

Invisible Warrior The Protectors Series Book 11

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift, Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match.

Dustin is a seventeen-year-old young man who finds out that his girlfriend, Sandy

King Cyranus is a woman-hater, and Lady Jennava hates most men. This does not prevent them from secretly falling in love. But a phantom-like masked man towering between them crushes loves petals before they bloom...Royalty, romance, mystery, escapism; this book has it all. Just remember to breathe.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is

trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

We are all warriors at heart. A critical question remains: Why? We develop the heart of a warrior when we seek Jesus because Jesus is and always has been a warrior. This is not to disparage the humility, compassion, mercy, and love that flow from the New Testament characterization of the Gospel of Jesus Christ. If the Word of God is to be accepted in its entirety, however, Old Testament battle descriptions of the Warrior of warriors must also be included in forming the complete picture of Jesus. These descriptions tell us that Jesus also has the heart of a warrior. Not only will this warrior heart be manifest on the Day of the Lord, but it has already been revealed in Old Testament battle. Jesus was a fierce Old Testament warrior. The evidence is compelling. The story is amazing. The incarnate Son of God was physically engaged in fierce Old Testament battle.

Jesus, the Greatest Warrior

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away,

Access Free Invisible Warrior The Protectors Series Book 11

the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, peeling bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another

Access Free Invisible Warrior The Protectors Series Book 11

man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from

Access Free Invisible Warrior The Protectors Series Book 11

happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took

Access Free Invisible Warrior The Protectors Series Book 11

to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.*** Highly trained VC Warrior, Dr. Slade Buchanan's, role between lifesaver and lifetaker has been a constant battle, but nothing prepared him for half-breed VC Warrior trainee, Jill Nichols. Slade realizes his struggles from the past were nothing compared to the difficulty of resisting the woman who could never belong to a man like him. Being the only female VC Warrior recruit, Jill Nichols, has an uphill battle. Falling for the sexy doctor, Slade Buchanan, has not made the battle any easier, especially when he constantly reminds her and others there will never be anything between them. Working harder than any male recruit, obstacles are thrown in her path, and with each challenge, it becomes clear that the two things she wants most may never be. Leader of the VC Warriors Cincinnati branch,

Access Free Invisible Warrior The Protectors Series Book 11

Duncan Roark, has devoted his long life to the Warriors he calls brothers and the Vampire Council, protecting innocents of both the vampire and human race. Things change suddenly when it is ordered that he and his fellow Warriors train human Social Workers to protect themselves in their new world of vampires. Falling in love with a human was something Duncan never thought possible, but love her he did. Now instead of being the ruthless leader he was trained to be, his focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for

Access Free Invisible Warrior The Protectors Series Book 11

Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.

"Centerline is a thrilling, high-action

page-turner that captures a story many

Americans fail to appreciate-the

sacrifices of our armed forces, their

families, and the medical teams who

support them. The tactical flight

operations, ground combat scenes, and medical emergencies are real-not Hollywood-and the stories of wounded warriors and those waiting at home are unforgettable." - General Bill Begert, USAF (Ret), Former Commander, Pacific Air Forces Centerline tells the arresting story of the last leg of an emotional journey through the eyes of wounded warriors, crew, and medical caregivers making the trip home from military hospitals just before Christmas at the height of the surge in Iraq. Air Evac 1492 is the collective Air Force call sign for the flight. But each person on board has an individual story of hopes, dreams, fears, and regrets as the aircraft wings its human cargo through bad weather, flashbacks, and in flight emergencies. "Everybody who goes to war gets shot," one soldier says. "Some in the body. Some in the head. Some in the heart." This inspiring debut novel by Dave McIntyre (Ret COL USA) combines compelling technical descriptions of flying, combat, and medical care in-flight to drive the story through a rollercoaster ride of emotions as thirty-one "souls on board" travel through pain, loss, a killer

storm, and the demons of the past to make it home for Christmas. Some travelers will fall short of the runway. And some will find the beacon that leads them home-back to the centerline. Steve, the self-proclaimed Invisible Warrior, has not had a typical life. Trained by the VC Warriors, he still has to prove his worth, but with humor and sheer will, he refuses to give up. In one afternoon, his life changes, as do the lives of three others. Steve Richardson has a serious choice to make between two women and someone who holds his heart like no other.

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

The VC Warriors are an elite group of

vampire who protect innocents, whether human or those of their own race. Jared Kincaid, along with other Warriors, are shocked when a fiery red head with a gun and attitude, bring news of young teens being turned into an army of half-breed vampires capable of taking out all VC Warriors. Breaking into the famed VC Warriors compound was definitely not the smartest thing Tessa Pride has ever done, but she will do anything for her brother, Adam. The Warriors held the one person she knew was responsible for her brother being turned into a half-breed and nothing will stop her from getting what she needs to help her brother, not even a Warrior whose eyes could make her melt with one look. Jared and Tessa join forces in a desperate scramble to find who is responsible. With a war between Warriors and half-breeds brewing, suspicions of traitors in their midst put the lives of everyone involved on the line.

The origins of this book were in the cryptologic equivalent of an urban legend and a couple of photographs. During research on the early days of NSA, historians at the Center for Cryptologic

History (CCH) learned of the employment of African-Americans at the Agency in the period after World War II.

Occasionally, in informal conversations with former NSA seniors, the subject of minority history would come up, and CCH historians collected anecdotes about segregated offices in the early days. It became apparent that the employment of African-Americans came even earlier than previously thought. No information, however, confirmed any contribution by African-Americans during the world war.

In early 1996, the History Center received as a donation a book of rather monotonous photographs of civilian employees at one of NSA's predecessors receiving citations for important contributions. Out of several hundred photographs, only two included African-Americans - an employee receiving an award from Colonel Preston Corderman (reproduced on page 14) and the same employee posing with his family.

Although undated, the matrix of the photograph indicated it had been taken in 1945 or early 1946. This made it likely the person was receiving an award for wartime contributions. It therefore

became a high priority in the History Center to investigate the story behind this photograph and learn the truth behind the unconnected anecdotes about African-Americans in the early days of the cryptologic organization. In 1998 it became possible to hire a few additional historians for a year to supplement the History Center's permanent staff. Ms. Jeannette Williams applied to research the early history of African-Americans in cryptology. Assisted by Ms. Yolande Dickerson, Ms. Williams undertook an exhaustive search of the cryptologic archives and recovered the basic story of the segregated cryptologic organizations - including the previously unknown existence of a large office of African-Americans in World War II. The basic facts about this unit preserved in official records, however, shed little light on the social milieu of the time or the eventual movement of African-Americans into the cryptologic mainstream. Compiling - and constantly expanding - a list of names of African-Americans who worked in the early days of NSA and its predecessor organizations, they conducted an exceedingly vigorous program of oral

history interviews. These interviews personalized the stark facts found in the documents. In fact, this monograph rescues an important historical story that might otherwise have been lost. It should also be noted that this was a last-minute rescue. Several important figures had already passed away by the time the research for this book began, and several more have passed away between the time of their interviews and the publication of this book. The story that the author tells is by turns infuriating and inspiring. But it needs to be faced squarely from both these aspects. I recommend *The Invisible Cryptologists: African-Americans, WWII to 1956* as essential reading for all who are interested in the early days of cryptology, all who are interested in the social history of NSA and its predecessors, and all who are interested in the history of American race relations. For further background on cryptologic activities during World War II and the early days of NSA, readers are encouraged to refer to *A History of U.S. Communications Intelligence during World War II: Policy and Administration* by Robert L. Benson and *The Origins of*

1945-1952, Volume 5**

Her Happy Ever After

New Beginnings

Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

Charger O'Neil knows nothing but chaos. As a Dark Guardian dealing with the underworld, mayhem is to be expected. Not only is it part of the job but also his life. With his team falling apart, Charger has an important decision to make. Stay or get out while he still can. Staying means he'll bring down the one person he's ever cared about but walking away means he could lose her forever. At a crossroads, Charger faces options he never saw coming. All his life, he's ridden the line between good and evil. Now, after so many years of the battle, one single decision could change his course, pushing him to the one side he never thought he'd be on.

In a dark new age, a hero emerges. In a near-Apocalyptic

future, preacher Jacob Cross has a calling on his life that would make the strongest man tremble -- defeat the most horrendous creatures hell can produce... and battle them constantly. Victory is assured only if he can locate the three partners promised to him in a vision. Heroes, demons, God and Man -- in the end, blood will be shed, and if Jacob and his friends have their way, the devil will be bound forever.

Bella is a lucky girl - she has a good job, an unbreakable circle of friends, and a fiance better than her wildest dreams. So, why does she want to ruin the best thing that ever happened to her by letting someone from her past meddle in her life? Mike is consumed with the need to marry Bella and make her his as soon as possible. There is nothing he wouldn't do for the woman he loves, but letting her go is the one thing he'd rather avoid. Their love was fast, and their relationship was built over the miles. But does that mean that their future wasn't meant to be? When lies surface, and trust is shaken, will they choose each other? Or will someone else capture their happily ever after?

Not only does VC leader, Sloan Murphy, have to keep the peace between the human and vampire race, but he also wrangles VC Warriors in his spare time. It's a job that could drive a saint insane, and Sloan is no saint, but insane he may be. While his Warriors find mates, he swears he will not follow in their footsteps. Becky Spencer, his new secretary who he reluctantly employs, is set to threaten every stoic promise he's made. With an instant attraction

Access Free Invisible Warrior The Protectors Series Book 11

that is hard to deny, she fits into his world with confident ease. Even though Becky has sworn off men after her nasty divorce, she can't help the desire the sexy and serious Sloan Murphy stirs in her. It isn't until she sees how devoted he is to his job and the Warriors under his command, that her lusty feelings turn into more. Working in close quarters, they both fight the pull that grows with each passing minute. Who will win, the secretary, the Warrior, or an attraction that just won't go away?

The God Warriors

Warrior is not a title people typically use to describe Jesus. But, if the U.S. Army Warrior Ethos defines a Warrior as someone who always places the mission first, never accepts defeat, never quits, and never leaves a fallen comrade, then Texas Army National Guard Chaplain and author H.B. Bender claims that Jesus is The Greatest Warrior. In *Jesus, The Greatest Warrior*; H.B. Bender offers words of inspiration and hope for victory when all seems lost. In this book you will learn: Where and How to find God (Really misleading because, the fact is, He is always seeking and pursuing us; too often though, we just don't recognize Him. What you must do to gain access to all the power, wisdom, and love God has; to experience a peace and abundance you never knew possible; to experience a joy, a peace, a blessing, and an abundance no circumstance, no situation, and no person will be able to take from you. How to KNOW that you have eternal life. How to know with 100% certainty that you will go to Heaven and never again experience sadness, disappointment, rejection, illness, poverty, insufficiency, abuse, shame or injustice. Where you will be made perfect forevermore. How to be set free from all the guilt and shame of your past, how to be given a fresh start, and how to be released from the limitations that come with being defined by your past mistakes and the opinions of others. How to make sense of the struggles you are going through. To know why we experience pain and suffering in this life. More than that, to know how your pain and suffering is actually PROOF of God's love for you, proof that you will overcome. The secret to navigating the storms of life and experience a happiness and joy that transcends your circumstances. What to do when you lose your way in the storms of life and how to get back on course. How to know that God loves you. That He loves you just because you are. That He has never stopped loving you and will always love you. Unconditionally. Perfectly. Completely. Eternally. How to know that, because of that love, Jesus will

One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline-an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others.

Warfare. What would happen if the two combine? Something dark is brewing on a planet far across dimensions, threatening to eat its way through the thin boundaries of time and space. On the planet Corvalis, just as war is near, the gods send a champion to defend the lands from evil. A simple man from Earth, John is selected to inhabit the body of a warrior of this strange new world, in the hopes that he might guide kingdoms to not only victory, but also the survival of multiple races. He is the gods' champion, and his arrival signals the precursor to a great unknown conflict. The Korath. The Illian. The Wolven. The Dark Ones. Kingdoms of different cultures and species clash as they struggle to learn about this new champion, and prepare for the coming conflict. But John soon discovers that the gods do not always work together. Soon more champions arrive, and the inhabitants of Corvalis grow concerned. There has never been more than one champion. Ever. As the kingdoms wonder what disaster awaits them, fear grips the world, as tension mounts. But John will not permit total annihilation to overcome the inhabitants of Corvalis for one very good reason. Jax Wheeler has been fighting his own demons for as long as he can remember. One of those demons is from his past, a brother who wants nothing more to see Jax suffer. Working closely with the Cincinnati Branch of the VC Warriors Jax never thought he would find someone who could help him ease his pain, but he was wrong. Having a past of her own, Caroline Fitzpatrick has survived being put into a trance by a madman who wanted to control her sister, a abusive relationship, communicating with the dead, but nothing has prepared her for Jax Wheeler. From the moment she saw him the attraction was immediate, but the attraction was not mutual or was it? The more Jax tries to stay away from Caroline, the more he finds himself at her door, in her life. All he knows is that every minute he spends with the beautiful school teacher, the more danger he puts her in. His brother's vengeance of wanting him to suffer has put Caroline in the line of fire and only Jax can protect her.

begins to feel more positive. With her new friends and interests, will Sam finally feel able to face the bully who taunts her, and to summon up the courage to perform on stage?

Most think that newest VC Warrior, Ronan McDonald, is just a laid-back cowboy. What they don't see is the inner turmoil that only his small ranch and horses can tame. At least that is until a witch with a beauty none could deny walks into his life. Running has been Kira Grail's life for as long as she can remember. It isn't until she meets a VC Warrior that she realizes she's grown weary, but the forces chasing her will never bend. Ronan doesn't believe in magic or curses. What he does believe is that only he can keep Kira safe. Together, they fight to bring the once powerful warlock, Orjyll, to his knees, releasing the women of the Dragonfly Coven. During their perilous journey, Kira vows to keep her distance, but the vampire cowboy has other plans. Maris Forrester has a wonderful life with an amazing boyfriend and a fulfilling job. She's happy and content . . . or so she thinks. Maris has always had huge dreams of being on Broadway. Ever since her very first performance as a child, she has envisioned herself on the stage under the shining lights. Now she has to decide whether she should to give up her wonderful life to chase those dreams. When her parents announce they are moving, she comes across a long-lost family treasure. She doesn't

realize that this treasure may hold the key to her future and to all her dreams coming true. And if that wasn't sign enough, a mysterious stranger throws another wrench in the mix at a dazzling rooftop party benefiting the Arts. These could be signs of things to come. But will she remain content in her perfect world, or will she step into the unknown world she has always dreamed of?

The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new

What if, in a world where every elf's destiny is an open book, you were the only one whose fate was unknown? Iarion's quest for meaning has spanned millennia. Now ancient, dark powers are rising, and he may be the only one who can stop them. Joined by the unlikeliest of companions, treachery looms from within and without. How far would you go in your search for answers? This 130,000 word epic fantasy novel adventure features Iarion and Barlo, and takes place after Legacy Hunter in the World of Lasniniar epic fantasy series. Kids can do amazing things with the right information. Understanding why anxiety feels the way it does and where the physical symptoms come from is a powerful step in turning anxiety around.

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than

people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

What does it mean to have a "warrior mindset"? What is different in the way a warrior thinks than the rest of us? Throughout the ages, warriors - ancient and modern - have had a determination to win like no other. They are willing to take calculated risks for the betterment of their fellow warriors. They live to stand for something greater than themselves. The warrior mindset is different. It is about knowing what you want and going for it. It's about being hard and it's about not letting little things get you down. It's about pushing ahead with what you know is right and it's about carrying responsibility and hardship on your shoulders with dignity and pride. It's about not letting your emotions get the better of you and it's about not taking the easy answer or the easy route to solve your problems. Instead, it's about taking the hard right and not the easy wrong. Now imagine if you could take that same mindset and apply it to modern life. Instead of getting tired or bogged down, instead of being distracted and tempted, you would instead drive forward with an unstoppable, bulletproof mentality. Your enemies would quake knowing that there was nothing they could do to stop you and the obstacles that normally would block another person's career, relationship goals and financial plans would all crumble beneath your will. Developing a warrior mindset makes you unstoppable. You are a warrior! In Warrior Mindset, we delve into how a warrior thinks and how you can learn that same way of thinking and apply it to your career, relationships and financial goals.

Visionary sci-fi/fantasy. Moments after learning that he holds the key to the unimaginably powerful 5th force, Michael is

attacked by men sent by arms dealer Rockshaw-who wants the secret of the 5th force for himself-or Michael dead. With only seconds to spare Michael is rescued by the unknown-but strangely familiar Elle-who uses telekinetic powers and a stolen motorcycle to race him to safety. Michael soon discovers that he is Elle's timeless companion and has been reborn once more as leader of the spiritually advanced Protectors guided by the immortal Atri and Atria. As Michael regains his powers-and reawakens crucial life memories of Galileo, Gandhi, Newton, and Einstein-Michael and Elle shape-shift into new identities and surreptitiously use their powers to extract a scientist from North Korea, raid Rockshaw's secret labs in Essen, and hijack a supercomputer, in an all out sprint to discover the 5th force. Meanwhile an unknown betrayer is attempting to deliver them-and the secret of the 5th force-into Rockshaw's hands. ""The Protectors Diaries provide page-turning reads, but these books are much more than a great fantasy/thriller series. They say there is truth in fiction, and amidst the action, Selbie manages to weave in an uplifting and compelling vision of our own high spiritual potentials. The first in series, The Fifth Force, gets off to a rocketing start and is continued in the second, The Six. The series skillfully combines leading-edge science, ancient history, contemporary issues, telepathy, levitation, great characters, love, and loyalty. Engaging and inspiring. You'll be glad you couldn't put them down."" Graham Hancock author of "War God: Nights of the Witch" and "Fingerprints of the Gods"
