A Veteran's Guide to Right Living: Saving Our Military Lives through The Word is a book about my journey, which started with the United States Navy and integrated into a life filled with drug addiction, posttraumatic stress disorder, and

thousands of students through the unfamiliar terrain of systematic theology, A Primer for Christian Doctrine serves as a friendly guide to theology's topics, debates, and terminology. Telling you what you need to know as you begin your study of theology or doctrine, the book is an ideal companion to more

comprehensive texts. After a brief introduction defending the continued need for doctrine, Jonathan Wilson clearly and concisely maps out each of the main topics of Christian belief in separate chapters. He also traces the differing emphases of theologians while suggesting reasons for their differences. Whether as a first taste

Christian growth is a deeply personal and spiritual choice that recognizes our

File Type PDF Jesus Christ Directed Guide

unending need for Jesus not only as Savior but also as LORD over our lives. That recognition sometimes comes after losing the things that seemed to matter most and humbly acknowledging before God that we need a new life and not just a better version of the old life, which produced little of lasting value. Discipleship is not

File Type PDF Jesus Christ Directed Guide

and never can be a self-improvement program, because self is actually a big part of the problem. Transforming our lives is not something we can do; because even on our best days, our sin nature opposes such transformation. As the Apostle Paul said, "For the good that I wish, I do not do; but I practice the very

evil that I do not wish" (Rom. 7: 19). Our only hope for real change resides in Jesus' assurance that "what is impossible for man is possible for God." Becoming a Disciple of Jesus provides a year in Christian growth composed of fifty-two weekly lessons that develop both our vertical relationship with God and our

File Type PDF Jesus Christ Directed Guide

horizontal relationships with others through the works of faith which God has prepared for us. Each work of faith is accomplished by our belief in the Holy Spirit's ability to transform us into instruments of God's peace and love. Over time, this truth becomes both our heart's desire and a glorious reward as we gain

File Type PDF Jesus Christ Directed Guide

freedom from the negative thought patterns and behaviors that previously governed our lives. Paradoxically, admitting the things we struggled with to God unleashes His healing presence at a deep heart level. As beings created in His image, we all resemble partially completed sculptures. God, the Master

In the face of apparently rampant individualism, there has been a steady call for a return to community and tradition, particularly in religious communities and in recent Christian theology and ethics. The form of contemporary life

File Type PDF Jesus Christ Directed Guide

upheld by modern ideals like freedom and universalism, the story goes, turns out to divide people from each other and from the communal sources of our traditionally moral values. But the call to community too often confuses individualism with

File Type PDF Jesus Christ Directed Guide

individuality, assuming that any appeal to individuality as a value or ideal is a rejection of communal goods, rather than a mode of promoting those goods. What's necessary now is a recovery of the individual that understands individuality to serve

File Type PDF Jesus Christ Directed Guide

community, even in resistance to it. In Transforming Faith, Joshua Daniel offers a fresh reading of H. Richard Niebuhr's theological ethics that provides an account of individuality and individual creativity as both the fruits and reformers of community. What is

File Type PDF Jesus Christ Directed Guide

theologically at stake in Daniel's reconstructive interpretation is the human's existentially resonant relation with God and the christological revitalization of our symbolic and virtuous activity.
