Known to millions as J Lo, Jennifer Lopez is one of the prominent Latin American performers in the world. She has been called the influential Hispanic entertainer in the United States by *People en Español*. This biography tells about this one-woman entertainment powerhouse.

What began as a solitary ramble through the nooks and crannies of pop culture evolved into a way of life. *My Year Of Flops* collects dozens of the best-loved entries from the A.V. Club column along with bonus interviews and fifteen brand-new entries covering everything from notorious flops like *The Cable Guy* and *Last Action Hero* to bizarre obscurities like *Glory Road*, Johnny Cash's poignantly homemade tribute to Jesus. Driven by a unique combination of sympathy and Schadenfreude, *My Year Of Flops* is an unforgettable tribute to cinematic losers, beautiful and otherwise.

These are the stories about the real Michael Jackson; the musical genius at work. As told by the songwriters, producers, musicians, and technicians who worked intimately with him in the studio, and featuring a touching foreword written by his longtime engineer, Matt Forger. Xscape Origins: The Songs and Stories Michael Jackson Left Behind takes you inside the recording studio, delivering captivating fly-on-the-wall insights into the creative process of the greatest artistic visionary the world has ever known. "Damien Shields has taken on the task of researching some of these songs and the stories behind their creation, and for that I thank him," says Forger. "There are so many lessons to learn from a creative genius like Michael Jackson. Just as Michael said 'study the greats and become greater,' we are now left to study how he, a poor child from a Midwestern American town, rose to be the most popular entertainer on the planet. These stories are a detailed examination of how some of the songs unreleased in his lifetime came into existence. It is important to document the process and tell the story, not only because it's history, but also to pay tribute to a person who loved storytelling and would want the story to be told." For the first time--featuring exclusive never-before-told stories--Xscape Origins puts all the pieces of the puzzle together to reveal how the King of Pop and his collaborators conceived and developed the original versions of "Love Never Felt So Good," "She Was Loving Me" (a.k.a. "Chicago"), "Loving You," "A Place With no Name," "Slave To The Rhythm," "Do You Know Where Your Children Are," "Blue Gangsta," and "Xscape" (a.k.a. "Escape"). Compiled from exclusive interviews with: Michael Prince (Engineer, 1995-2009) Matt Forger (Engineer, 1982-1997) John Barnes (Composer, arranger, musician, 1983-2009) Cory Rooney (Songwriter, producer, A&R, 1999-2001) Fred Jerkins III (Songwriter, producer, 1999-2001) Brian Vibberts (Engineer, 1994-1999) CJ deVillar (Engineer, musician, 1998-1999). And exclusive first-hand insights from: Rodney Jerkins (Producer, songwriter, 1999-2001) Brad Buxer (Composer, arranger, musical director, 1989-2008) Kathy Wakefield (Songwriter, 1973-1984) Dr. Freeze (Songwriter, producer, 1998-2001).

It might be a red flag if his profile picture is a mug shot. It might be a red flag if he has more covered up tattoos than actual tattoos. It might be a red flag if you can never go to his place. It might be a red flag if he tells you he loves you on your first date. After being single for more than ten years and going through breakups and bad dates, author Jennifer Lopez realized she had been missing the red flag warnings in these relationships. In *It Might Be a Red Flag If...*, she shares her personal experiences and those of other women in dating situations. Some humorous, some serious, Lopez offers a list of signs that may save a heart, bank account, liver, marriage, or even a life. She includes signs and advice to help women see past red flags and figure out why they let themselves get hurt or stay with men who are abusive or not right for them. In *It Might Be a Red Flag If...*, Lopez communicates through wit and humor it's ok to be single. She encourages women to learn how to protect their heart without hardening it and to live free from self-doubt and pain caused by others. Happiness always comes from within as you learn more about yourself and what life has in store for you.

Working for the biggest stars in the world—Jennifer Lopez, P. Diddy, Alicia Keys, and Jessica Simpson, officially as a publicist but in reality, as a confidante—Rob Shuter has seen it all. In fifteen years as a celebrity publicist, Rob has been privileged to have a front-row seat to the most successful people in the world. Before Jessica Simpson told then-husband Nick Lachey that they were getting divorced, she called Rob. Jon Bon Jovi flew Rob to each of his shows on a private jet for the primary purpose of escorting out press before his fabulous hair flopped. Rob was responsible for making sure an Asian pear was within feet of Jennifer Lopez at any given moment, per her very specific demands. Being involved in the lives of the best and the brightest, Rob quickly discovered it wasn't talent all his super successful clients had in common. Rather, what all these extraordinary people share is they know exactly who they are—in just four words. In Jennifer Lopez's first ever book, *True Love*, she explores one of her life's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she's ever been. Guided by both intimate and electrifying photographs, *True Love* an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos throughout and lavishly designed, *True Love* is a stunning and timeless book that features more than 200 never-before-seen images from Lopez's personal

archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.
