

## It All Begins With The Music

Here at last in English is Nikolai Bukharin’s autobiographical novel and final work. Many dissident texts of the Stalin era were saved by chance, by bravery, or by cunning; others were systematically destroyed. Bukharin’s work, however, was simultaneously preserved and suppressed within Stalin’s personal archives. At once novel, memoir, political apology, and historical document, How It All Began, known in Russia as “the prison novel,” adds deeply to our understanding of this vital intellectual and maligned historical figure. The panoramic story, composed under the worst of circumstances, traces the transformation of a sensitive young man into a fiery agitator, and presents a revealing new perspective on the background and causes of the revolution that transformed the face of the twentieth century. Among the millions of victims of the reign of terror in the Soviet Union of the 1930’s, Bukharin stands out as a special case. Not yet 30 when the Bolsheviks took power, he was one of the youngest, most popular, and most intellectual members of the Communist Party. In the 1920’s and 30’s, he defended Lenin’s liberal New Economic Policy, claiming that Stalin’s policies of forced industrialization constituted a “military-feudal exploitation” of the masses. He also warned of the approaching tide of European fascism and its threat to the new Bolshevik revolution. For his opposition, Bukharin paid with his freedom and his life. He was arrested and spent a year in prison. In what was one of the most infamous “show trials” of the time, Bukharin confessed to being a “counterrevolutionary” while denying any particular crime and was executed in his prison cell on March 15, 1938. While in prison, Bukharin wrote four books, of which this unfinished novel was the last. It traces the development of Nikolai “Kolya” Petrov (closely modeled on Nikolai “Kolya” Bukharin) from his early childhood though to age fifteen. In lyrical and poetic terms it paints a picture of Nikolai’s growing political consciousness and ends with his activism on the eve of the failed 1905 revolution. The novel is presented here along with the only surviving letter from Bukharin to his wife during his time in prison, an epistle filled with fear, longing, and hope for his family and his nation. The introduction by Stephen F. Cohen articulates Bukharin’s significance in Soviet history and reveals the troubled journey of this novel from Stalin’s archives into the light of day.

When a caterpillar enters the stage of chrysalis, its body disintegrates to form a butterfly. The old form dies, and a new form is born. But the butterfly must break free from its cocoon to spread its wings and reach new heights. Without struggling, its coloured wings would not be strong enough to allow it to fly. Many children, teenagers, and adults find themselves in a similar situationthey know they are in the caterpillar stage of life, and they realize its time to transform. This book is a rallying cry to create and usher in change within ourselves and in others so we can realize our destiny. By using our voices, hearts, and minds, we can bring back peace, unity, and love. Its important to remind yourself what you may have forgotten on your journey so far: that you are a human being who has the power to change your situation from a negative to a positive, from unfulfilling to fulfilling. Commit to the present and shape your tomorrow with the lessons in It All Begins with You.

Where do I begin? Choosing to follow Christ is the best decision you could ever make. It's the start of a new life for you. Some parts of that new life may be clear to you right now. Then again, you may have some questions too: What does it mean to be "new"? Could I be good enough to go to heaven? What did Jesus do for me? How do I pray? What makes the Bible special? And how do I read it? What's God's plan for my life? What am I supposed to do now? If you're wondering where to begin, this book is for you. It All Starts Here is also available via e-book on [www.jonathanbrooker.com/ItAllStartsHere](http://www.jonathanbrooker.com/ItAllStartsHere). Cover design and book layout by Derek Torsani.

From Leah Garrad-Cole, founder of the prominent Love Child Organics brand of baby and children’s foods, comes an all-occasions first book of recipes and parent-tested advice on how to feed your children wholesome and delicious foods that the entire family will enjoy. It All Begins With Food. That’s the Love Child Organics motto, a philosophy that was born of the desire to provide delicious and nutritious foods for babies and children and to encourage a lifelong love of healthy eating. Leah Garrad-Cole’s cookbook expands on this mission, providing simple-to-make, healthy recipes for everything from baby foods to baked goods, and finger foods to family meals. You’ll find inspiration for preparing the everyday essentials—breakfast, lunch, and dinner—and innovative ways to create healthier versions of processed foods and celebratory treats for special occasions, as well as tips on stocking your pantry so you’re ready for anything. Leah’s own experiences as a mother and special education teacher have taught her how and what kids like to eat best. With an unwavering focus on replacing ingredients that have little nutritional value with ones that are nutritionally dense, the book includes a range of delicious recipes, from Cheesy Veggie Mash, Roasted Sweet Potato Fries, Mini Baked Frittatas, and Chunky Chicken Noodle and SuperFood Soup, to Overnight Strawberry Cocoa Oatmeal, Omega Monkey Milkshake, and Raspberry Vanilla Heart Cookies. Leah also provides recipes for supermarket favorites, like Cheesy Little Crackers, allowing families to consume homemade versions of everyday staples without having to spend too much time in the kitchen. Her adaptable, easy-going recipes and tips will be invaluable to anyone with young children.

Packed with vibrant photography, up-to-date information, and practical advice on how to encourage healthy family eating, this book will quickly become a go-to guide for cooking with love: of food and family.

It All Begins with You

Can you fall in love through texting? When Flora receives a declaration of love from a stranger on Valentine’s Day that’s not intended for her, she doesn’t have the heart to ignore the message. Moved by the words that are full of regret, Flora notifies the mysterious author: someone, somewhere, is waiting for this message, but it’s not her. The story could have—should have—ended there. But to Flora’s surprise, “C” answers her. Thus begins an exchange of messages between the jovial young woman and her taciturn correspondent in which they gradually reveal themselves to each other. And even if she makes it her mission to reunite “C” with the person the message was actually intended for, Flora will quickly discover that playing Cupid is much more complicated than she thought. Especially when her own feelings become involved ... #virtuallove #secretrecipient #wongnumber Meet the Demaria sisters Between Leeds, London and Paris, four sisters, four romances. Each story is a stand-alone and can be read independently. 1 - It All Started on the Eve of Valentine’s Day: Flora & C 2

- A Very Bright Summer Sun in the London Sky: Summer & Ian (to be published in 2021)

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand greater action, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won’t truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it’s the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

How It All Began is based on Miguel “Mike” Cisneros Jr.’s life experiences growing up as a child dealing with family conflicts, domestic violence, bullying and child abuse, homelessness, and short periods of happiness. At times there were moments of hopelessness, despair, and desperation until he had to make a life-changing commitment to leave all that was negative and begin a new life, hoping something positive would come from it. That life-changing commitment was with the United States Navy. From the very beginning upon joining the Navy, many in leadership positions seemed to try blocking his desire to move forward, including people in leadership positions during a period when the Vietnam War was ending and the military was experiencing racial tension. Even though he didn’t like it and knew it wasn’t right, he kept going. There were also those in leadership positions that saw the potential in him and provided the mentoring and guidance for him to advance. After serving in the Navy for over thirty years, through many years of sea duty, deployments, family separations, adversity, and at times humiliations, he found ways to achieve his goals and succeed. At the same time, he provides insights of the chain of command and their leadership style. As with all organizations, there are good leaders and bad leaders; and from that, he learned and tried emulating the best from each. This personal story was written in the hopes that someone may learn from these experiences and perhaps inspire them to believe in themselves, to use their abilities, to have a positive attitude, and most importantly, to never give up.

When the going gets tough... Private investigator, Jill Gooder, has been hired to find a serial killer because, as usual, the police can't buy a clue. Jill, the not so proud owner of a crazy, one-eyed cat, probably can't expect too much help from her PA/Secretary, Mrs V, who spends all day knitting. And just in case all of that wasn't bad enough, Jill's just about to discover she's a witch... break out the custard creams.

It All Begins With "I"

It All Begins

It all begins at the family table

It All Starts With You

A Novel

It All Begins with Jelly Beans

On Christmas Day, 2010, a family receives an unexpected gift, a computer. The PC contains a message from an underground group of Wakoolacos. Their leader, Doctor Fred, a.k.a. Belljar, has lost his family and has transformed from healer to an evil doer. His goal, in life, is revenge and killing all the spirit that exists in the hearts of people. The Wakoolacos challenge Gabriel, Isabelle, and Aunt Adele, because of their innocence, to save the spirit or Belljar destroys it in 2012. Via evil DNA ladders.The title brings in implications of the Mayan calendar and the god Tikal "It All Starts with You" by Trent Shelton is a one-of-a-kind 300+ page journal filled with some of Trent's most popular quotes, along with thought provoking questions and action items to help lead people to change. About the Author: To some, he's a motivational speaker. To others, he's a previous NFL football player, but to Trent Shelton, he is just a man who wants to help lives. Born in Little Rock, Arkansas, raised in Fort Worth, Texas, as a child, all Trent wanted to be when he grew up was a professional football player. While he achieved his childhood dream, the former NFL player's career was a shaky one where he felt incomplete while constantly chasing after worldly things to temporarily fulfill the voids in his life. It wasn't until Trent hit his lowest point, after being released from multiple NFL teams along with the birth of his son, that he decided to work on becoming the best person he could be. In March of 2009, Trent picked up his iPhone and started sharing two-minute videos of his progress as a means of helping him stay accountable while bettering his life. He ended each of his videos with "It's RehabTime." A couple years later, those two-minute videos evolved into RehabTime Organization, a 501(c)(3 nonprofit with a mission to lead people to change through hope and faith. Today, on average, Trent reaches over 35 million people a week through his daily messages and videos. The motivational speaker has over 4 million Facebook fans, Instagram followers, and Twitter followers, all of which he refers to as his community of "Rehabbers." Trent is the best-selling author of three life-application books and a life-application journal, It All Starts With You. By following his calling, Trent has been able to travel all over the world to share his testimony and offer people messages of change and hope. Although Trent was motivated to become a better man by the birth of his son and through many of life's adversities he faced, he calls his greatest accomplishment helping people strengthen their relationship with Jesus Christ through RehabTime. While the former professional athlete once dreamed about a lasting career in the league, he now knows that God's vision for his life is better than he could have ever imagined. TrentShelton.com - RehabTime.Org

Data-driven personas are a significant advancement in the fields of human-centered informatics and human-computer interaction. Data-driven personas enhance user understanding by combining the empathy inherent with personas with the rationality inherent in analytics using computational methods. Via the employment of these computational methods, the data-driven persona method permits the use of large-scale user data, which is a novel advancement in persona creation. A common approach for increasing stakeholder engagement about audiences, customers, or users, persona creation remained relatively unchanged for several decades. However, the availability of digital user data, data science algorithms, and easy access to analytics platforms provide avenues and opportunities to enhance personas from often sketchy representations of user segments to precise, actionable, interactive decision-making tools—data-driven personas! Using the data-driven approach, the persona profile can serve as an interface to a fully functional analytics system that can present user representation at various levels of information granularity for more task-aligned user insights. We trace the techniques that have enabled the development of data-driven personas and then conceptually frame how one can leverage data-driven personas as tools for both empathizing with and understanding of users. Presenting a conceptual framework consisting of (a) persona benefits, (b) analytics benefits, and (c) decision-making outcomes, we illustrate applying this framework via practical use cases in areas of system design, digital marketing, and content creation to demonstrate the application of data-driven personas in practical applied situations. We then present an overview of a fully functional data-driven persona system as an example of multi-level information aggregation needed for decision making about users. We demonstrate that data-driven personas systems can provide critical, empathetic, and user understanding functionalities for anyone needing such insights.

A vibrant new novel from Penelope Lively—a wry, wise, wise-drawn about the surprising ways lives intersect Look out for Penelope Lively’s new book, The Purple Swamp Hen and Other Stories. When Charlotte Rainsford, a retired schoolteacher, is accosted by a petty thief on a London street, the consequences ripple across the lives of acquaintances and strangers alike. A marriage unravels after an illicit love affair is revealed through an errant cell phone message; a posh yet financially strapped interior designer meets a business partner who might prove too good to be true; an old-guard historian tries to recapture his youthful vigor with an ill-conceived idea for a TV miniseries; and a middle-aged central European immigrant learns to speak English and reinvents his life with the assistance of some new friends. Through a richly conceived and colorful cast of characters, Penelope Lively explores the powerful role of chance in people’s lives and deftly illustrates how our paths can be altered irrevocably by someone we will never even meet. Brought to life in her hallmark graceful prose and full of keen insights into human nature, How It All Began is an engaging, contemporary tale that is sure to strike a chord with her legion of loyal fans as well as new readers. A writer of rare wisdom, elegance, and humor, Lively is a consummate storyteller whose gifts are on full display in this masterful work.

We apologize for not properly crediting Fun World, Div., Easter Unlimited, Inc. for their ownership of the Ghost face mask on the cover of It All Began With A Scream. This is being rectified with a legal note added to the book going forward. In 1996, a movie came along that changed the face of horror films forever. Initial signs indicated Scream being a flop upon its release in theaters, but it quickly became a word-of-mouth phenomenon spawning multiple sequels, a television series, and countless imitators. Twenty-five years later, the impact of Scream is still being felt in films and pop culture. For the first time, get a behind-the-scenes glimpse of what it took to make the beloved films—from the people who were there. With 30 interviews from cast and crew members, It All Began with a Scream provides readers with an unauthorized look at the franchise. From a bidding war for the original script and studio meddling to on-set romances, script leaks, lawsuits, and a beloved director who created a family atmosphere for everyone on his set, find out the story behind Scream. It All Began with a Scream is a must-read for horror aficionados, film buffs, and anyone fascinated by Hollywood.

A practical and evidence-backed approach for improving egg quality and fertility— fully revised and updated in 2019. The latest scientific research reveals that egg quality has a powerful impact on how long it takes to get pregnant and the risk of miscarriage. Poor egg quality is in fact the single most important cause of age-related infertility, recurrent miscarriage, and failed IVF cycles. Based on a vast array of scientific research, It Starts with the Egg provides a comprehensive program for improving egg quality in three months, with specific advice tailored to a variety of fertility challenges—including endometriosis, unexplained infertility, diminished ovarian reserve, PCOS, and recurrent miscarriage. With concrete strategies such as minimizing exposure to common toxins, choosing the right vitamins and supplements to safeguard developing eggs, and harnessing nutritional advice shown to boost IVF success rates, this book offers practical solutions that will help you get pregnant faster and deliver a healthy baby.

Inspired by her beloved blog, dinneralvestory.com, Jenny Rosenstrach’s Dinner: A Love Story is many wonderful things: a memoir, a love story, a practical how-to guide for strengthening family bonds by making the most of dinnertime, and a compendium of magnificent, palate-pleasing recipes. Fans of “Pioneer Woman” Ree Drummond, Jessica Seinfeld, Amanda Hesser, Real Simple, and former readers of Cookie magazine will revel in these delectable dishes, and in the unforgettable story of Jenny’s transformation from enthusiastic kitchen novice to family dinnertime doyenne.

This book is about a young girl’s struggle with SLE, its social impact on the family, education, dreams, and visions and the role of the faith in sustaining sanity through the disease and hope through troubled times. It is a book based on personal experience a life that has proven on many occasions not to be easy and how, in the midst of the trials, she found joy counting each day as a blessing on its own. I’m not behind because I chose to smile! I see me as greater than my limitations. You can too . . .

Author MeCabe shows readers how to understand the signs, symbols, and messages inside dreams, as well as how to interpret those same signs in one’s waking life.

I had the idea of writing this book in 2010. I was training for my first long-distance run, which was the Disney World Half Marathon. The race was in January 2011, and in one of my training runs in December of 2010, I was praying, and God spoke to me about writing a book. My first reaction was who would want to read something that I wrote and what would I write about? Eventually I left that thought far in the distance and continued with my life. Six years later, I picked that thought up again and began to write about my life experiences. I had met numerous people who were just existing and were not truly living because they were working at a job that wasn’t fulfilling their God-given desires. Everyone has a purpose, and everyone’s life has a purpose. We just need to find out what that purpose is and then pursue it with everything we have. Part of what I discovered along the way was many of these people had a desire burning inside of them when they were little children. There was something that they enjoyed doing and could do better than anyone else. It may have been painting or writing poetry or some other skillset that God had gifted to them. Along the journey of their own life, someone discouraged them and told them that what they were pursuing was a waste of time and they wouldn’t amount to anything if they went that direction. Others were steered off their course by life circumstances. They may have found a job where they found worldly success and brought them all the trappings, such as the nice house, car, vacations, etc., but they hated the thought of going to work because the work itself didn’t bring them joy. This book was borne out of those stories and others that will hopefully serve as encouragement to those who find themselves in that spot.

It All Starts with Your Dream

It All Started on the Eve of Valentine’s Day

How Great Leaders Inspire Everyone to Take Action

It All Starts Here

Poems from Postliterate South Africa

It All Started When...

Faith by definition is: confidence or trust in God and in His promises as made through Christ; the scriptures by which humans are justified or saved. "It is the substance of things hoped for and the evidence of things not seen (Heb. 11:1 KJV)." In this story, Faith is the key just as it is in our lives to defeating the enemy. God has given us power over the enemy but for us to use that power we have to believe in the Son Jesus Christ and have Faith that we possess the power He has given us. Not only do we need Faith in defeating the devil, but as well the things he throws at us in life. WE MUST HAVE FAITH TO SURVIVE! In this story a young man is given power to use against evil. The key to using it is having Faith. I ask you, as you read this story, put yourself in his shoes and see if you would be ready for a test of Faith. "Originally published in Australia in 2019 by University of Queensland Press as Sick bay" –Title page verso.

When a child uses their imagination to pretend or make-believe, it’s because the Imagi are personally shaping the world around them. Born from a magical dreamworld, called Fantoria, each Imagi’s sole purpose is to provide wonder and make-believe to children of all ages. Unfortunately, many children grow up too fast and stop believing in wonder and make-believe. When this happens, the Imagi return to Fantoria and wait patiently for a new child to be born. That’s where this book comes in. Shifting away from the average picture book, It All Started When... by JQ Siris helps children to hang onto their childhood by turning them into the author and illustrator. With JQ’s help, children will discover their greatest adventures for the world to read!

The cookbook companion to the groundbreaking fertility book It Starts with the Egg. Start with Why

It All Begins In The Mind

Author’s purpose of life is to motivate and inspire those who needed supports to grow their lives and achieve what they want in their lives through his book. He has helped over hundreds of individual to establish a success habit in their lives, mentally and physically. The people who helped in the past were someone going into depression, unhappy with married life, single individuals who were frustrated with their lives thinking not being able to do anything in their lives. Other people were those who really wanted to commit suicide and end their lives. All of these people are now happy with their lives because they understood the significance of their lives. They found the cave of love, care and respect. Today, many of them teach others the same art of peaceful, happy and healthy life as he teaches others.

By philosophical definition, power is the ability to influence the behavior of others with or without resistance. By youth motivational speaker Carlos Ojeda Jr.’s definition, power is the ability to get things done! The ability to bring about positive change in the world. He believes that true power is evident in education, technological advancement, and in revolution, but no more so than in the hands of the youth that make these things happen. The Power of Youth is a ground breaking, interactive book that is designed to inspire students to cultivate the power that lies within them. The book echoes Carlos’ motivational presentations by illustrating to students that their voice is their power, and that power can help them change their lives, the lives of their family, their community and their world. It teaches students the elements of personal power that they possess and how to harness the skills they need to create positive change in their lives and community.

It’s one thing to admire the achievements of others, but it takes great self-awareness and strength to ties to tip into your own greatness. In this inspiring tale, Amare discovers the potential that lies deep within him. All it takes is the wisdom of a great person in his life.

A NEW YORK TIMES NOTABLE BOOK OF 2020 NAMED A BEST BOOK OF THE YEAR BY + THE WASHINGTON POST + THE ECONOMIST + NEW SCIENTIST + PUBLISHERS WEEKLY + THE GUARDIAN From one of the most dynamic rising stars in astrophysics, an [engrossing, elegant] (The New York Times) look at five ways the universe could end, and the mind-blowing lessons each scenario reveals about the most important concepts in cosmology. We know the universe had a beginning. With the Big Bang, it expanded from a state of unimaginable density to an all-encompassing cosmic fireball to a simmering fluid of matter and energy, laying down the seeds for everything from black holes to our rocky planet orbiting a star near the edge of a spiral galaxy that happened to develop life as we know it. But what happens to the universe at the end of the story? And what does it mean for us now? Dr. Katie Mack has been contemplating these questions since she was a young student, when her astronomy professor informed her the universe could end at any moment, in an instant. This revelation set her on the path toward theoretical astrophysics. Now, with lively wit and humor, she takes us on a mind-bending tour through five of the cosmos’s possible finales: the Big Crunch, Heat Death, the Big Rip, Vacuum Decay (the one that could happen at any moment!), and the Bounce.

Guiding us through cutting-edge science and major concepts in quantum mechanics, cosmology, string theory, and much more, The End of Everything is a wildly fun, surprisingly upbeat ride to the farthest reaches of all that we know.

**Winner of the Gold Dagger for Best Crime Novel from the Crime Writers’ Association (UK) Winner for Best International Crime Fiction from Australian Crime Writers Association An Instant New York Times Bestseller “A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it.”**—Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* and *The Four Winds Right*. *Wrong*. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he’s still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he’s in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. We Begin at the End is an extraordinary novel about two kinds of families—the ones we are born into and the ones we create.

**It All Started with Lasagna is a chance to get up close and personal with Peter Mercanti, a successful Hamilton businessman who came to Canada as an immigrant at age seven with his parents. With forthright honesty, Peter shares the story of his rise to business success—starting off at the age of eleven with selling “recycled” car engines to the trap yard from which they were liberated—and the development of Carmen’s Banquet Centre, his flourishing wedding and event venue, and associated hospitality businesses. In addition to his fascinating personal story, Peter shares his secrets to success both in business and in life, as well as key tips for becoming an effective leader. He also shares many fascinating and humorous stories about the various celebrities who performed at his venue, including Michael Douglas, Al Pacino, Sylvester Stallone, President Bill Clinton, Dom DeLuise, Sophia Loren, Wayne Gretzky and many, many others. Both inspirational and engaging, this book is for: any entrepreneur—young or old (Peter recently started his latest business, Mama Yolanda’s Lasagna, at age 70); anyone looking for inspiration on how to live better spiritually, personally, or professionally; those with an interest in Hamilton’s recent history; and anyone who just wants to be outright entertained with funny stories. All net proceeds from the sale of this book will be donated to the Charity of Hope. www. charityofhope.com**

History comes to amazing life in this narrative based on true events. It All Started in Africa takes young children on a journey through generations of African Americans over the course of history. Children will gain a better understanding of African American history as they engage in the concluding discussion questions. They will be challenged to make life better for themselves and for the people around them. Enter into this exciting, interactive experience all the way to its surprising finale!

There’s a saying “You Never Know” and that’s what exactly changed the life of two individuals who met by chance on New Year’s Eve as fate played its role perfectly. This is a story of how these two individuals overcame the fears instilled within their minds due to their tumultuous past as destiny kept pushing them forward on a journey that wasn’t all smooth sailing. A journey filled with happiness, sadness, doubts and fights. Will they just overcome their fears and be friends only? Will the saying “A girl and a boy can never be just friends” come true? Hop on to know their journey.

It All Begins is a collection of poems in English by over fifty South African poets (and some Zimbabweans), with several contemporary translations from /Xam, Afrikaans, Xhosa, Xitsonga and Zulu. All the poems were published in the poetry journal New Coin between 1989 and 1999. These poems were written over a period which included the brutal last years of apartheid, the release of Mandela, the country’s first democratic elections, and the disturbing trends of the post-Mandela era. During this time the violence of previous decades continued, although in different forms, while the poor became poorer. For poets, it was a time of innovation, music, street rhythms, and international influences were opening up the vocabulary. Groundbreaking poems were being written – many of them unnoticed when they were first published. Collected in this anthology, they demonstrate the aesthetic diversity and truth-telling power of South African poetry.

Poets include Lionel Abrahams, Tatanhulu Afrika, Lisa Combrinck, Michael Cope, Jeremy Cronin, Ingrid de Kok, Angiefi Dadla, Antjie Krog, Mazisi Kunene, Don MacLennan, Joan Metelekeramp, Kobus Moolman, Khulile Nxumalo, Mlotisi Nyeza, Andries Olliphant, Karen Press, Lesego Rampolokeng, Ari Sitas, Kelywn Sole and Stephen Watson

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself excepting his “no dating” rule, she can’t help but wonder what made him think as he did in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

It All Started in Africa

Which Is When It All Began

We Begin at the End

When they are selected to read speeches at their elementary school graduation, an unlikely friendship develops between two sixth-graders, one popular and one a misfit, who are facing family problems and health issues.
