The Basics of Public Budgeting and Financial Management brings budgetary theory and practice together, filling the void between the two that has existed in the field of budgeting and public finance. This book bridges the gap by providing the reader with applications and exercises that reinforce budgetary theory. Students are given the opportunity in the field and the exercises provided in each chapter require application of what is learned. Specifically, students will be exposed to basic budget and finance concepts, public revenue, financial management, risk assessment, cost benefit analysis, and so on. This handbook also provides great tools that allow the user to visually display budgetary data needed to begin work in a budget office. Features of this second edition include enhanced data and optional in-class assignments. For ancillary materials, please contact the author at menifieldc@missouri.edu.

A must buy book as vouched by many experts in Mathematics!

ADDA 247 has been consistently working to make the word ?SUCCESS? a true companion to all the banking aspirants. As the year 2019 has just marked its presence, we are delighted to announce that ADDA 247 is launching ? ?A Complete Book of Puzzles & Seating Arrangement? Second Edition. Puzzles are an important part of Reasoning Section, the one that you cannot escape from. It is the topic that dominates the Reasoning Section of all sorts of banking exams. So many other miscellaneous topics too are now being asked in the form of puzzles. The number of questions being asked on puzzles ranges from 60 to 65 percent of the total number of questions in the Reasoning Section. So it is now very obvious that the strategy of ignoring questions based on puzzles, thereby solving other questions won't be working anymore as neglecting questions on puzzles can risk the likelihood of you clearing the sectional cut off or scoring satisfactory marks in the Reasoning Section. It is already known to all the aspirants that Puzzles & Seating Arrangement form the most important part of the Reasoning Section as they carry the highest weightage among the other topics. So, considering all the significance that these portions carry, this book would provide all the necessary help and guidance in clearing the given sections smoothly.

This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.

The global financial crisis evidenced the corrosive effects of unethical behaviour upon the banking industry. The recurrence of misbehaviour in the financial sector, including fraud and manipulations of market indices, suggests the need to establish a banking culture that conforms to the highest standards of ethical and professional behaviour.

This Research Handbook on Law and Ethics in Banking and Finance focuses on the role that law should play and the effectiveness of newly introduced regulations and supervisory actions as a driver for ethical conduct so as to reconnect the interests of bankers and financiers with the interests of society.
