The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Heritage Edition—Interlaced with nearly 300 special illustrations, some 20 charts, and over 100 poems from a century ago. This is a collection of readings on two hundred topics in which are answered nearly four thousand questions on important spiritual and religious subjects, contributed by a large number of Bible students. First published in 1914 as a "NEW, REVISED, AND ENLARGED EDITION," "Illuminated With Nearly Three Hundred Beautiful Illustrations" with "Over 1,250,000 Copies of Former edition Sold." Briefly stated, a Bible reading consists of questions asked concerning some subject, and answers to them from the Bible. In other words, Bible readings mean a topical study of the Bible by means of questions and answers. There are two introductory chapters, "The Bible; Its Origin, History, and Place in the World," and "The Value of Bible Study." The two hundred readings are organized under eighteen headings: 1. THE BIBLE; HOW TO STUDY AND UNDERSTAND IT II. SIN; ITS ORIGIN, RESULTS, AND REMEDY III. THE WAY TO CHRIST IV. LIFE, PARABLES, AND MIRACLES OF CHRIST V. THE HOLY SPIRIT VI. THE SURE WORD OF PROPHECY VII. COMING EVENTS AND SIGNS OF THE TIMES VIII. THE LAW OF GOD IX. THE SABBATH X. CHRISTIAN LIBERTY XI. LIFE ONLY IN CHRIST XII. CHRISTIAN GROWTH AND EXPERIENCE XIII. PRAYER AND PUBLIC WORSHIP XV. CHRISTIAN SERVICE XV. ADMONITIONS AND WARNINGS XVI. THE HOME XVII. HEALTH AND TEMPERANCE XVIII. THE KINGDOM RESTORED The readings in this book as originally prepared were contributed by a large number of Bible workers, whose experience in giving Bible readings had taught them the most effective methods of presenting the different subjects treated. The reader and student of this volume will gain a richer and clearer understanding of the Bible and of its practical value in everyday life. Especially, will there be a more comprehensive understanding of the end-time prophecies of the books of Daniel and Revelation with such subjects such as the Antichrist; the Rapture; the Mark of the Beast; Armageddon; the Millennium; and Eden Restored. A clear understanding of Bible teaching regarding such subjects as the State of the Dead; What, When, and Where is Hell; and Which is the True Lord's Day will prove to greatly protect one from Satan's end-time deceptions. "Bible Readings for the Home Circle" will be found an excellent aid to private, family, and public study of the Word of God.

It is an undeniable fact that the very concept of hell is shrouded in mystery. We know what books and movies tell us hell is like, but we're left with so many questions. Is hell simply a place where sinners are sent to suffer for their sins, or is it much, much more than that? All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place. From the "traditional" view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance, no other book gives such in-depth biblical insight into the truths about hell that are hidden in all the hype. Features include: Complete coverage of the three most popular views on hell Clear explanation of what Scripture really says An easy and interesting read for laypeople, pastors, and scholars alike Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace! The result of decades of careful research and Bible study, the charts and well-written explanatory text provide a fascinating picture of the times ahead. Charting the End Times includes... A foldout portraying God's complete plan for the ages More than 50 full-color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end-times questions Providing a wealth of information, this book is certain to become a popular study tool for understanding God's unfolding plan!

Bible Readings for the Home Circle-Illustrated

*Packed full of exciting Bible facts and information, Wilmington's Bible Handbook is a must for any student of the Scriptures. The volume contains introductions, verse-by-verse commentaries, Bible lists, charts and maps, and much more.*

*Everlasting hell and divine judgment, a lake of fire and brimstone—these mainstays of evangelical tradition have come under fire once again in recent decades. Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal, conscious torment? Is divine mercy bound by the demands of justice? How can anyone presume to know who is saved from the flames and who is not? Reacting to presumptions in like manner, others write off the fiery images of final judgment altogether. If there is a God who loves us, then surely all are welcome into the heavenly kingdom, regardless of their beliefs or behaviors in this life. Yet, given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history, the pop-universalism of our day sounds more like denial than hope. Mercy triumphs over judgment; it does not skirt it. Her Gates Will Never Be Shut endeavors to reconsider what the Bible and the Church have actually said about hell and hope, noting a breadth of real possibilities that undermines every presumption. The polyphony of perspectives on hell and hope offered by the prophets, apostles, and Jesus humble our obsessive need to harmonize every text into a neat theological system. But they open the door to the eternal hope found in Revelation 21:22: the City whose gates will never be shut; where the Spirit and Bride perpetually invite the thirsty who are outside the city to "Come, drink of the waters of life."*

*Hell: The word means terror, darkness, and eternal separation from God. Some people think the Bible is clear about hell, but what if they're mistaken? With gripping narrative and solid scholarship, Sweeney charts hell's "evolution" from the Old Testament underworld Sheol, through history and literature, to the greatest influencer of all: Dante's Inferno. He reveals how the modern idea of hell is based mostly on Dante's imaginative genius-but in the process, he offers a more constructive understanding of the afterlife than ever before. Disturbing and enthralling, Sweeney will forever alter what we think happens to us after we die-and more importantly, he will make us reconsider how we live.*

*This book is not only an introduction to the entire Zondervan Guide to Cults and Religious Movements series, but also a quick-reference guide to the groups and movements discussed in the series. Truth and Error brings together in one volume the charts from the various guides that show how the groups and movements differ theologically from historic orthodox Christianity. Each chart is introduced by the general editor, Alan Gomes.*

*The books in the series that do not have comparison charts are introduced and summarized. Each book in the series includes - A concise introduction to the group or topic - An overview of the group's or movement's theology -- in their own words - A biblical response - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - Most books also include a comparison chart that shows the essential differences between biblical Christianity and the group. The charts from these books are reproduced in Truth & Error.*

Inventing Hell
A Visual Guide to God's Unfolding Plan

**This book is great for bible studies as a family and for individual studies between you and the Lord. It contains various ways to study as well. There is the traditional concordance composed of 90 words, favorite scriptures with testimonials as well as devotionals which incorporate the 90 words as well. FOR a more fun experience in learning, it also includes bible trivia! Don't worry, all the answers can be found in the back, along with scriptures where you can read the answers for yourself.**

**"From the Bible through Dante and up to Treblinka and Guantanamo Bay, here is a rich source for nightmares." --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death.**

**"God's Grand Plan of the Ages" captures the highlights of the more comprehensive book The Divine Plan of the Ages. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be "done on earth as it is in heaven?" "God's Grand Plan of the Ages" also covers the signs of the "Time to End" prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing "time of trouble, such as never was since there was a nation." What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the "Golden Age" that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isa iah 35:5, 6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) "No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him" (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading The Divine Plan of the Ages, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD—or at cost, in a hard bound edition.**

**Take in the full history of the Bible with a detailed account that focuses on its major empires, events and personalities. Written by a religious scholar who has taught at high school, college and adult levels, this historical exploration is organized around the major civilizations and epochs of the ancient world, beginning with Sumer and ending with Rome. Author Bruce W. Gore provides a thorough overview of major empires, such as the Assyrians or Babylonians, as well as more modest civilizations, such as the Phoenicians or Hittites. Learn how Cyrus the Persian, Alexander the Great, Julius Caesar, and others changed the course of Christianity. In the course of historical exploration, this account also examines questions that may have puzzled readers of the Bible in the past: \* Who was Sennacherib? \* To which Assyrian king did Jonah preach, and did this make any difference in history? \* What did the eight night visions of Zechariah mean in light of the rule of Darius the Persian? Study the Bible with an eye on its ancient setting and develop an understanding of its key people, places and civilizations with Historical and Chronological Context of the Bible.**

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

Digital edition, full color. This compilation is from my A papers in Biblical and theological study, includes insight from art study, and adventures from other personal Bible study. For example I had gone to the library to search on a topic, had been urged by the Holy Spirit toward a book, picked it up and began to leaf through the pages. A wind blew and immediately it opened to an excerpt. It told a story of a lady of mine in ancient Egypt who practiced a bazaar ceremony. In the King's Chamber of the Great Pyramid at Giza it was discovered all that remained was dust of the ages and a stone sarcophagus, on walls hieroglyphics. Translation told the story. Candidates for priest and pharaoh were placed in the stone sarcophagus, sealed with wax, experienced a near-death encounter with an angel of light called "Osiris"—whose appearance is depicted in hieroglyphics, and they were initiated into an ancient mystery cult of "Osiris"—stronghold of "MYSTERY BABYLON." Charts for a Theology of Evangelism

**Many Christians are deeply disturbed by the idea that there is a real hell in which people suffer forever and ever according to the Bible. This is especially true with respect to Christians who believe that they have loved ones who might end up in this horrendous place. What a relief it would be for them to see that such a hell is not claimed by the Bible. To that end, author John D. Frey leads readers on a well-researched journey that investigates what the Bible really says about hell. The author provides overwhelming evidence that there is no hell in which anyone suffers in any way and this evidence is based on what is claimed by the Bible. The book contains 12 chapters. Chapter 1 presents the events that occurred in a place near the walls of Jerusalem called the valley of Hinnom, later translated to "hell". Chapters 2-3 primarily deal with events surrounding Jesus and Isaiah. Chapters 4-5 discuss the events in the parables of Jesus and visions of John in the book of Revelation. Chapter 6 explores Bible passages that explain what finally happens to the unrighteous. Chapters 7-8 explore why both Gentle Christians of the second century and some modern Christian denominations believe in a hell in which unrighteous people will suffer forever. Chapters 9-10 explore the concepts of Sheol and Hades in the Bible and what Jewish Rabbis say about hell. Chapter 11 confirms the existence of heaven. Finally, in chapter 12, concluding thoughts are presented.**
