My iPhone for Seniors

There's no time like the present to figure out your Apple Watch The Apple Watch is 'just a watch' the same way the iPhone is 'just a phone.' This new-fangled device will tell you what time it is, sure ... but it also let's you receive and reply to text messages, answer phone calls, check your heart and pulse oxygen rates, control your streaming music and video, and just about everything else your phone can do. This book walks you through the steps for handling all these tasks and even shows off a few tricks you can share with friends and family. Inside... Choosing the model that fits your needs Navigating the tiny interface Linking up with your iPhone Keeping track of your health Communicating Dick Tracy style Changing the band to fit your style Controlling streaming media Applying family features The iPad does everything...but what if you don't want to do everything?! Sure, it's great that you can log into a private network or set up an iMAP / POP email account--but what if you are retired and just want to know the basics--like how to do a group Facetime with all the grandkids! This book walks you through what you need to know step-

Online Library Ipad For Seniors In Easy Steps 7th Edition

by-step--including how navigation works now that the Home button is gone on some of the iPad Pros. It covers only what you need to know--so you don't have to comb through hundreds of pages of tech-speak just to find out how to do a common feature. This book is based on the bestselling book "The Ridiculously Simple Guide to the Next Generation iPad Pro" but includes sections specifically for seniors (including accessibility features that make text easier to see). Are you ready to start enjoying your new iPad Pro? Then let's get started! Note: This book is not endorsed by Apple and should be considered unofficial.

Provides instructions and advice for seniors on how to use the iPad, including browsing the Web, working with e-mail, making FaceTime video calls, exploring the iTunes store, using the iPad as an E-reader, and scheduling a reminder.

iPhone 4S Made Easy is the user-friendly guide to everyone's favorite smartphone. It's rather more than a phone of course--this straightforward book tells you exactly what you need to know: learn how to email, navigate, listen to music, play games, take photos, search the Internet, use apps for every conceivable function, and much more.
