

## Jewish Wisdom For Business Success Lessons From The Torah And Other Ancient Texts

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

At the end of the fifteenth century, the Spanish Inquisition forced many Jews to flee the country. The most adventurous among them took to the high seas as freewheeling outlaws. In ships bearing names such as Prophet Samuel, Queen Esther, and Shield of Abraham, they attacked and plundered the Spanish fleet while forming alliances with other European powers to ensure the safety of Jews living in hiding. Jewish Pirates of the Caribbean is the entertaining saga of a hidden chapter in Jewish history, and of the cruelty, terror and greed that flourished during the Age of Discovery. Among the many daring figures to feature in the book are: ‘the Great Jewish Pirate’ Sinan, Barbarossa’s second-in-command; Rabbi Samuel Palache and his brother, Joseph, who went from commanding pirate ships to founding the first openly Jewish community in the New World; and Abraham Cohen Henriques, and arms dealer who used his cunning and economic muscle to find safe havens for other Jews. Filled with high-seas adventures including encounters with Captain Morgan and other legendary pirates – and detailed portraits of cities stacked high with plunder, such as Port Royal, Jamaica, Jewish Pirates of the Caribbean captures a gritty and glorious era of history from an unusual and eye opening perspective.

Provides parents with advice on using Jewish teachings from the Torah and Talmud to overcome struggles with raising children, nurture strengths and uniqueness, and encourage respectfulness towards their parents and others.

The book features an appendix including the original Hebrew/Aramaic texts for the reader's reference.

In Search of Jewish Identity for the Next Century

The Rag Race

"I was nine years old when my mother forced me to convert to Christianity...." When Theodore Ross moved from New York City to small-town Mississippi, his mother insisted that the family pretend to not be Jewish. He was sent to an Episcopal school, where he studied the Bible, sang in the choir, and even took communion. As an adult, he abandoned the religious charade, but wondered: Am I a Jew? In search of an answer, Ross immersed himself within communities on the fringes of Jewish identity—"Crypto-Jews," "Lost Tribes," the ultra-Orthodox, and more. Filled with humor, curiosity, and sincerity, Am I a Jew? explores America's riotous religious diversity, and one man's quest to stake a claim within it.

A fascinating and revelatory introduction to the Talmud discusses the Talmudic mind, its conceptions of God, and its thoughts on social ethics, personal morality, law, and general human wisdom. Original.

Why are so many Jews Successful Investors that Accumulate Massive Wealth? Jews are known to be the most successful and best performing hedge-fund managers, investors, and traders in the world. Out of the best 25 money managers since the advent of American Capitalism, 17 are Jewish! Some of those in the top 25 are very famous: George Soros, Steven Cohen, James Simon, David Tepper, John Paulson, Carl Icahn, Daniel Loeb, Leon Cooperman, Israel Englander, David Einhorn, Seth Klarman, and Bruce Kovner. Groundbreaking research has found that one of the key components to the success of the Jews is their religion-Judaism. The Tanakh, a Jewish religious text, contains codes and messages secretly hidden within its pages-decoded by the Talmud, it offers practical guidance that can be applied to your investing and business practices. The Investment Code contains the time-tested secret wisdom found in the Tanakh that has worked to help the Jews accumulate wealth generation after generation. It can be applied by anyone today to attain wealth through wise investing practices.

In Business Mensch, Noah Alper gives you the practical skills you need to make your business the best, while exploring larger questions of morality and work satisfaction. Learn entrepreneurship from a business leader with 35 years of experience and start down a path to success using timeless wisdom as your guide. Just as Noah's Bagels with its distinctly Jewish roots appeals to all kinds of appetites, Business Mensch provides nourishment for a variety of readers, helping them excel in both business and life. Business Mensch has been awarded a silver medal in the category of Business Ethics in the 2010 Axiom Business Book Awards! Designed to honor the year's best business books and their authors and publishers, The Axiom Business Book Awards are intended to bring increased recognition to exemplary business books and their creators, with the understanding that business people are an information-hungry segment of the population, eager to learn about great new books that will inspire them and help them improve their careers and businesses.

How Smart Companies Use Environmental Strategy to Innovate, Create Value, and Build Competitive Advantage

On the road to becoming a successful entrepreneur, Bob Diener confronted a lot of tough issues: how to treat employees, how to please customers, whether or not to cut corners, whether to follow the temptation of an unsavory deal... Although he had no formal business training, Bob found solutions to all these issues and reached the top using a simple strategy available to anyone. His secret? Careful study of "the best guidebook to running a successful business ever written": the Bible. Difficult dilemmas become easy when viewed from the biblical perspective. "Our work is meaningless unless to do good," counsels the Book of Ecclesiastes. Companies that abide by the Bible's rules of business tend to be the ones that prosper long term. Companies that cheat their workers and partners, defraud their customers, and operate unethically don't stay in business very long.You too can become a successful entrepreneur by following the tips, strategies, and biblical principles outlined in this exploration of best practices for market research, labor management, business negotiations, risk mitigation, watching the bottom line, and, perhaps most important of all, leaving a lasting legacy.Bob Diener and his partner David Litman created the company that became hotels.com, which pioneered hotel distribution online. When Bob and his partner took the company public in 2000, the stock price soared from \$16 to \$90 in one of the most successful IPOs ever. Having gone on to cofound getaroom.com, Bob is a familiar presence on national media outlets, offering his sage advice on the travel industry.

Maristella Botticini and Zvi Eckstein show that, contrary to previous explanations, this transformation was driven not by anti-Jewish persecution and legal restrictions, but rather by changes within Judaism itself after 70 CE--most importantly, the rise of a new norm that required every Jewish male to read and study the Torah and to send his sons to school. Over the six centuries, those Jews who found the norms of Judaism too costly to obey converted to other religions, making world Jewry shrink. Later, when urbanization and commercial expansion in the newly established Muslim Caliphates increased the demand for occupations in which literacy was an advantage, the Jews found themselves literate in a world of almost universal illiteracy. From then forward, almost all Jews entered crafts and trade, and many of them began moving in search of business opportunities, creating a worldwide Diaspora in the process.

In this urgent book, Alan M. Dershowitz shows why American Jews are in danger of disappearing - and what must be done now to create a renewed sense of Jewish identity for the next century. In previous times, the threats to Jewish survival were external - the virulent consequences of anti-Semitism. Now, however, in late-twentieth-century America, the danger has shifted. Jews today are more secure, more accepted, more assimilated, and more successful than ever before. They've dived into the melting pot - and they've achieved the American Dream. And that, according to Dershowitz, is precisely the problem. More than 50 percent of Jews will marry non-Jews, and their children will most often be raised as non-Jews. Which means, in the view of Dershowitz, that American Jews will vanish as a distinct cultural group sometime in the next century - unless they act now. Speaking to concerned Jews everywhere, Dershowitz calls for a new Jewish identity that focuses on the positive - the 3,500-year-old legacy of Jewish culture, values, and traditions. Dershowitz shows how this new Jewish identity can compete in America's open environment of opportunity and choice - and offers concrete proposals on how to instill it in the younger generation.

With truly startling statistics and a wealth of anecdotes, Silbiger reveals the cultural principles that form the bedrock of Jewish success in America.

Business Secrets from the Bible

***When, if ever, should lying be permitted? If you've damaged a person's reputation unfairly, can the damage be undone? Is a person who sells weapons responsible for how those weapons are used? If the fetus is not a life, what is it? How, as an adult, can one carry out the command to honor one's parents when they make unreasonable demands? What are the nine biblical challenges a good person must meet? What do the great Jewish writings of the last 3,500 years tell us about these and all other vital questions about our lives? Rabbi Joseph Telushkin has devoted his life to the search for answers within the teachings of Judaism. In Jewish Wisdom, Rabbi Telushkin, the author of the highly acclaimed Jewish Literacy, weaves together a tapestry of stories from the Bible and Talmud, and the insights of Jewish commentators and writers from Maimonides, Rashi, and Hillel to Einstein, Isaac Bashevis Singer, and Elie Wiesel. A richer source of crucial life lessons would be hard to imagine. Accompanying this extraordinary compilation is Teluslikins compelling commentary, which reveals how these texts continue to instruct and challenge Jewsand all people concerned with leading ethical livestoday As he discusses these texts, Rabbi Telushkin addresses issues of fundamental interest to modern readers: how to live with honesty and integrity in an often dishonest world; how to care for the sick and dying; how to teach children to respect both themselves and others, how to understand and confront such great tragedies as antisemitism, and the Holocaust; what God wants from humankind. Within Jewish Wisdom's ninety chapters the reader will find extended sections illuminating Jewish perspectives on sex, romance, and marriage, what kind of belief in God a Jew can have after the Holocaust, how to use language ethically, the conflicting views of the Bible and Talmud on the death penalty, and much, much more. Jewish Wisdom adds a new dimension to the many widely read contemporary books that retell the stones and reveal the essence of classic religious and secular literature. Possibly the most far-ranging volume of stories and quotations from Jewish texts, Jewish Wisdom will itself become a classic, a book that not only has the capacity to transform how you view the world, but one that well might change how you choose to live your life.***

There's no such thing as business ethics. How can that be? Because a single standard applies to both your business and personal life-and it's one we all know and trust: the Golden Rule. Now bestselling author John C. Maxwell shows you how this revered ideal works everywhere, and how, especially in business, it brings amazing dividends. There's No Such Thing As "Business" Ethics offers: \* Stories from history, business, government, and sports that illustrate how talented leaders invoked this timeless principle \* Examples of difficult business decisions-layoffs, evaluations, billing clients, expansion-and how the Golden Rule applies to each \* The five most common reasons people compromise their ethics-and how you can prevail over such moral obstacles \* How applying the Golden Rule to business builds morale, increases productivity, encourages teamwork, lowers employee turnover, and keeps clients coming back. John C. Maxwell not only reveals the many ways the Golden Rule creates the perfect environment for business success, but does it with great wisdom, warmth, and humor. Backed by flawless research and the ideas of history's best thinkers, this engaging book brilliantly demonstrates how doing the right thing fosters a winning situation for all, with positive results for employees, clients, investors, and even your own state of mind. Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule.

As a business leader, I have hungered for wisdom in many circumstances. Proverbs provides it. Dan and Drew bring to life this ageless guide and how you can lead conscientiously and courageously so that your company can flourish and perform. Take it with you to work! - Cheryl Bachelder, Former CEO of Popeyes Louisiana Kitchen, Board Member at Pier One, Chick-fil-A, and Procter & Gamble, and author of Dare to Serve Timeless Wisdom and Modern Application for a Sharper Edge in Business Business owners and organizational leaders use instinct, crowdsourcing, market factors, compromise, and experience to make decisions. All of these are valid, but can still yield a limited perspective and dull overconfidence. This can result in poor decisions, expensive losses, and deep wounds. Dan is President and Principal. Acumen is a catalytic, challenging, bold, fun, adventurous, and unconventional growth community for CEOs and business owners. www.AcumenImpact.com The book of Proverbs teaches us to cry out for wisdom. That truth should be no different for our businesses than our daily life. Drew and Dan help drive that point home in Sharpen. - David Green, CEO & Founder, Hobby Lobby, Inc.

Ever wonder how to harness Jewish wisdom to improve your life?Get motivated to take practical action and make positive changes in your life! "The Secret of Jewish Coaching" is an original model of Jewish coaching, which is based on Kabbalah and ancient Jewish wisdom. Yet, this method is not just for observant Jews. This book walks you through the entire process of life coaching, uncovering the fears and joys, the plunges to terrible depths and the climbs to unforeseen heights. It goes through the stitches of various aspects of life, including revealing family life, professional life, persona as a parent and a child, childhood and dreams. All this is revealed under the bright light of the search for truth and meaning. Where does the magic flow from? From the author's decision to write, "the coaching" and not "about coaching." Meaning the reader is turned into an unprecedented, intimate partner in the coach's room. A journey of a successful businessman A successful businessman leads a large business system that he built himself, and begins to feel that he has lost the emotional thrill of running a business, and that his deeds are no longer meaningful the way they once were. He turns to his business coach, who has guided him for years, and requests coaching, the way they have done it in the past. The coach senses that this time the client is looking for a deeper experience, and refers him to a colleague named Tzvi. Tzvi is a Talmud scholar, poet, musician, and philosopher, who contemplates different opinions. He has developed an original model of Jewish coaching, which is based on Kabbalah and ancient Jewish wisdom. After an introductory session, the two depart on an exciting journey to reveal the soul's secrets, in a quest for deeper meaning. The client is astonished to discover that the key to all the secrets is hidden within himself. Scroll up and grab your copy today!

Martial artists, great warriors, coaches, generals, and successful corporate CEOs have all effectively used the strategies for winning found in Sun Tzu's Art of War. Authors Jerry Lynch and Chungliang Al Huang, using lessons from the The Art of War, as well as other ancient Taoist books such as the I Ching and Tao Te Ching, teach readers to develop the capacities and qualities that make a champion-such as high self-esteem, courage, fortitude, determination, perseverance, tenacity, self-awareness, integrity, the ability to take risks, and the ability to learn from failure. The emphasis on self-awareness, tactical positioning, and strategic advantage means that practitioners win through inner growth and self-improvement-giving them a universal competitive edge.

The Bowl of Light

The Tree of Life and Prosperity

Business Lessons from the Ancient Rabbis

*Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1% of the world's population, yet approximately 25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.*

*Success knows no color unless you are Black, in which case you better be prepared to work Twice as Hard to achieve and progress your career. Twice As Hard is an exploration of Black identity in the working world and a blueprint for success. Readers will learn what obstacles limit the opportunity for Black professional progress, how to understand and overcome racial stereotypes, be productive, find purpose, and ultimately succeed in business. Featuring tips on entrepreneurship, as well as insights from famous and successful people spanning a range of careers, this is an inspiring business ebook that highlights the positive progress made in recent years and equips individuals and businesses with the tools they need to progress.*

*From the Publishers Weekly review: "Two experts from Yale tackle the business wake-up-call du jour-environmental responsibility-from every angle in this thorough, earnest guidebook: pragmatically, passionately, financially and historically. Though "no company the authors know of is on a truly long-term sustainable course," Esty and Winston label the forward-thinking, green-friendly (or at least green-acquainted) companies WaveMakers and set out to assess honestly their path toward environmental responsibility, and its impact on a company's bottom line, customers, suppliers and reputation. Following the evolution of business attitudes toward environmental concerns, Esty and Winston offer a series of fascinating plays by corporations such as Wal-Mart, GE and Chiquita (Banana), the bad guys who made good, and the good guys-watchdogs and industry associations, mostly-working behind the scenes. A vast number of topics huddle beneath the umbrella of threats to the earth, and many get a thorough analysis here: from global warming to electronic waste "take-back" legislation to subsidizing sustainable seafood. For the responsible business leader, this volume provides plenty of (organic) food for thought. "*

*This insightful book offers business advice that has endured for thousands of years. While business fads come and go, the ancient lessons of the Talmud are timeless, profound, ethical, and practical-and they're for everyone. Values, Prosperity, and the Talmud is a concise guide to this proven philosophy of business. Beyond basic money-related matters, it includes the Talmud's advice on complex issues of employer/employee relationships, partnerships, competition, and much more. Here, you will learn how to run a successful business, negotiate with style, earn the loyalty of your employees, sell products successfully, advertise effectively, and make higher profits, all within an ethical and moral framework. One of Israel's most successful venture capitalists uses the words and actions of the Hebrew patriarchs to lay the foundations for a modern growth economy based on timeless business principles and values. Entrepreneurs, businessmen, and investors are constantly looking for principles and rules that will pave the way for success. Usually, those at the forefront are successful entrepreneurs from Silicon Valley or legendary Wall Street investors. But the principles of economic growth, wealth creation and preservation were written long before the rise of the modern market economy and its heroes. Michael Eisenberg—one of the most successful venture capitalists in Israel, and one of the first investors in Lemonade, and Wix—reveals in The Tree of Life and Prosperity the eternal principles for successful business, economics, and negotiation hidden in the Torah—and shows their relevance to the modern world we live in.

In 1996, a revered Hawaiian elder befriended an American anthropologist, and from their rare and intimate rapport, something miraculous emerged. Through the words and teachings of the kahuna wisdom-keeper Hale Makua, Dr. Hank Wesselman was gifted with an enhanced perspective into the sacred knowledge of ancient Hawaii. Before his passing, elder Makua encouraged Dr. Wesselman to convey much of what had passed between them to the wider world, giving him permission to share his spiritual knowledge. Now, with The Bowl of Light, you are invited to share in the sacred wisdom of one of the world's most powerful indigenous traditions, including: The Bowl of Light—how we can restore our natural divine radiance The three directives of the spiritual warrior—love with humility, live with reverence, and know with self-discipline Rituals for communing with nature, receiving wisdom from the spirit world, purifying our consciousness, and more The Ancestral Grand Plan—exploring the path our ancestors set in motion millennia ago, and how the Plan is playing out across the world today

Ancient Talmudic wisdom and the modern pragmatism of today's boardroom meet up to find that they have much to discuss. In 'The Rabbi and the CEO', corporate insider and Columbia business professor Thomas Zweifel, Ph. D. engages in a dialogue with Rabbinic scholar Aaron L. Raskin of the congregation B'nai Avraham of Brooklyn, and from this emerges an enlightening synthesis of old vs. new and culture vs. science.Much as the discussion of Japanese culture and entrepreneurial success evoked study, debate and a wealth of literature back in the 1980s, this book will examine those underlying principles by which Jewish and non-Jewish business leaders can lead their companies while remaining true to their values.This is a fun read and a lively discussion as Dr. Zweifel and Rabbi Raskin take us on a tour of Mosaic Law to draw some unexpected conclusions. This book will help readers of all faiths learn that there is not necessarily a great distinction between running an exceptional business and leading a good life.

In the mid-twentieth century, the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson set his sights on worldwide Jewish renaissance. Today his Schluchim-emissaries-are ubiquitous. How was an army of Rabbies and Rebbetzins trained and encouraged to move to the four corners of the earth to fulfill the Rebbe's mission? How would they live far from friends and family and dedicate their lives to Jewish destiny and the welfare of others? How would they learn to remain true to their ideals and raise their families outside the classical religious community? How did they create environments of openness to Jews of all backgrounds and a culture of welcoming? Few understood the immense scope of the Rebbe's vision. Those who did, thought the goal difficult, if not impossible to attain. This book takes us deep inside Chabad, revealing how this was done.

Winner, 2016 Best First Book Prize from the Immigration and Ethnic History Society Finalist, 2016 Sami Rohr Prize for Jewish Literature Winner, 2015 Book Prize from the Southern Jewish Historical Society Finalist, 2015 Jordan Schnitzer Book Award from the Association for Jewish Studies Winner, 2014 National Jewish Book Award in American Jewish Studies from the Jewish Book Council The majority of Jewish immigrants who made their way to the United States between 1820 and 1924 arrived nearly penniless; yet today their descendants stand out as exceptionally successful. How can we explain their dramatic economic ascent? Have Jews been successful because of cultural factors distinct to them as a group, or because of the particular circumstances that they encountered in America? The Rag Race argues that the Jews who flocked to the United States during the age of mass migration were aided appreciably by their association with a particular corner of the American economy: the rag trade. From humble beginnings, Jews rode the coattails of the clothing trade from the margins of economic life to a position of unusual promise and prominence, shaping both their societal status and the clothing industry as a whole. Comparing the history of Jewish participation within the clothing trade in the United States with that of Jews in the same business in England, The Rag Race demonstrates that differences within the garment industry on either side of the Atlantic contributed to a very real divergence in social and economic outcomes for Jews in each setting.

Sacred Jewish texts such as the Torah and the Kabbalah have long been considered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative exam ples, this book reveals a four-thousand-year-old blueprint for success. The ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. This enlightening and practical guide gives readers the direc tion they need to make it work for them.

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In Mamaleh Knows Best, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children’s independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

For many years, television comedy was an exclusive all boys’ club—until a brilliant comedian named Carol Leifer came along, blazing a trail for funny women everywhere. From Late Night with David Letterman and Saturday Night Live to Seinfeld, The Ellen Show, and Modern Family, Carol has written for and/or performed on some of the best TV comedies of all time. This hilarious collection of essays charts her extraordinary three-decade journey through show business, illuminating her many triumphs and some missteps along the way—and offering valuable lessons for women and men in any profession. Part memoir, part guide to life, and all incredibly funny, How to Succeed in Business without Really Crying offers tips and tricks for getting ahead, finding your way, and opening locked doors—even if you have to use a sledgehammer.

*Discover the secrets to a fearless, meaningful life, found in the wisdom of Jewish scripture. Today, more than ever, we act out of fear. We fear change, rejection, failure, and suffering. But what if we could find a way to live that challenges conventional Western psychology and looks to the future instead of picking over the past? What if we could replace our fear with purpose, and discover our potential for growth instead of focusing on our limits? What Would You Do If You Weren't Afraid? draws on a wide range of chassidus (Jewish principles) to offer a new philosophy for life. With its uplifting belief that you already have all the ingredients within and around you to lead a joyous life, this ebook will help you to reconnect with your courage and move forward freely, without fear.*

*Bookstores in Chinese cities are stocked with dozens of Chinese-language books on how Jews conduct business, manage the world, and raise their children. At least ten universities throughout China offer popular Jewish Studies programs, some with advanced degrees. Yet there are virtually no Jews in China. The Chinese are constructing an identity for a people that the large majority of them will never meet. This edited volume critically examines the image of Jews from the contemporary perspective of ordinary Chinese citizens. It includes chapters on Chinese Jewish Studies programs, popular Chinese books and blogs about Jews, China\_s relations with Israel, and innovative examinations of the ancient Jewish community of Kaifeng.*

*Sacred Jewish texts such as the Torah and the Kabbalah have long been con-sid-ered repositories of some of the greatest wisdom ever assembled. Yet only the smartest and most successful business professionals take advantage of these powerful collections of advice. Using real-world business situations as illustrative examples, this book reveals a four-thousand-year-old blueprint for success.Readers will find practical insights on: conquering fear - harnessing will power - removing ego from the equation - mas-tering negotiation techniques - dealing with failure - utilizing spiritual entre-preneurship - harvesting the power of positivity - and finding the right balance of character traits to succeed in any career or business ventureThe ancient Jewish writings contain a breadth of knowledge anyone can use, in business and in life. *FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.*

Find success in finance, friendships, , and spirituality with the advice of a well-known expert It's safe to say that nearly everyone is seeking a happier, more successful life. So then why do so few attain it? Business Secrets from the Bible proposes a new way to view and approach success—one based upon key concepts from the Bible that are actually surprisingly simple. Written especially for those seeking success in the realms of money, relationships, and spirituality, this book encourages readers to realize their common mistakes, come to terms with them, and turn those mistakes into future triumphs. Filled with concrete advice for improved finances, spirituality, and connection, this resource takes a practical approach and aims to change not just the minds, but the actions of readers with a self-evident and persuasive pathway. Drawing on his wisdom and knowledge of the Bible, the author reveals the clear link between making money and spirituality, and urges readers to focus on self-discipline, integrity, and character strength in order to achieve personal prosperity. Special emphasis is given to establishing positive attitudes toward making money and adopting effective Biblically-based strategies. Demonstrates how earnings and profits are God's reward for forming relationships with others and serving them Stresses the importance of service, sharing, change, leadership, and creating boundaries and structures Encourages readers to focus on other people's desires and teaches why and how to make connections with many people Suggests ways for readers to transform themselves and continue toward success even in the face of fear and uncertainty Attaining wealth and well-being is no longer a mystery. Let this book identify and correct the errors that are keeping you from fulfillment and happiness.

An easy-to-understand introduction to Judaism's most sacred text The foundation of Hebrew and Jewish religion, thought, law, and society is the Torah-the parchment scroll containing the text of the Five Books of Moses that is located in every synagogue. This accessible guide explains the Torah in clear language, even to those who were not raised in the Jewish religious tradition. Christians who

want to know more about the Jewish roots of Christianity need to understand the Torah, as do followers of Islamic tradition and those interested in the roots of Abrahamic faiths. The Torah For Dummies explains the history of the Torah, its structure and major principles, and how the Torah affects the daily lives of people who follow the Jewish way of life. Throughout my many years in the occult, I recall many wonderful things. I was enamored by so many different systems that I just had to try them all. For the most part, I did. Some with great success and some not so much. One aspect of the magickal practices that really interested me was the use of talismanic or seal magick. I used all kinds of talisman, and each had its own energy and feel. However, I found the Seals of Solomon (also known as the Talismans of Solomon or the Pentacles of Solomon) to be very interesting. Partly because there is so much information about them, finding the information was a breeze. Well, as easy as it could be in the early 80s. Now one can find almost everything about them on-line. There is one problem though, the information on-line and in many books on the subject are very difficult to understand, and as you may have guessed, if you have read my other books, I don't use conventional methods when I perform magick. I found the convoluted and difficult ways described in the books to be a distraction. A distraction that will most likely turn many people off. It is for this reason I am writing this book. We tend to hyper-focus on the Judeo-Christian aspects only and for the most part that is what I will also do in this book as well. However, there is also another, just as ancient tradition of Solomonian magick in Muslim tradition as well. I will attempt to synthesize all the information in such a way that will make the use of Solomonian talisman effective and approachable... With that, let us begin.

Inside the World's Most Successful Jewish Movement
