

John Bunyan Heroes Of The Faith

This volume contains sketches on the following Saints and heroes: Martin Luther; Sir Thomas More; St. Ignatius Loyola; Thomas Cranmer; John Calvin; John Knox; Gaspard de Coligny; William the Silent; William Brewster; William Laud; Oliver Cromwell; John Bunyan; George Fox; John Wesley. Illustrated with many paintings and drawings of the Saints and heroes. The Oxford Handbook of John Bunyan is the most extensive volume of original essays ever published on the seventeenth-century nonconformist preacher and writer, John Bunyan. Its thirty-eight chapters examine Bunyan's life and works, their religious and historical contexts, and the critical reception of his writings, in particular his allegorical narrative, The Pilgrim's Progress. Interdisciplinary and comprehensive, it provides unparalleled scope and expertise, ranging from literary theory to religious history and from theology to post-colonial criticism. The Handbook is structured in four sections. The first, 'Contexts', deals with the historical Bunyan in relation to various aspects of his life, background, and work as a nonconformist: from basic facts of biography to the nature of his church at Bedford, his theology, and the religious and political cultures of seventeenth-century Dissent. Part 2 considers Bunyan's literary output: from his earliest printed tracts to his posthumously published works. Offering discrete chapters on Bunyan's major works - Grace Abounding to the Chief of Sinners (1666), The Pilgrim's Progress, Parts I and II (1678; 1684); The Life and Death of Mr. Badman (1680), and The Holy War (1682) - this section nevertheless covers Bunyan's oeuvre in its entirety: controversial and pastoral, narrative and poetic. Section 3, 'Directions in Criticism', engages with Bunyan in literary critical terms,

focusing on his employment of form and language and on theoretical approaches to his writings: from psychoanalytic to post-secular criticism. Section 4, 'Journeys', tackles some of the ways in which Bunyan's works, and especially The Pilgrim's Progress, have travelled throughout the world since the late seventeenth century, assessing Bunyan's place within key literary periods and their distinctive developments: from the eighteenth-century novel to the writing of 'empire'.

Timeless Lessons for families from great Christians of the past. Drawn from the lives of fifteen key Christian heroes, Hero Tales, Vol. III is a beautifully illustrated treasury of forty-five exciting and educational readings designed to help foster Christian character qualities in families with elementary-age children. This inspiring collection presents a short biography and three true stories for each hero, including: Billy Graham, Louis Palau, Mother Theresa, Brother Andrew, Lottie Moon, Jonathan & Rosalind Goforth. Whether read together at family devotions or alone, Hero Tales, Vol II is an ideal way to acquaint children six to twelve with historically important Christians while imparting valuable lessons. This is volume II in a series of four Hero Tales originally published by Bethany House Publishers and is now republished by Castle Rock Creative

Readers of war stories, accounts of those who suffer under poverty and oppression, books about heroes of history, will find this book fascinating. The story unfolds as written in the persona of Harry Wylie, companion of the rebel John Bunyan, corrupted by the village blasphemer in their youth. Harry gives his unvarnished, eyewitness version of the life of Bunyan, including their youthful pranks in and around 11th century Elstow Abbey, their military service as enlisted teens in the English Civil War, narrow escapes in battle, the great plague and Great Fire of London in 1666, Bunyan's principled stand against civil tyranny, the various trials Bunyan endured before magistrates for unlicensed preaching, his wife Elizabeth's intrepid defense of her husband before the House of Lords, and Bunyan's long imprisonment. Harry in his adulthood has become the county jailer and recounts Bunyan's aversion to restraint of any kind and the twelve long years he spent behind bars in prison. Harry believes people never change, and Bunyan's stand against tyranny he long dismisses as yet another expression of his friend's youthful rebellion. The author creates Bunyan's 17th century voice from *The Pilgrim's Progress* and other books written by the unlettered village tinker, who remains the best-selling author of all time. For challenge and encouragement in your Christian life, read the life stories of the Heroes of the Faith. The novelized biographies of this series are inspiring and easy-to-read, ideal for Christians of any age or background. In Amy Carmichael, you 'll get to know the great missionary who rescued many girls of India from horrible abuses—and served nearly six decades without a furlough. Appropriate for readers from junior high through adult, helpful for believers of any background, these biographies encourage greater Christian commitment through the example of heroes like Amy Carmichael.

The Pilgrim's Progress

A Lecture

Dietrich Bonhoeffer

Meet the first "modern" evangelist. When George Whitefield preached about Calvary, his audience saw the blood. When he spoke of Christ's crucifixion, his listeners felt the nails. Between 1736 and 1770, George Whitefield preached more than eighteen thousand sermons to crowds in Great Britain, Northern Europe, and the American colonies. As many as eighty percent of those living in the New World heard him

Access Free John Bunyan Heroes Of The Faith

speak at least once. In all, his audiences numbered in the millions, and millions more were exposed to his words through newspapers, magazines, and printed versions of his sermons, journals, and letters. George Whitefield revolutionized preaching and introduced a totally new approach to evangelism. His ministry was not tied to any particular denomination, and he used the popular media to publicize his meetings. With his passion to reach individuals for Christ, he changed the lives of millions. His methods became the foundation for modern evangelism and continue to affect lives today. - Back cover.

Who were the Puritans, and why are they important? What can we learn from them today? The Puritan movement began in England during the sixteenth century and continued all the way into the early eighteenth century. Although the Church of England was formed as a result of the Reformation, the Puritans believed it needed much more reform. Puritan Heroes is a beautifully illustrated book that gives the reader an idea of what the Puritan movement was about and offers a glimpse into the lives of more than twenty of its most well-known leaders (among them William Perkins, Richard Sibbes, Thomas Goodwin, Anne Bradstreet, and Jonathan Edwards). The book concludes with ten important lessons readers can learn from the Puritans and study questions to help them retain these fascinating stories and assist them in applying the lessons to their lives. It also features a bibliography to encourage further study in greater depth, as well as a glossary and timeline to help readers understand historical context. Written for children and young people, it will prove a suitable introduction to the Puritans for adults as well. Table of Contents: 1. Who Were the Puritans? 2. Richard Greenham: Puritan Pioneer 3. William Perkins: Father of Puritanism 4. William Ames: Calvinist and Congregationalist 5. Richard Sibbes: Warm Heart 6. John Cotton: New England

A Study Guide for John Bunyan's The Pilgrim's Progress

The Practice of Pietie: Directing a Christian how to walke that he may please God.

Amplified by the author. The 19. edition

Christian Encounters, a series of biographies from Thomas Nelson Publishers, highlights important lives from all ages and areas of the Church. Some are familiar faces. Others are unexpected guests. But all, through their relationships, struggles, prayers, and desires, uniquely illuminate our shared experience. The author of The Pilgrim's Progress, one of the most influential books in English literature, had little formal education. Born the son of a tinker, John Bunyan was expected to follow in his father's footsteps. He was allowed to go to school for a few years and purchase a few books, but his apprenticeship in the family business took precedence. Bunyan experienced his first sorrow in adolescence, when both his

mother and sister died. It wasn't his last. Revolutions and wars were all around him, and he was jailed twice for preaching the Gospel. Yet amidst repeated imprisonments, civil war, and violent persecution, Bunyan crafted The Pilgrim's Progress, a testament unlike any other to the triumph of the human spirit. His simple cadences transformed the language, and his memorable characters became familiar to millions. Bunyan became a public figure, a captivating speaker, and above all, a man known for his unrelenting trust in God.

Christiana returns us to the mythical realm of Pilgrim's progress with greater heights of power and clarity through this new enhanced version. It is totally unabridged and - excepting certain amplified scenes - remains faithful to Bunyan's original story line.

Amidst the millions of committed Christians in each generation, a handful rise to special prominence. Learn more about their exciting and inspiring lives in Barbour's "Heroes of the Faith" series. Jonathan Edwards was a man of towering intellect, responsible in large part for America's first "Great Awakening".
