wry wit, celebrated picture book creator Jon Klassen gives us a wholly original comedy for the ages.**

**In order to preserve and maintain contemporary artworks, we need authentic, content-related and technical information which we can obtain by interviewing the artists who produced them. The SBMK (Foundation for the Conservation of Contemporary Art) and RCE (Cultural Heritage Agency of the Netherlands) worked together for years to develop guidelines and good practices. In 2012 a book will be published: "The Artist Interview". For conservation and presentation of contemporary art. Guidelines and practice. This handbook provides a scenario including tips and checklists for conducting artist interviews, as well as ten sample interviews that give an insight in the (im)possibilities of an artist interview as a tool.**

**Learn how to succeed in indie publishing. With interviews from 34 of the hottest names in self-publishing, "Interviews with Indie Authors" contains a unique view into the world of the indie writer. Each bestselling author shares how they ensure their books are a hit, and what led them to indie publishing in the first place. You will also find out what they think the future of indie publishing will bring. Their first hand experience is invaluable for anyone planning to succeed with their own books. Whatever your background, you will learn from these incredible interviews. With diverse genres such as thrillers, young adult fiction, the paranormal, romance, comedy, fantasy, horror, science fiction, mystery and even non-fiction, whatever you are writing about, this book has it covered. Contains interviews with indie authors such as: Michael McCloskey, Nick Russell, Connie Suttle, Michael Prescott, Terri Reid, Hugh Howey, Scott Nicholson, Kristen Ashley, Aaron Patterson, Carol Linda Luce, Claire Ridgway, Alexa Grace, Marie Force, Shadonna Richards, Colleen Hoover, Barbara Freethy, Joseph Lallo, Rebecca Forster, Caryn Moya Block, Denise Grover Swank, Mainak Dhar, Imogen Rose, CJ Lyons, Bella Andre, Maria Murnane, Theresa Ragan, Russell Blake, Linda Welch, Debra Holland, J. Thorn, James Somers, Karen Cantwell, Tracey Garvis Graves and Elena Greene Learn how to succeed in indie publishing with this book.**

In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

"Scribble, the book's main character, never thought he was different until he met his first drawing. Then, after being left out because he didn't look like everyone else, Scribble teaches the drawings how to accept each other for who they are. Which enables them to create amazing art together!"--

Interviewing is a foundational user research tool that people assume they already possess. Everyone can ask questions, right? Unfortunately, that's not the case. Interviewing Users provides invaluable interviewing techniques and tools that enable you to conduct informative interviews with anyone. You'll move from simply gathering data to uncovering powerful insights about people.

Since the qualitative interview resembles a good conversation, what makes somebody a good discussion partner? It's that the person listens attentively, thinks along, empathizes with what has just been said, and does not interrupt. In short, it's someone who is empathetic and interested. Is such a person a good interviewer by nature? No, as these characteristics form only the basis for a part of the "Art" referred to in the title of this book. However, the interviewer also needs additional knowledge and skills that are discussed extensively in this book. An interview should first of all have a well defined information goal. And, only when the skills of the good discussion partner merge with the researcher's knowledge, do we observe the art of the interview. This book will benefit those who are professionally involved in doing qualitative interviews or who are learning how to conduct these interviews. Contents include: A Short Introduction to Qualitative Research \* The Qualitative Interview: Features, Types, and Preparation \* Designing Individual Interviews \* Conducting an Individual Interview \* Designing a Focus Group \* Conducting a Focus Group \* Processing Qualitative Interviews
