What happens when an indomitable force meets an irritating object? That's what readers find out when Superman runs into Lobo. Think of it like a boy scout joining a biker gang. What will be worse, the damage Lobo causes on his own, or the chaos of trying to stop him? I smell a team-up, fanboys! Numen is the most popular being in the universe, a god clogging all social channels. And he does not like competition. This means Superman and Lobo must go. Further complicating things is Dr. Flik, a scientist determined to study the last sons of Krypton and Czarnia respectively. What can she glean from the hero who lost everything as a baby and the bad, bad boy who made it all go away just for the heck of it? From writers Tim Seeley and Sarah Beattie the team behind the indie hit Money Shot and Punchline artist Mirka Andolfo comes a hilarious new superhero epic!

Dark Horse is thrilled to announce tales from two diverse worlds in our FCBD Gold Offering featuring Netflix's Stranger Things and a spooky trip into Jeff Lemire and Dean Ormston's Eisner Award-winning series Black Hammer with a cover by Chun Lo. In Stranger Things, writer Jody Houser and artist Ibrahim Moustafa bring the adventuring party back together after Eleven's disappearance, as Nancy and Steve find a way to lift the spirits of a despondent Mike. Perhaps all it takes is a roll of the dice. Then, in the world of the Eisner Award-winning Black Hammer series creator Jeff Lemire, guest writer Ray Fawkes, and artist David Rub'n, take the reader on an EC-style tour through Madame Dragonfly's mysterious Cabin of Horrors to witness two groups of brand-new Black Hammer heroes from the past! Rural crime is a fast growing area of interest among scholars in criminology. From studies of agricultural crime in Australia, to violence against women in Appalachia America, to poaching in Uganda, to land theft in Brazil -- the criminology community has come to recognize that crime manifests itself in rural localities in ways that both conform to and challenge conventional theory and research. For the first time, Rural Criminology brings together contemporary research and conceptual considerations to synthesize rural crime studies from a critical perspective. This book dispels four rural crime myths, challenging conventional criminological theories about crime in general. It also examines both the historical development of rural crime scholarship, recent research and conceptual developments. The third chapter recreates the critical in the rural criminology literature through discussions of three important topics: community characteristics and rural crime, drug use, production and trafficking in the rural context, and agricultural crime. Never before has rural crime been examined comprehensively, using any kind of theoretical approach, whether critical or otherwise. Rural Criminology does both, pulling together in one short volume the diverse array of empirical research under the theoretical umbrella of a critical perspective. This book will be of interest to those studying or researching in the fields of rural crime, critical criminology and sociology.

He was trained from birth to inherit a mythical power. She is the timid teenage girl to whom it was bestowed instead. Together only they can stop an ancient evil from rising and enslaving all humankind. An epic urban fantasy from the creator of Lady Mechanika! Collects all 6 issues of the -Redux- edition of Wraithborn.

Shudder-To-Think, Pennsylvania, has been on fire for years. The coal mines beneath it are long since abandoned. The woods are full of rabbits with human eyes, a deer woman who stalks hungry girls, and swaths of skinless men. And the people in Shudder-to-Think? Well, they're not doing so well either. When El and Octavia wake up in a movie theater with no memory of the last few hours of their lives, the two teenage dirtbags begin a surreal and terrifying journey to discover the truth about the strange town that they call home. Like so many women in Shudder-to-Think before them, all they have is a void where the truth once was. But as time passes, El finds herself needing to know more about what has happened, while Octavia wants nothing more than to forget the forgetting. Can these two teens reconcile their differences before the horrible things lurking beneath their town emerge and swallow them whole? Collects The Low, Low Woods #1-6.

An anthology of color and black-and-white short comic selections includes "The Last Days of Joe Strummer" by David Lasky, "Little Nemo in Wonderland" by Tony Millionaire, and additional contributions by such figures as Johnny Ryan, Ivan Brunetti, and Sam Henderson.

The most loathsome character in the galaxy oozes through this collection of four short stories. The Gaar Suppoon Hit Jabba finds himself bartering with Garr Suppoon, rumored to be an absolute demon at the negotiating table. There's a valuable lesson to be learned here: in a deal with the demon, you can always refuse. In a deal with Jabba, it's not advised. The Hunger of Princess Nampi Jabba has an old saying: if you can't beat 'em, buy 'em out And that's just what he attempts to do when he encounters an unexpected nemesis on his journey through the galaxy. But he may have to part with something more personal than his precious spice if he's going to close this deal The Dynasty Trap Jabba has a hot freighter on his hands and he's looking to unload it, quickly and discreetly. Enter Cabrool Nuum, a second-hand ship trader whose reputation for discretion is as long as his many years in the business. Unfortunately for Jabba, the years seem to have caught up with Cabrool, and his murderous offspring have taken advantage of the old man's dotage, just as they plan to take advantage of Jabba's impending arrival Betrayal Everyone hopes to get a big break someday, move up to the top seat in their line of work. But when that line of work is intergalactic crime, you've got to make your own breaks. Bib Fortuna, Jabba's loyal lieutenant, has plotted a slave revolt against the Hurt. We've seen how Jabba handles negotiations -- now we'll see how he handles Betrayal.

This book chronicles key contemporary developments in the social scientific study of various types of male-to-female abuse in rural places and suggests new directions in research, theory, and policy. The main objective of this book is not to simply provide a dry recitation of the extant literature on the abuse of rural women in private places. To be sure, this material is covered, but rural women's experiences of crimes of the powerful like genocidal rape and corporate violence against female employees are also examined. Written by a celebrated expert on the subject, this book considers woman abuse in a broad context, covering forms of violence such as physical and sexual assault, coercive control genocidal rape, abortion bans, forced pregnancy, and corporate forms of violence. It offers a broad research agenda, that examines the multidimensional nature of violence against rural women. Drawing on decades of work in the shelter movement, with activist organizations, and doing government research, DeKeseredy punctuates the book with stories and voices of perpetrators and survivors of abuse. Additionally, what makes this book unique is that it focuses on the plight of rural women around the world and it introduces a modified version of Liz Kelly's original continuum of sexual violence. An accessible and compelling read, this book will appeal to students and scholars of criminology, sociology, women's studies, cultural studies, policing, geography and all those interested in learning about the abuse women face in rural areas. Walter S. DeKeseredy is Anna Deane Carlson Endowed Chair of Social Sciences, Director of the Research Center on Violence, and Professor of Sociology at West Virginia University. He has published 26 books, over 100 refereed journal articles, and 90 scholarly book chapters on issues such as woman abuse, rural criminology, and criminological theory.

The idiosyncratic curriculum from the Professor of Interdisciplinary Creativity will teach you how to draw and write your story Hello students, meet Professor Skeletor. Be on time, don't miss class, and turn off your phones. No time for introductions, we start drawing right away. The goal is more rock, less talk, and we communicate only through images. For more than five years the cartoonist Lynda Barry has been an associate professor in the University of Wisconsin–Madison art department and at the Wisconsin Institute for Discovery, teaching students from all majors, both graduate and undergraduate, how to make comics, how to be creative, how to not think. There is no academic lecture in this classroom. Doodling is enthusiastically encouraged. Making Comics is the follow-up to Barry's bestselling Syllabus, and this time she shares all her comics-making exercises. In a new hand-drawn syllabus detailing her creative curriculum, Barry has students drawing themselves as monsters and superheroes, convincing students who think they can't draw that they can, and, most important, encouraging them to understand that a daily journal can be anything so long as it is hand drawn. Barry teaches all students and believes everyone and anyone can be creative. At the core of Making Comics is her certainty that creativity is vital to processing the world around us.

Too Much Coffee Man's Guide for the Perplexed

While sexually explicit writing and art have been around for millennia, pornography—as an aesthetic, moral, and juridical category—is a modern invention. The contributors to Porn Archives explore how the production and proliferation of pornography has been intertwined with the emergence of the archive as a conceptual and physical site for preserving, cataloguing, and transmitting documents and artifacts. By segregating and regulating access to sexually explicit material, archives have helped constitute pornography as a distinct genre. As a result, porn has become a site for the production of knowledge, as well as the production of pleasure. The essays in this collection address the historically and culturally varied interactions between porn and the archive. Topics range from library policies governing access to sexually explicit material to the growing digital archive of "war porn," or eroticized combat imagery; and from same-sex amputee porn to gay black comic book superhero porn. Together the pieces trace pornography as it crosses borders, transforms technologies, consolidates sexual identities, and challenges notions of what counts as legitimate forms of knowledge. The collection concludes with a valuable resource for scholars: a list of pornography archives held by institutions around the world. Contributors. Jennifer Burns Bright, Eugenie Brinkema, Joseph Bristow, Robert Caserio, Ronan Crowley, Tim Dean, Robert Dewhurst, Lisa Downing, Frances Ferguson, Loren Glass, Harri Kahla, Marcia Klotz, Prabha Manuratne, Mireille Miller-Young, Nguyen Tan Hoang, John Paul Ricco,

Meet the legendary cartoonist behind the famed Addam's family in his first biographical expose. Written with exclusive access to Charles Addams's intimates and private papers, readers get front-row seats to the widespread rumors and storytelling genius behind The Addam's Family.

At a time when vintage comics are fetching huge prices at auction, this book traces the history of the medium from 'comic papers' for kids, through the underground 'comix' movement of the 1960s and 1970s, to the glossy book-format 'graphic novels' of today. Organized thematically, it investigates comic art's varied genres - including humour, adventure and titles for girls - and charts the rise, fall and revival of the medium. In so doing, Roger Sabin highlights the careers of the creators behind some of the best-known characters in modern fiction - from Superman to Sgt Rock, Tintin to Tank Girl and the Freak Brothers to the Fat Slags. Encompassing traditions from the USA, Britain, Europe and Japan, Comics, Comix and Graphic Novels presents the most complete and up-to-date survey of comic art available.

"A heartfelt, magical family drama you can really sink your teeth into." —Nilah Magruder, M.F.K. After sneaking out against her mother's wishes, Artie Irvin spots a massive wolf—then watches it don a bathrobe and transform into her mom. Thrilled to discover she comes from a line of werewolves, Artie asks her mom to share everything—including the story of Artie's late father. Her mom reluctantly agrees. And to help Artie figure out her own wolflike abilities, her mom recruits some old family friends. Artie thrives in her new community and even develops a crush on her new friend Maya. But as she learns the history of werewolves and her own parents' past, she'll find that wolves aren't the scariest thing in the woods—vampires are. "A breath of fresh air. . . . Full of robust characters, dynamic panels, and immersive landscapes, this coming-of-age story of family and the supernatural is one any reader will have a hard time putting down."—Shannon Wright, Twins "A book of cycles—love, loss, reunion, redemption. Readers will thoroughly enjoy getting lost in the beautifully rendered forests."—Wendy Xu, Mooncakes "A love letter to the power of family to help you grow, heal, and find yourself. . . . As rich and immersive as a big family dinner."—Melanie Gillman, Stage Dreams "An absolutely gorgeous, thrilling read."—Blue Delli quanti, O Human Star "Heartbreaking and heart mending."—Priya Huq, Piece by Piece: The Story of Nisrin's Hijab

Blubber

Collecting the first five issues of Gilbert Hernandez's comic book series Blubber, an absurdly X-rated showcase for the most surreally transgressive of Hernandez's short stories. Weirdos (Blubberoo, Mr. Elvis, John Dick, the Mentor), creatures (the Mau Guag, Doogs, and Orlats...), and anthropomorphs (the Cloarks, the Kekeppy) visit places where most comics fear to go. Blubber veers between an absurdist satire of porn (and occasionally nature documentaries) as well as a defiant provocation to those unable to appreciate the difference

between cartooning and obscenity. As R. Crumb said, "It's only lines on paper, folks!" It is also a howlingly funny book, filled with a rogues gallery of colorful comic book monsters (the Pollum, the Junipero Molestat, the mythical Forest Nimmy) and characters (T.A.C. Man, Mr. Hippy, Padre Puto, the Snowman, Baron Mungo, Red Tempest) that echoes the sheer visual imagination of Jack Kirby.

European comic authors produced a steady stream of comic material throughout the twentieth century, but gained the world's notice in 1975 when the French magazine Metal Hurlant was founded. A new generation of artists and writers had begun. Soon publishers were producing translations of the new comics into other languages, including English, and comics creators everywhere were inspired to innovation. This is a reference work, arranged by artist or writer, to European comics from the last quarter of the twentieth century that have been translated from any European language into English. It contains a variety of material, from the innocent imperialism of Herge's Tintin to the sadistic murder for hire in Bernet's Torpedo. Albums by a single creator or artist-and-writer team of European origin are the focus; comics in periodicals and anthologies with multiple contributors are excluded. Each entry provides a plot abstract and various notes about the original comic. An author index provides brief biographical information. There is a comprehensive general index.

Phineas and Ferb want to get the most out of their summer by making every day outrageously fun, but these two best buds aren't content with going to the beach or camping out. The Comic Books Price Guide

This book explores the role of young people in shaping a democratic Spain, focusing on their urban performances of dissent, their consumption of censored literature, political-literary magazines and comic books and their involvement in a newly developed punk scene. After forty years of dictatorship, Madrid became the centre of both a young democracy and a vibrant artistic scene by the early 1980s. Louie Dean Valencia-García skillfully examines how young Spaniards occupied public plazas, subverted Spanish cultural norms and undermined the authoritarian state by participating in a postmodern punk subculture that eventually grew into the 'Movida Madrileña'. In doing so, he exposes how this antiauthoritarian youth culture reflected a mixture of sexual liberation, a rejection of the ideological indoctrination of the dictatorship,

a reinvention of native Iberian pluralistic traditions and a burgeoning global youth culture that connected the USA, Britain, France and Spain. By analyzing young people's everyday acts of resistance, *Antiauthoritarian Youth Culture in Francoist Spain* offers a fascinating account of Madrid's youth and their role in the transition to the modern Spanish democracy.

Sam and Lilet are two new friends living in Ethiopia who are dealing with the kind of problems that all kids have: judgemental social cliques, condescending adults, alienation, and a legendary brain-eating monster of folklore. Sure, it's not going to be easy, but all they have to do is live through it.
