Table of contents

This book examines Japanese horror films released from the 2010s to present day, analyzing the function of computers, smartphones, and social media in the narratives, dissemination, and consumption of these films. Lindsay Nelson argues that the multitude of screens creates a sense of fractured reality in contemporary Japanese horror.

A Tokyo college student's discovery and eventual obsession

Read PDF Japanese With Ease 1

with a stolen handgun awakens something dark inside him. On a nighttime walk along a Tokyo riverbank, a young man named Nishikawa stumbles on a dead body, beside which lies a gun. From the moment Nishikawa decides to take the gun, the world around him blurs. Knowing he possesses the weapon brings an intoxicating sense of purpose to his dull university life. But soon Nishikawa's personal entanglements become unexpectedly complicated: he finds himself romantically involved with two women while his biological father, whom he's never met, lies dying in a hospital. Through it all, he can't stop thinking about the gun—and the four bullets loaded in its chamber. As he spirals into obsession, his focus is consumed by one idea: that possessing the gun is no longer enough—he must fire it.

An Illustrated Guide to Grammar and Structure

The definitive guide to the therapeutic Japanese practice of shinrin-yoku, or the art and science of how trees can promote health and happiness Notice how a tree sways in the wind. Run your hands over its bark. Take in its citrusy scent. As a society we suffer from nature deficit disorder, but studies have shown that spending mindful, intentional time around trees--what the Japanese call

Read PDF Japanese With Ease 1

shinrin-yoku, or forest bathing--can promote health and happiness. In this beautiful book--featuring more than 100 color photographs from forests around the world, including the forest therapy trails that criss-cross Japan--Dr. Qing Li, the world's foremost expert in forest medicine, shows how forest bathing can reduce your stress levels and blood pressure, strengthen your immune and cardiovascular systems, boost your energy, mood, creativity, and concentration, and even help you lose weight and live longer. Once you've discovered the healing power of trees, you can lose yourself in the beauty of your surroundings, leave everyday stress behind, and reach a place of greater calm and wellness.

Japan-Ease Grammar makes learning Japanese grammar easy! Unlike other Japanese grammar texts, Japan-Ease Grammar provides an alternative Japanese learning method to less efficient standard methods. While many students tediously memorize the conjugations of individual verbs and adjectives, readers of Japan-Ease Grammar utilize simple conjugation formulas that save time and frustration! This innovative learning system displays conjugation

formulas in charts for quick reference. In addition to verb, adjective, and copula conjugations, the book explains particles and sentence structures. Japan-Ease Grammar encompasses basic, intermediate, and advanced grammar, yet requires as prerequisite Japanese language knowledge only the ability to read hiragana and katakana characters! The American-born author describes her family's experiences and impressions when they were forced to relocate to a camp for the Japanese in Owens Valley, California, called Manzanar, during World War II, detailing how she, among others, survived in a place of

oppression, confusion, and humiliation.

Reissue.

Nostalgic fans of the Hiya Miyazaki film and newcomers alike--soar into the modern classic about a young witch and her clever cat that started it all! Half-witch Kiki never runs from a challenge. So when her thirteenth birthday arrives, she's eager to follow a witch's tradition: choose a new town to call home for one year. Brimming with confidence, Kiki flies to the seaside village of Koriko and expects that her powers will easily bring happiness to the townspeople. But gaining the trust of the locals is trickier than she expected. With her

faithful, wise-cracking black cat, Jiji, by her side, Kiki forges new friendships and builds her inner strength, ultimately realizing that magic can be found in even the most ordinary places. Blending fantasy with the charm of everyday life, this enchanting new translation will inspire both new readers and dedicated fans. "A gentle story of magic-tinged independence."--The Wall Street Journal "An enchanting, gently humorous all-ages family read-aloud."--Kirkus Reviews "A classic tale, this new translation is perfect."--School Library Journal

LEARN LANGUAGES THE EASY COLORING BOOK WAY with Grace Divine! This book includes:1.

Creative drawings which I hope will stimulate the brain both the right & left brain hemispheres. 2. The drawings are natural, human and handmade to aid with confidence, comfort and ease as the person won't feel that they must strive for perfection as could happen with machine made and unnatural art. 3. Human handmade drawings also aid in encouraging the individual to become independent of their computers and technology and to rely more on and use their physical body for activities, tasks and accomplishments. 4. FOCUS FOR THE MIND TO RELIEVE STRESS & AID WITH LEARNING. This is

done by illustrating ONE WORD per page, THE SAME WORD, 20 times.5. FOCUS: Studies vary but many agree that most people use the same words over and over again in their every day communication. Depending on the individual, words used range from 25 to 100 (] or -). These words overall, can constitute the MOST USED AND COMMON WORDS. When I learned most people use the same 25 to 30 words per day, I asked myself, why learn hundreds or thousands of words, when learning 25 words could suffice for every day basic communication? Hence, the reason why this book is focused on learning the most common and used words.6. And because I

believe that learning happens one word at a time I have created this series of books focusing on "ONE WORD PER BOOK" where the same word is repeated on every page for a total of 20 drawings on 20 one sided pages.7. Also, I learned languages as a child and as an adult by ROTE REPETITION. This is another reason I included the repetition of the same word. And in my opinion, this makes language learning, one word at a time, much easier. 8. The words are also written in artistic handmade and crafted ways. I opine this can positively challenge the mind to recognize letters within groups. In addition to which, on the page

opposite the drawing, you will find white space that can be used for note taking or journaling. This additional activity could arguably enhance the learning experience via WRITING or DOODLING!9. In addition to which, all of the learning happens while engaging in the fun and relaxing activity of COLORING. Many people believe that coloring can be relaxing and engaging, and involved a state of being, which in my opinion, could possibly enhance memory.10. Coloring can also be done individually or be shared in a group of family or friends or like in a class. In addition to which, the drawings are easy enough, that depending

Read PDF Japanese With Ease 1

on each individual artist, each drawing can be completed in less than an 1 hour. 11. Finally, every book can be used to cut out and decorate, as reminders for instance. Or the books can be collected as a forever keepsake. Finally, do check out my Free Educational Videos Online. Wishing you the best time having fun coloring. 12. Oh and before I go, some artists have mentioned that repeating the word at loud while drawing helps with rote memory. But that isn't necessary. Put on some music and let your fingers dance to the art. Or do it in silence and breath to gain awareness and journey within the inner sacred self. All of

my books are for fun and entertainment purposes only. This book series is based on artistic ideas and not scientifically tested. Ultimately, what a person gets out of it depends on what they want to get out of it. I wish you great fun coloring. Oh, and do check out my educational videos. Thank you

Perceptions, Power, and Primacy

Workbook and Practice Sheets

This is an extensive beginning level Japanese textbook and Japanese language learning package. Elementary Japanese is designed for students who are just beginning their study of Japanese at the first-year college level or on their own. The author and contributors have created a highly structured approach to learning Japanese that is based on learning the fundamental patterns and constructions of the language as well as the writing system including basic kanji. Systematic grammatical explanations are provided in

enough detail for this book to be used as a reference work as well as an introductory textbook. The accompanying MP3 audio CD is a great way to learn Japanese and ensures correct pronunciation and helps to build listening comprehension. After completing this course, you will be able to: Describe yourself, your family and your friends. Talk about daily events using basic vocabulary and grammatical constructions. Understand conversations on these topics as well as classroom activities. Read Japanese articles and write short and simple

compositions and letters.

Japanese with Ease Assimil S.A.S.

Now that you have begun to master spoken Japanese with the two volumes of 'Japanese with Ease', and you want to learn how to write this fascinating language, 'Writing Japanese with Ease' is the book for you! You will learn the fundamentals of writing the characters of traditional Japan, borrowed from Chinese (Kanji). The book follows the 99 lessons of 'Japanese with Ease', presenting the characters in order of appearance throughout the two volumes.

The book lists each Kanji with its radical, its number of strokes, the different pronunciations of the character, and -- of course -- its meaning. For development of your writing skills, the stroke-by-stroke character lay-out will be very useful, teaching you the rules of writing Kanji. Dont miss the useful appendices such as the Table of Radicals, the Index listing Kanji by number of strokes, as well as the dialogue texts of Japanese with Ease, given in standard written Japanese. Japanese is a wonderful language, very

different from European languages. It is also the gateway to the rich culture of the exciting and complex island nation of Japan. Some people get intimidated by the prospect of speaking Japanese—worried that it's just too complex and different—but these fears are unfounded. While you can devote a lifetime to the study of this or any language, picking up the basics of Japanese doesn't require any more than an interest and a willingness to try something new. Japanese For Dummies has everything you need to get off the ground with speaking

the language. Author and Professor of Japanese Eriko Sato starts you off with the essentials of grammar and pronunciation, giving you a working sense of the language, before showing you Japanese in action. You'll then explore vocabulary and expressions through dialogues taking place in situations such as: Introductions and greetings Eating and drink ing Shopping Exploring the town Talking on the telephone Asking directions Getting around Staying at a hotel You'll also discover social customs, formalities, and manners, from how and

when to bow to how to unwrap a present. Whether you simply want to introduce yourself to the Japanese language, say a few words to a neighbor or coworker, or you're planning a major trip or study abroad in Japan, Japanese For Dummies will enable you to get the basics fast and work towards your own goal at your own pace. You'll also find out about: How to use karaoke to help you learn Japanese Movies that will introduce you to Japanese culture and language Learning Japanese the "gourmet" way When ignoring "no, thank you" shows

good manners Proper table manners Proper body language How to sound fluent And much more! With helpful vocabulary summaries, a mini-dictionary at the end, and an audio CD full of conversations and pronunciations, Japanese For Dummies assumes no prior knowledge of Japanese on your part—providing the perfect guide for a quick-but-thorough, lighthearted-but-not-lightweight introduction to the language.

100 dynamic and humorous lessons to learn German. With this method, only five months, you will be able to express yourself and talk in German. The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese

Read PDF Japanese With Ease 1

characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese

Read PDF Japanese With Ease 1

workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and

Read PDF Japanese With Ease 1

sentences in the book.

Aims to take users from scratch to having a solid base in the language within six months, and to feel comfortable in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.

Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can

handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works:

- *Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to*

times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Have you ever wanted to learn a foreign language? Are you planning on taking a trip to Japan soon? Are you looking to expand your knowledge base but not sure where to start? If you answered yes to any of these questions, then keep reading... When it comes to learning language, most people are afraid of an Asian language. This is understandable, considering the fact that they are so different from the English

Read PDF Japanese With Ease 1

language or other Latin-based languages. This is why native English speakers find it easier to learn languages like Spanish, Italian, or German. These languages are closer to English in many different ways. That being said, you shouldn't let this keep you from learning a language you have always dreamed of learning. This book is here to take the scary out of learning how to speak Japanese.

Japanese is not only an interesting language, but it is also beautiful. In fact, once you have learned the basics in verb conjugation, grammar, and common words, you can hold a pretty decent conversation

Read PDF Japanese With Ease 1

easily. This book is here to help take you from having zero knowledge of the Japanese language to being able to ask for things in Japanese with confidence. Throughout these pages, you will learn:

- What the kana is
- The basic verbs that everybody needs to know
- The best ways to start a conversation
- How to ask for directions if you ever find yourself lost
- How to go on vacation with ease
- The basic aspects of grammar
- 10 tips to help you learn Japanese quickly
- 5 things that you should avoid saying
- And much more!

Learning a foreign language of any kind shouldn't be a daunting task. It should be something

Winner of the Agatha Award. "Sujata Massey blasts her way into fiction with *The Salaryman's Wife*, a cross-cultural mystery of manners with a decidedly sexy edge."-- Janet Evanovich Japanese-American Rei Shimura is a 27-year-old English teacher living in one of Tokyo's seediest neighborhoods. She doesn't

Read PDF Japanese With Ease 1

make much money, but she wouldn't go back home to California even if she had a free ticket (which, thanks to her parents, she does.) She's determined to make it on her own. Her independence is threatened however, when a getaway to an ancient castle town is marred by murder. Rei is the first to find the beautiful wife of a high-powered businessman, dead in the snow. Taking charge, as usual, Rei searches for clues by crashing a funeral, posing as a bar-girl, and somehow ending up pursued by police and paparazzi alike. In the meantime, she attempts to piece together a strange, ever-changing puzzle—one that is built on lies and

held together by years of sex and deception. The first installment in the Rei Shimura series, The Salaryman's Wife is a riveting tale of death, love, and sex, told in a unique cross-cultural voice.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo

takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy

First Japanese Reader for Beginners

First published in 2005. Routledge is an imprint

of Taylor & Francis, an informa company.

“An antidote to the veneer of perfectionism so often presented by books of its kind, Wabi-Sabi Welcome offers readers license to slow down and host guests with humility, intention, and contentment.” —Nathan Williams, founder of Kinfolk Wabi-Sabi Welcome is sharing a pot of tea with friends. It is preparing delicious food to nourish, not to show off. It’s keeping a basket of cozy slippers at the door for guests. It is well-worn linens, bouquets of foraged branches, mismatched silverware, and heirloom bowls infused with the spirit of meals served with love.

In this lush entertaining manual, author Julie Pointer Adams invites readers into artful, easygoing homes around the world—in Denmark, California, France, Italy, and Japan—and teaches us how to turn the generous act of getting together into the deeper art of being together. In this book, readers will find: unexpected, thoughtful ideas and recipes from around the world; tips for creating an intimate, welcoming environment; guidelines for choosing enduring, natural decor for the home; and inspiring photographs from homes where wabi-sabi is woven into daily living.

The book consists of Elementary and Pre-intermediate courses with parallel Japanese-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have about 30 new

words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when

World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy,

would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-

in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book

Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling

sprinter's pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don't have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of The Immortal Life of Henrietta Lacks

A "real manga, real Japanese" study guide and resource for language students and teachers
LEARN LANGUAGES THE EASY COLORING BOOK WAY with Grace Divine! This book includes: 1. Creative drawings which I hope will stimulate the brain both the right & left brain hemispheres. 2. The drawings are natural, human and handmade to aid with confidence, comfort and ease as the person won't feel that they must strive for perfection as could happen with machine made

and unnatural art. 3. Human handmade drawings also aid in encouraging the individual to become independent of their computers and technology and to rely more on and use their physical body for activities, tasks and accomplishments. 4. FOCUS FOR THE MIND TO RELIEVE STRESS & AID WITH LEARNING. This is done by illustrating ONE WORD per page, THE SAME WORD, 20 times. 5. FOCUS: Studies vary but many agree that most people use the same words over and over again in their every day communication. Depending on the individual, words

used range from 25 to 100 (] or -). These words overall, can constitute the **MOST USED AND COMMON WORDS**. When I learned most people use the same 25 to 30 words per day, I asked myself, why learn hundreds or thousands of words, when learning 25 words could suffice for every day basic communication? Hence, the reason why this book is focused on learning the most common and used words.⁶ And because I believe that learning happens one word at a time I have created this series of books focusing on "ONE WORD PER BOOK" where the same word is repeated on every

page for a total of 20 drawings on 20 one sided pages.7. Also, I learned languages as a child and as an adult by ROTE REPETITION. This is another reason I included the repetition of the same word. And in my opinion, this makes language learning, one word at a time, much easier. 8. The words are also written in artistic handmade and crafted ways. I opine this can positively challenge the mind to recognize letters within groups. In addition to which, on the page opposite the drawing, you will find white space that can be used for note taking or journaling. This additional activity could arguably enhance the

learning experience via WRITING or DOODLING!⁹. In addition to which, all of the learning happens while engaging in the fun and relaxing activity of COLORING. Many people believe that coloring can be relaxing and engaging, and involved a state of being, which in my opinion, could possibly enhance memory.¹⁰ Coloring can also be done individually or be shared in a group of family or friends or like in a class. In addition to which, the drawings are easy enough, that depending on each individual artist, each drawing can be completed in less than an 1 hour. ¹¹. Finally, every book can be used to cut out

and decorate, as reminders for instance. Or the books can be collected as a forever keepsake. Finally, do check out my Free Educational Videos Online. Wishing you the best time having fun coloring. 12. Oh and before I go, some artists have mentioned that repeating the word at loud while drawing helps with rote memory. But that isn't necessary. Put on some music and let your fingers dance to the art. Or do it in silence and breath to gain awareness and journey within the inner sacred self. All of my books are for fun and entertainment purposes only. This book series is based on artistic

ideas and not scientifically tested. Ultimately, what a person gets out of it depends on what they want to get out of it. I wish you great fun coloring. Oh, and do check out my educational videos. Thank you www.GraceDivine.com XO

A fascinating period in Japanese History explored by a master of manga *Showa 1926-1939: A History of Japan* is the first volume of Shigeru Mizuki's meticulously researched historical portrait of twentieth century Japan. This volume deals with the period leading up to World War II, a time of high unemployment and other economic hardships

caused by the Great Depression. Mizuki's photo-realist style effortlessly brings to life Japan of the 1920s and 1930s, depicting bustling city streets and abandoned graveyards with equal ease. When the Showa Era began, Mizuki himself was just a few years old, so his earliest memories coincide with the earliest events of the Era. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. As he describes the militarization that leads up to World War II, Mizuki's stance toward

war is thoughtful and often downright critical – his portrayal of the Nanjing Massacre clearly paints the incident (a disputed topic within Japan) as an atrocity. Mizuki's Showa 1926-1939 is a beautifully told history that tracks how technological developments and the country's shifting economic stability had a role in shaping Japan's foreign policy in the early twentieth century. Translated from the Japanese by Zack Davisson.
