would have. She loved getting an education, but when a hateful regime came to power, girls were no longer allowed to go to school. Malala spoke out in public about this, which made her a target for violence. She was shot in the left side of her head and woke up in a hospital in England. Finally, after long months and many surgeries, Malala recovered, and resolved to become an activist for girls' education. Now a recent Oxford graduate, Malala continues to fight for a world where all girls can learn and lead. This powerful book features stylish and quirky illustrations and extra facts at
