

## **Israel National Trail And The Jerusalem Trail 2nd Edition Hike The Land Of Israel**

**FOREWORD INDIES Book of the Year Awards — 2017 GOLD Winner for Nature A hiker's dream bucket list is embodied in this lavishly illustrated celebration of more than eighty of the world's most iconic trails. Celebrating the most important, popular, and diverse hiking trails in the world, this book invites readers to take a walking tour through the planet's natural wonders. Divided into six sections, the book groups trails by theme: pilgrimages, historic hikes, mountain hikes, wilderness trails, trails through diverse environments, and long-distance trails. From Mount Kenya to subarctic hikes in Scandinavia, and from exotic hikes in the Himalayas to more familiar trails in the United States and Canada, this book invites readers to explore the history, environment, and cultures of the world on foot. Each featured trail has its own section, with a map and photo gallery focusing on what makes it one of the most magnificent hiking trails anywhere in the world. Included are detailed descriptions and trail highlights. This book is perfect for anyone interested in conservation, outdoor recreation, or the myriad ways that walking through a landscape is an intimate exploration of its soul.**

**the vital messages of the stories, we must go beyond a simple translation of the text and**

**The next time you pick up a piece of chocolate, consider that you are partaking in an aspect of Jewish history. Explore the surprising Jewish connections to chocolate in this historical and gastronomic adventure through cultures, countries, centuries and religions. Rabbi Deborah Prinz draws from her world travels on the trail of chocolate to enchant chocolate lovers of all backgrounds as she unwraps tales of Jews in the early chocolate trade to how Jewish values infuse chocolate today. She shows the intersections of Jews, pre-Columbians, Catholics and Protestants along the chocolate trail and the lasting rituals involving chocolate that the world's faith traditions still share. Tasty tidbits include: ¿ Chocolate making in seventeenth-century Amsterdam, home to the largest and wealthiest Jewish community of its time, was known as a special Jewish industry. ¿ Bayonne chocolate makers today advertise that Jews brought chocolate making to France. ¿ Chocolate Hanukkah gelt may have developed from St. Nicholas customs. ¿ Jews pioneered chocolate in North America as successful and well-known American colonial Jewish merchants such as Abraham Lopez and Nathan Simson traded cacao and manufactured chocolate. ¿ A born-again Christian businessman in the Midwest marketed his caramel chocolate bar as a ¿Noshy,¿ after the Yiddish word for ¿snack.¿ ¿ Jewish values of caring for the needy, pursuing economic justice, protecting the environment and promoting sustainability feed into the organic and fair trade chocolate businesses of today.**

**An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.**

**South West Coast Path - Minehead to Padstow**

**Home. Hope. Reality.**

**Easy Walks in Massachusetts 2nd Edition**

**Hiking in Israel**

**Aliya**

**A History**

**Israel**

The South West Coast Path is the spectacular 630-mile (1008-km) National Trail around the tip of Britain. This volume features the section of the Path from Minehead to Padstow, a distance of 163 miles (262 km). It skirts the Exmoor National Park, taking in the precipitous harbour towns of Lynton, Lynmouth and Ilfracombe, before heading south-west into Cornwall along the surfers' coast via Westword Ho! and Arthurian Tintagel, to reach the gastronomic mecca of Padstow. Along the way there is the coastal path around Lundy Island, with its puffins, and other arresting wildlife from shearwaters to basking sharks. This guide has been fully revised and updated for 2016, and completely redesigned to feature many more colour photographs and much more information on local history, cultural associations and wildlife. It is not so much a walking guide as a complete companion to the landscape of the Path, whether you are a dedicated long-distance walker or a weekend stroller. National Trail Guides are the official guidebooks to the fifteen National Trails in England and Wales and are published in association with Natural England, the official body charged with developing and maintaining the Trails.

**NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award** An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking *From Beirut to Jerusalem* has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as *My Promised Land*. Facing unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for *My Promised Land* "This book will sweep you up in its narrative force and not let go of you

until it is done. [Shavit 's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East. ” —Simon Schama, Financial Times “ [A] must-read book. ” —Thomas L. Friedman, The New York Times “ Important and powerful . . . the least tendentious book about Israel I have ever read. ” —Leon Wieseltier, The New York Times Book Review “ Spellbinding . . . Shavit 's prophetic voice carries lessons that all sides need to hear. ” —The Economist “ One of the most nuanced and challenging books written on Israel in years. ” —The Wall Street Journal

From epic cliffs to gentle fields, from bustling towns to the peaceful lake shores of Galilee, take a journey on the Jesus Trail and watch the Bible and history come to life.

From epic cliffs to gentle fields, from bustling towns to the peaceful lake shores of Galilee, take a journey on the Jesus Trail and watch the Bible and history come to life. Hiking the Jesus Trail contains all the information you need to independently walk the 65-kilometre (40-mile) Jesus Trail and over 220 kilometres of additional trails connecting New Testament sites in the Galilee region of Israel. Literally walk in the footsteps of Jesus between sites such as Nazareth, Capernaum, the Sea of Galilee, the Jordan River, Mount Tabor, and dozens of other sacred historical sites. This book includes Over 50 detailed full-colour stage maps, city maps and historical maps, now with more detail! Suggested itineraries for walks ranging from one day to two weeks. Practical information about travel, accommodation, food, gear, and more. Historical information about the 1st century context of Jesus and overviews of dozens of historical and biblical sites. Ecological information about the Galilee region, including flora and fauna, nature reserves and national parks, and the Israeli hiking trail network. Over 250 full-colour pages with over 200 photos and illustrations. Integrated website with free GPS tracks of all routes covered in the book and updated trail conditions.

Innovation and the State

Don't Call It Night

**The 1990s brought surprising industrial development in emerging economies around the globe: firms in countries not previously known for their high-technology industries moved to the forefront in new Information Technologies (IT) by using different business models and carving out unique positions in the global IT production networks. In this book, Dan Breznitz asks why economies of different countries develop in different ways, and his answer relies on the exhaustive research of the comparative experiences of Israel, Ireland, and Taiwan - states that made different choices to nurture the growth of their IT industries. The role of the state in economic development has changed, Breznitz concludes, but it has by no means disappeared. He offers a new way of thinking about state-led rapid-innovation-based industrial development that takes into account the ways production and innovation are now conducted globally. And he offers specific guidelines to help states make advantageous decisions about research and development, relationships with foreign firms and investors, and other critical issues.**

**Cohen focuses on a two-decade period from about 1950 until 1970, during which David Ben-Gurion's vision of making Israel a nuclear-weapon state was realized. He weaves together the story of the formative years of Israel's nuclear program, from the founding of the Israeli Atomic Energy Commission in 1952, to the alliance with France that gave Israel the sophisticated technology it needed, to the failure of American intelligence to identify the Dimona Project for what it was, to the negotiations between President Nixon and Prime Minister Meir that led to the current policy of secrecy. Cohen also analyzes the complex reasons Israel concealed its nuclear program - from concerns over the Arab reaction and the negative effect of the debate at home to consideration of America's commitment to nonproliferation.**

**You love to backpack, but you can only get out on the trail a few weekends a year. This book was written for you. It is the first guide to cover the length of the Appalachian Trail in a single volume. It doesn't describe every mile of the trail, but offers detailed descriptions of the suggested hikes. Why sort through guidebooks looking for a good hike, when the best of the Appalachian Trail is all here in one book. Includes day hikes in all fourteen states the Appalachian Trail passes through.**

**For day-hikers and backpackers alike, AMC's White Mountain Guide has remained the most trusted and indispensable resource for 115 years. This 31st edition has been fully updated and revised Included in this boxed set are six pull-out topographic maps, updated to reflect the latest trail openings, closings, and reroutings.**

**NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts The Great Gatsby and The Bonfire of the Vanities NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA**

On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's' world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New

York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle

This is the full guide to the Israel National Trail [INT] and the Jerusalem Trail. The Israel National Trail is one of the most exciting hikes in the world, expanding over 1000 kilometres from the north to the south of Israel. You can hike its entire length, or just selected sections of your choice. It is the ultimate Israeli hiking experience, and now you can do it easily with the guide that simply has all you need. This full and comprehensive guide includes 61 topographical maps (1:50,000), 13 road maps (1:250,000) and 7 maps of Jerusalem (1:15,000). All the maps are in English. The guide offers a full description of the hike on the INT in both northbound and southbound directions, the hiking profile (distance from the beginning of the day and height above sea level), and important logistical information such as: how to cache water in the desert; contact information of people in the Negev desert who will cache water for you; a list of trail angels; transportation within Israel; information about places you see on your way; and, much more. The guide includes also the best 25 day-hikes in Israel, complete with maps and descriptions. The maps, along with day-by-day trail descriptions and tips, make this guide your best resource for hiking the INT. The INT is suitable for experienced hikers as well as families and individuals looking to explore Israel in a whole new and exciting way. The guide includes recommendations for shorter trips, one day or more, along the Israeli national trail - suitable for everyone.

In the summer of 1989, at Tel-Kedar, a small settlement in the Negev Desert, the long time love affair between Theo, a sixty-year-old civil engineer, and Noa, a much younger school teacher, is slowly disintegrating. When a pupil of Noa's dies under difficult circumstances, the couple and the entire town are thrown into turmoil. With characteristic subtlety and brilliance, Amos Oz tells a wry and tender story of frustrated ambition and love which is never quite fulfilled - bringing together stormy intrigue in a small community with gentle humour and an intimate anatomy of a relationship.

From the much lauded author of *Breaking News* comes a version of *Walking the Bible* just for Israel. With its dense history of endless conflict and biblical events, Israel's coastline is by far the most interesting hundred miles in the world. As longtime chief of NBC's Tel Aviv news bureau, Martin Fletcher is in a unique position to interpret Israel, and he brings it off in a spectacular and novel manner. Last year he strolled along the entire coast, from Lebanon to Gaza, observing facets of the country that are ignored in news reports, yet tell a different and truer story. *Walking Israel* is packed with hilarious moments, historical insights, emotional, true-life tales, and, above all, great storytelling.

*The Israel National Trail (INT) is one of the most exciting hikes in the world, expanding over 1,100 kilometers from the north to the south of Israel. You can hike its' entire length, or just selected sections of your choice, and you can hike it in winter too. It is the ultimate Israeli hiking experience, and you can do it easily with the guide that simply has all you need. This full and comprehensive guide includes 62 topographical maps (1:50,000) and 7 road maps (1:250,000). The guide offers a full description of the hike on the Israel national trail in both northbound and southbound directions and the hiking profile - distance and height above or below sea level. The maps along with a day-by-day trail descriptions and tips make this guide your one-stop shop and all you need to hike the Israel National Trail. The guide is suitable for experienced hikers as well as families and individuals looking to explore Israel in a whole new and exciting way. The new section from Arad to Masada and the Dead Sea is included.*

*Experience Israel through new eyes as you join Jamie Rother on a 1200km journey through the Promised Land. Passionate about hiking, Jamie decided to hike the Israel National Trail alone. Join Jamie on a personal and physically demanding journey that brings him to meeting people from all walks of life, seeing a beautiful land, full of variety in a short period of time and a walk that really was peaceful and meditative. Throughout the desert to the cities and towns near the borders with the West Bank to the small villages, Druze, Muslim, Christian, Jewish, Bedouin and people from all sorts of views on life, to the beaches of Tel Aviv, the holiness of Jerusalem and Tzfat, the Kinneret and the luscious green of the Golan Heights, this was truly a magical walking experience. This inspiring story shares his descriptions of his journey and lessons learned while hiking. A tale of life, love and learnings in the land of milk and honey, Jamie's account is informative, moving, enjoyable and uplifting. A must-read for those who love Israel, hiking and adventure.*

*"Days of Mashiach" is a collection of original and off-beat stories about Jewish life in Israel and the Diaspora. Written with a keen and humorous eye on the Jewish experience in our time, the stories center around the redemption of the Jewish People, the ingathering of the exiles, repentance, settlement of the Land of Israel, and Mashiach.*

In Israel, gates, fences, and walls encircle public spaces while guards scrutinize, inspect, and interrogate. With a population constantly aware of the possibility of suicide bombings, Israel is defined by its culture of security. *Security and Suspicion* is a closely drawn ethnographic study of the way Israeli Jews experience security in their everyday lives. Observing security concerns through an anthropological lens, Juliana Ochs investigates the relationship between perceptions of danger and the political strategies of the state. Ochs argues that everyday security practices create exceptional states of civilian alertness that perpetuate—rather than mitigate—national fear and ongoing violence. In Israeli cities, customers entering gated urban cafés open their handbags for armed security guards and parents circumnavigate feared neighborhoods to deliver their children safely to school. Suspicious objects appear to be everywhere, as Israelis internalize the state's vigilance for signs of potential suicide bombers. Fear and suspicion not only permeate political rhetoric, writes Ochs, but also condition how people see, the way they move, and the way they relate to Palestinians. Ochs reveals that in Israel everyday practices of security—in the home, on commutes to work, or in cafés and restaurants—are as much a part of conflict as soldiers and military checkpoints. Based on intensive fieldwork in Israel during the second intifada, *Security and Suspicion* charts a new approach to issues of security while contributing to our appreciation of the subtle dynamics of the Israeli-Palestinian conflict. This book offers a way to understand why security propagates the very fears and suspicions it is supposed to reduce.

The Israel national trail is one of the most exciting hikes in the world, expanding over 1000 kilometers from the north to the south of Israel. You can hike its' entire length, or just selected sections of your choice. It is the ultimate Israeli hiking experience, and you can do it easily with the guide that simply has all you need. **Israel has one of the most extensive and highly developed hiking trail systems of any country in the world. Millions of hikers use the trails every year during holiday breaks, on mandatory school trips, and for recreational hikes. Walking the Land offers the first scholarly exploration of this unique trail system. Featuring more than ten thousand kilometers of trails, marked with hundreds of thousands of colored blazes, the trail system crisscrosses Israeli-controlled territory, from the country's farthest**

**borders to its densest metropolitan areas. The thousand-kilometer Israel National Trail crosses the country from north to south. Hiking, trails, and the ubiquitous three-striped trail blazes appear everywhere in Israeli popular culture; they are the subjects of news articles, radio programs, television shows, best-selling novels, government debates, and even national security speeches. Yet the trail system is almost completely unknown to the millions of foreign tourists who visit every year and has been largely unstudied by scholars of Israel. Walking the Land explores the many ways that Israel's hiking trails are significant to its history, national identity, and conservation efforts. Walking for 400Kms from the Negev to Tel Aviv, learning about the heart and soul of Israel and its people. The whole INT is 1,000 Kms long. Walking the Land of Israel you feel and see so much more than being a tourist.**

**NATIONAL BESTSELLER • A stunning novel that tells the powerful story of Ora, an Israeli mother, and her extraordinary love for her son, Ofer, in a haunting meditation on war and family. "One of the few novels that feel as though they have made a difference to the world." —The New York Times Book Review Just before his release from service in the Israeli army, Ora's son Ofer is sent back to the front for a major offensive. In a fit of preemptive grief and magical thinking, so that no bad news can reach her, Ora sets out on an epic hike in the Galilee. She is joined by an unlikely companion—Avram, a former friend and lover with a troubled past—and as they sleep out in the hills, Ora begins to conjure her son. Ofer's story, as told by Ora, becomes a surprising balm both for her and for Avram. With over 6000 miles of marked hiking trails, Israel is one of the world's best-kept hiking secrets. This lavishly illustrated book details hiking in Israel, complete with maps, photographs, itineraries and useful hiking tips.**

This updated guide (4th edition - published April 2006) contains ten maps, elevation profiles and complete walking descriptions of this 223-mile trail - the longest hiking trail in the region (it runs from Talimena State Park in Oklahoma to Pinnacle Mountain State Park near Little Rock). It contains all the information that you need to have a safe and enjoyable hike. The Ouachita Trail has been improving over the years, and Tim Ernst details all of it, including the new trail shelters that have been built. It also pinpoints, on the maps and in the text, all of the reliable water sources along the trail, which are of extreme importance. The foreword was written by Ouachita Trail guru and famed outdoorsman Jim Rawlins. This guidebook is a must for anyone hiking the Ouachita Trail—don't hit the trail without it! This guidebook was produced in cooperation with the Friends of The Ouachita Trail (FoOT) and the U.S. Forest Service.

Chronicles the Nazi's rise to power, conquest of Europe, and dramatic defeat at the hands of the Allies.

Genuine inner peace? Few people realize that it is a realistic goal. A bright beacon now shines from faraway Israel to pierce the darkness of anger, anxiety and inner turmoil. Lazer Brody, one of Israel's dynamic new breed of emotional guides presents us with the Trail to Tranquility—a warm and innovative self-help experience that is reader-friendly and practical. The Trail to Tranquility, designed for readers of all backgrounds, is more than a self-help book. It is a companion and best friend, as well as your personal guide to attaining the inner peace you have always dreamed of.

Epic Hikes of the World

The Best of the Appalachian Trail: Day Hikes

Nazareth to the Sea of Galilee

"Gripping... a disturbing portrait of how an advanced country can descend into chaos." —Frederick Taylor, Wall Street Journal The Trial of Adolf Hitler tells the true story of the monumental criminal proceeding that thrust Hitler into the limelight after the failed beer hall putsch, provided him with an unprecedented stage for his demagoguery, and set him on his improbable path to power.

Reporters from as far away as Argentina and Australia flocked to Munich for the sensational, four-week spectacle. By the end, Hitler would transform a fiasco into a stunning victory for the fledgling Nazi Party. The first book in English on the subject, The Trial of Adolf Hitler draws on never-before-published sources to re-create in riveting detail a haunting failure of justice with catastrophic consequences.

Experience Israel through new eyes as you join Aryeh Green on a 680-mile journey through the wilds of the promised land.

Following a devastating divorce, the author decided to pack a few belongings and hike the Israel National Trail alone.

A "fascinating and very moving" (Aaron Sorkin, award-winning screenwriter of The West Wing and The Social Network)

chronological timeline spanning from Biblical times to today that explores one of the most interesting countries in the world—Israel.

Israel. The small strip of arid land is 5,700 miles away but remains a hot-button issue and a thorny topic of debate. But while

everyone seems to have a strong opinion about Israel, how many people actually know the facts? Here to fill in the information gap is Israeli American Noa Tishby. But "this is not your Bubbie's history book" (Bill Maher, host of Real Time with Bill Maher).

Instead, offering a fresh, 360-degree view, Tishby brings her "passion, humor, and deep intimacy" (Yossi Klein Halevi, New York Times bestselling author of Letters to My Palestinian Neighbor) to the subject, creating an accessible and dynamic portrait of a tiny country of outsized relevance. Through bite-sized chunks of history and deeply personal stories, Tishby chronicles her homeland's evolution, beginning in Biblical times and moving forward to cover everything from WWI to Israel's creation to the disputes dividing the country today. Tackling popular misconceptions with an abundance of facts, Tishby provides critical context

around headline-generating controversies and offers a clear, intimate account of the richly cultured country of Israel. With stories of 50 incredible hiking routes in 30 countries, from New Zealand to Peru, plus a further 150 suggestions, Lonely Planet's Epic Hikes of the World will inspire a lifetime of adventure on foot. From one-day jaunts and urban trails to month-long thru-hikes, cultural rambles and mountain expeditions, each journey shares one defining feature: being truly epic. In this follow-up to Epic Bike Rides and Epic Drives, we share our adventures on the world's best treks and trails. Epic Hikes is organised by continent, with each route brought to life by a first-person account, beautiful photographs and charming illustrated maps. Additionally, each hike includes trip planning advice on how to get there, where to stay, what to pack and where to eat, as well as recommendations for three similar hikes in other regions of the world. Hikes featured include: Africa & the Middle East: Cape Town's Three Peaks (South Africa) Kilimanjaro (Tanzania) Camp to Camp in South Luangwa National Park (Zambia) Americas: Angel's Landing, Zion National Park (USA) Skyline Trail, Jasper National Park (Canada) Concepción volcano hike (Nicaragua) Asia: 88 Sacred Temples of Shikoku Pilgrimage (Japan) Markha Valley (India) Gubeikou to Jinshanling on the Great Wall (China) Europe: Wordsworth's Backyard: Dove Cottage and around Rydal and Grasmere (UK) Alpine Pass Route (Switzerland) Camino de Santiago (Spain) Oceania: Sydney's Seven Bridges Walk (Australia) The Routeburn Track (New Zealand) Kokoda Track (Papua New Guinea) About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Winner of the National Jewish Book Award of 1979, this classic novel of love and war is now available in ebook format for the first time! Violence shattered her golden world, and Leah's journey began... It swept her from the burning villages of old Russia to the tenements of New York, from the glittering showrooms of Paris to the settlements of war-torn Israel. It brought her marriage to a man who yearned for her sweet, denied love - and passion for a man who yearned only for danger. It gave her a son born of shame, and a daughter born to destiny. It tested her love in the shadow of the Depression and the hell of the Nazi fury... And then Leah's journey brought her home.
