conduct ethnography and
relate it to design.

The historical
relationship between
capital and labor has
evolved in the past few
decades. One particularly

Read Free January 2017 Aymen Karoui Ph D York University

noteworthy development is the rise of shared capitalism, a system in which workers have become partial owners of their firms and thus, in effect, both employees and

Read Free January 2017 Aymen Karoui Ph D York University

stockholders. Profit sharing arrangements and gain-sharing bonuses, which tie compensation directly to a firm's performance, also reflect this new attitude toward

Read Free January 2017 Aymen Karoui Ph D York University

labor. Shared Capitalism at Work analyzes the effects of this trend on workers and firms. The contributors focus on four main areas: the fraction of firms that participate

Read Free January 2017 Aymen Karoui Ph D York University

in shared capitalism
programs in the United
States and abroad, the
factors that enable these
firms to overcome classic
free rider and risk
problems, the effect of

Read Free January 2017 Aymen Karoui Ph D York University

shared capitalism on firm performance, and the impact of shared capitalism on worker well-being. This volume provides essential studies for understanding the
