Dive into a masterclass that reveals the shifts you should make over the course of your career to keep innovating, improving, and influencing others to the highest levels of success in today's unprecedented business climate. Change is so rapid today that leaders must do more than stay the course to be successful. If they aren't nimble and ready to adapt, they won't survive. The key is to learn how to lead. John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long, successful leadership career. In *Leadershift*, Maxwell shares some of the leadership shifts including... Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, the Influence Shift from Positional Authority to Moral Authority and more! *Leadershift* gives specific guidance to readers about how to make these shifts in their own lives. Each one requires them to change the way they think, act, and ultimately lead so they can be successful in a world that never remains the same. To go forward, we need to move faster. And as leaders, we need to stay ahead, we need to see more than others, and we need to see before others.

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

When many companies lose their CEO, they go into a tailspin. But when Roberto Goizueta died, Coca-Cola didn't even hiccup. Why? Before his death, Goizueta lived by the Law of Legacy.

The most effective leaders across a wide variety of spectrums have achieved their success by beginning their journey with a question few bother to ask: How do I lead myself? As New York Times bestselling author and leadership expert John C. Maxwell says, "A leader never has to recover from a good start." So when a leader takes root by firmly establishing themselves in their field of expertise, preparing for every risk and failure imaginable, the fruit of their endeavors will spread throughout their career and impact profoundly those in whom they invest. In *The Leadership Handbook*, Maxwell presents 26 insights intended to help build the leader within not only those aspiring to new positions of leadership but also those veterans who aim to improve upon the steps that led them to the front of the line. Readers will enjoy and benefit immensely from Maxwell's highly relatable principles, such as: • The Best Leaders Are Listeners • Keep Your Mind on the Main Thing • Don't Manage Your Time--Manage Your Life • Keep Learning to Keep Leading • People Quit People, Not Companies • And many more! With application exercises and a "Mentoring Moment" to accompany each chapter, *The Leadership Handbook* presents a road map for a path many may cross but few choose to follow.

Every day millions of people with high potential are frustrated and held back by incompetent leaders. New York Times bestselling leadership author John C. Maxwell knows this because the number one question he gets asked is about how to lead when the boss isn't a good leader. You don't have to be trapped in your work situation. In this book, adapted from the million-selling The 360-Degree Leader, Maxwell unveils the keys to successfully navigating the challenges of working for a bad boss. Maxwell teaches how to position yourself for current and future success, take the high road with a poor leader, avoid common pitfalls, work well with teammates, and develop influence wherever you find yourself. Practicing the principles taught in this book will result in endless opportunities—for your organization, your career, and your life. You can learn how to lead when your boss can't (or won't).

"My greatest discovery in forty years of leading: Leadership can be developed." ~ Inc. Magazine's No. 1 Leadership Expert, John C. Maxwell Twenty-five years ago, John Maxwell published the book that forever transformed how people think about leadership. Developing the Leader Within You showed that leaders are made, not born, and helped more than two million people in the process. Maxwell now returns to this classic text to include the insights and practices he has learned in the decades since that work first appeared. In this completely revised and expanded workbook, based on the book of the same title, you will receive everything you need to take a significant step in your

leadership journey, along with in-depth activities designed to help develop the leader within you. If you complete all the readings and exercises and answer all the questions, you will be amazed at how your influence, effectiveness, and impact will increase in such a short time. And if you're going through this process with a group, you'll enjoy the challenging discussion questions at the end of each lesson so you can explore the ideas in even greater depth. With insights gleaned from his forty-plus years of leadership success, Maxwell will especially help readers explore the value of: Achieving success using the Five Levels of Leadership Developing people—a leader's most appreciable assets Identifying and solving problems and preventing their recurrence Defining and articulating a vision for your organization Building on the leadership skills you already possess No matter the arena in which you find yourself called to serve—family, business, or nonprofit—the principles Maxwell shares in this workbook will help you develop the vision, value, influence, and motivation required of successful leaders. Designed for use with Developing the Leader Within You 2.0 (9780718073992), sold separately.

Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and Leadership. "Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip you to improve your leadership and inspire others.

A #1 New York Times bestselling author and leadership expert answers questions from his readers about what it takes to be in charge and make a difference. John Maxwell, America's #1 leadership authority, has mastered the art of asking questions, using them to learn and grow, connect with people, challenge himself, improve his team, and develop better ideas. Questions have literally changed Maxwell's life. In GOOD LEADERS ASK GREAT QUESTIONS, he shows how they can change yours, teaching why questions are so important, what questions you should ask yourself as a leader, and what questions you should be asking your team. Maxwell also opened the floodgates and invited people from around the world to ask him any leadership question. He answers seventy of them--the best of the best--including . . . What are the top skills required to lead people through difficult times? How do I get started in leadership? How do I motivate an unmotivated person? How can I succeed working under poor leadership? When is the right time for a successful leader to move on to a new position? How do you move people into your inner circle? No matter whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership, this book will change the way you look at questions and improve your leadership life.

John C. Maxwell, #1 New York Times bestselling author, helps readers take the first steps to living a life that matters in INTENTIONAL LIVING. We all have a longing to be significant. We want to make a contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life. In INTENTIONAL LIVING, John Maxwell will help you take that first step, and the ones that follow, on your personal path through a life that matters.

Are you tired of not reaching your full potential? Do you feel you have the talent to succeed but are unappreciated and trapped? Based on his New York Time bestselling book, Beyond Talent, John Maxwell asks if you are tired of not reaching your full potential and feel you have the talent to succeed but are unappreciated and trapped. If this describes you, in Success Is a Choice, you can learn the right choices that lead to success from John Maxwell, the go-to-guru for business professionals across the globe. Take the next steps that successful people chose, including: Believing in themselves Firing up their passion Initiating action Focusing their energy Cultivating good relationships Embracing Practice The choices you make in addition to your talent make the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares fourteen choices you need to make to live the life of your dreams. It's time to go beyond talent by making right choices that will help you really stand out.

The most effective leaders know how to connect with people. It's not about power or popularity, but about making the people around you feel heard, comfortable, and understood. While it may seem like some folks are born with a commanding presence that draws people in, the fact is

anyone can learn to communicate in ways that consistently build powerful connections. Bestselling author and leadership expert John C. Maxwell offers advice for effective communication to those who continually run into obstacles when it comes to personal success. In *Everyone Communicates, Few Connect*, Maxwell shares five principles and five practices to develop connection skills including: finding common ground; keeping your communication simple; capturing people's interest; how to create an experience everyone enjoys; and staying authentic in all your relationships. Your ability to achieve results in any organization is directly tied to the leadership skills in your toolbox. Connecting is an easy-to-learn skill you can apply today in your personal, professional, and family relationships to start living your best life.

Smart leaders learn from their own mistakes. Smarter ones learn from others' mistakes—and successes. John C. Maxwell wants to help you become the smartest leader you can be by sharing *Leadership Gold* with you. After nearly forty years of leading, Maxwell has mined the gold so you don't have to. Each gold nugget is contained in one of twenty-six chapters designed to be a six-month mentorship from the international leadership expert. Each chapter contains detailed application exercises and a "Mentoring Moment" for leaders who desire to mentor others using the book. Gaining leadership insight is a lot like mining for gold. How to Help Others Reach Their Full Potential

The Leader's Greatest Return

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of his core business readership, leaders, and anyone who wants to achieve professional and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive is off limits rather than what's possible. Could it be that many people have allowed what they perceive as capacity to define them? Have they allowed their perception to limit their attitudes about their potential? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these 17 capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

Lack of self-awareness is the single greatest obstacle leaders face in their development, effectiveness, and advancement. Dr. John C. Maxwell will help any leader become more self-aware, focused, and confident. With fifty years of leading and teaching experience, influential leadership expert and speaker John C. Maxwell can help you become your best leadership self. In *The Self-Aware Leader*, Maxwell teaches you how to: gauge your effectiveness as a leader, make better choices that lead to success, discover and correct your own mistakes, improve your leadership with the team, and make the right trades in your career. Self-awareness is key for new and seasoned leaders who want to avoid micro-managing, handle criticism with grace, and give others the credit they deserve. Maxwell also aims to help current and new managers looking to identify their strengths, become a better learner, and improve listening skills. When leaders don't see themselves clearly, understand their strengths and weaknesses, or recognize their negative interactions with their team, they limit their influence and undermine their own effectiveness. What's the solution? Become a self-aware leader.

Relationships are at the heart of every positive human experience. Maxwell, a master communicator and relational expert, makes learning about relationships accessible to everyone. The most sophisticated leaders and salespeople will pick up on skills that will make them even better, and relational novices will learn skills that can transform them into relational dynamos.

"Everything I Know About Leadership I Learned From the Bible." When bestselling author John C. Maxwell first began teaching leadership to people in the church, they were often surprised. He was  
inexperienced, yet the ideas he conveyed seemed to go beyond what he should know. Later, when he started speaking to a more general audience, people asked, "Where did you learn all this?" John  
on his secret: everything he knew about leadership he learned from the Bible. Not only is the Bible the greatest book ever written, but it is the greatest leadership book ever written. Everything  
about leadership—vision, purpose, strategy, communication, attitude, encouragement, mentoring, follow-through—can be found in the pages of God's Word. In this twenty-one lesson study, John guides  
same bedrock Scriptures that have formed the basis of his life's work. Each lesson includes: The Definition of the Law: a brief description and introduction to the Law Case Studies: Three Biblical  
leaders such as Moses, Joshua, David, Elijah, Esther, Mary, Paul, and Jesus—that reveal and illustrate the Law Study Questions: reflection and application questions to help you dig into the stories  
Scripture and learn from them Leadership Insight and Reflection: questions to help you assess and improve your own leadership skills Taking Action: practical takeaways and direction to help you

Lead-er-shift [verb]: The act of nimbly adapting one's leadership in the midst of rapid change. The term leadership shift may be new to you, but the climate of change that demands it is not. As a leader  
takes more than staying the course to be successful. The key to not just surviving but to continual innovation, improvement, and influence is to learn how to leadership shift. In the *Leadership Shift Workbook*  
book of the same name, author John C. Maxwell helps leaders make the changes the current fast-paced environment demands. He begins by helping leaders embrace seven principles to face ever-changing  
and confidence: Continually learn, unlearn, and relearn Value yesterday, but live in today Rely on speed, but thrive on timing See the big picture as the picture keeps getting bigger Live in today, but  
Move forward courageously in the midst of uncertainty Realize today's best will not meet tomorrow's challenges In each of the lessons in this workbook, John shares the critical shifts he has pe  
course of his long and successful leadership career, including the Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, and the Influence Shift from  
to Moral Authority. These leadership shifts will change the way you think, act, and ultimately lead so you can be proactive and successful in an ever-changing world. Designed for use with the *Leadership*

**Internationally recognized leadership expert John C. Maxwell teaches readers how to shift their leadership to keep innovating, improving, and influencing others in today's fast-paced world. Change is so rapid today that leaders must do much more than stay the course to be successful. If they aren't nimble and ready to adapt, they**

won't survive. The key is to learn how to lead. In *Leadership*, John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long and successful leadership career. Each shift changed his trajectory and set him up for new and exciting achievements, ultimately strengthening and sustaining his leadership abilities and making him the admired leadership expert he is today. Among those leadership shifts are the Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, and the Influence Shift from Positional Authority to Moral Authority. Maxwell gives specific guidance to readers about how to make these shifts in their own lives. Each one requires them to change the way they think, act, and ultimately lead so they can be successful in a world that never remains the same.

John C. Maxwell, an expert in leadership development, uses his decades of experience to teach readers how to reach their full potential through a commitment to personal growth. In *Self-Improvement 101*, he provides the essential tips and tools to help any leader continue striving for excellence no matter what industry, business, or level of leadership. You'll learn: the secret of becoming a lifelong learner, where to focus your time for maximum growth, what sacrifices are worth making to keep getting better, how to overcome obstacles to self-improvement, the key to turning experience into wisdom, and why leaders need to be learners, among many other essential lessons. People never reach their potential by accident. Often, those who achieve the greatest success have the greatest desire to learn and grow. *Self-Improvement 101* guides readers on an essential journey to uncovering their own desire, commitment, and unyielding determination to improve their life--and to improve themselves.
