Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, history, public administration, geography, polity, social, environment, scientific, legal etc, solved papers of various examinations, debate contest, Quiz and knowledge testing features are covered every month in this magazine.

Powerpoint Tips & Tricks

Unlike books currently on the market, this book attempts to satisfy two goals: combine circuits and electronics into a single, unified treatment, and establish a strong connection with the contemporary world of digital systems. It will introduce a new way of looking not only at the treatment of circuits, but also at the treatment of introductory coursework in engineering in general. Using the concept of "abstraction," the book attempts to form a bridge between the world of physics and the world of large computer systems. In particular, it attempts to unify electrical engineering and computer science as the art of creating and exploiting successive abstractions to manage the complexity of building useful electrical systems. Computer systems are simply one type of electrical systems.

+Balances circuits theory with practical digital electronics applications. +Illustrates concepts with real devices. +Supports the popular circuits and electronics course on the MIT OpenCourse Ware from which professionals worldwide study this new approach. +Written by two educators well known for their innovative teaching and research and their collaboration with industry. +Focuses on contemporary MOS technology.

Indian Agriculture contributes the biggest share in the country's economy. Agriculture not just provides foods to millions but also raw materials to many Industries. At present careers in agriculture is growing at a very fast rate in India, students from all over the country are selecting agriculture as their career prospective. The first Indian Agricultural University "Govind Ballabh Pant Agriculture & Technology University" provides admissions into various Undergraduates and Post Graduates courses every year by conducting entrance exams annually. The current edition of "Pantnagar Agriculture Entrance Examination 2020" is a complete study

guide that has been prepared on the latest exam pattern for the aspirants who are preparing for this exam. The book is divided into 6 major sections: Agriculture, Science, Mathematics, English Language, Hindi Bhasha and Reasoning Ability providing the entire syllabus in a comprehensive & lucid manner. This book allow to clarify all the doubts and fears regarding the exam, builds confidence to face the exam and improves the time management skills that helps aspirants to complete their exam within in a given time frame. Table of Contents Agriculture, Science, Mathematics, English Language, Hindi Bhasha and Reasoning Ability

This book constitutes the refereed proceedings of the 14th International Symposium on Experimental Algorithms, SEA 2015, held in Paris, France, in June/July 2015. The 30 revised full papers presented were carefully reviewed and selected from 76 submissions.

The main theme of the symposium is the role of experimentation and of algorithm engineering techniques in the design and evaluation of algorithms and data structures.

The papers are grouped in topical sections on data structures, graph problems, combinatorial optimization, scheduling and allocation, and transportation networks.

A handy resource for beginning, intermediate, or advanced PowerPoint users, this three-panel guide features helpful time-saving hints so that you can get the most out of Microsoft's dynamic presentation software. Written to follow PowerPoint 2010 (and compatible with PowerPoint 2007), this guide includes helpful screen captures and icons,

as well as clear and concise instructions.
