Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. The End of the Age
The Countdown Has Begun
Thomas Nelson

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.

Brigitte Gabriel lost her childhood to militant Islam. In 1975 she was ten years old and living in Southern Lebanon when militant Muslims from throughout the Middle East poured into her country and declared jihad against the Lebanese Christians. Lebanon was the only Christian influenced country in the Middle East, and the Lebanese Civil War was the first front in what has become the worldwide jihad of fundamentalist Islam against non-Muslim peoples. For seven years, Brigitte and her parents lived in an underground bomb shelter. They had no running water or electricity and very little food; at times they were reduced to boiling grass to survive. Because They Hate is a political wake-up call told through a very personal memoir frame. Brigitte warns that the US is threatened by fundamentalist Islamic theology in the same way Lebanon was— radical Islam will stop at nothing short of domination of all non-Muslim countries. Gabriel saw this mission start in Lebanon, and she refuses to stand silently by while it happens here. Gabriel sees in the West a lack of understanding and a blatant ignorance of the ways and thinking of the Middle East. She also points out mistakes the West has made in consistently underestimating the single-mindedness with which fundamentalist Islam has pursued its goals over the past thirty years. Fiercely articulate and passionately committed, Gabriel tells her own story as well as outlines the history, social movements, and religious divisions that have led to this critical historical conflict.

Hope, Healing and the Power of an Open Heart

Where We See Tragedy, God Sees Possibility . . . Few American epics of tragedy, intrigue, friendship, and faith will entertain and challenge the soul like the narrative inspired by the events in the real life of David Ring--a boy literally born dead who survives with sobering consequences. Living with the harsh realities of cerebral palsy, Ring faces impossible odds yet stumbles into an improbable life of inspiration and influence in the small, unassuming town of Liberty, Missouri, in the 1960s. As a teenage boy, Ring finds himself tragically orphaned and being shuffled about to various homes. Along this journey, he faces secret, unspeakable atrocities that eventually plunge him into the depths of depression and attempted suicide. But amid the harsh troubles of life, he encounters another boy his age named David, the son of a local pastor. Their unlikely friendship begins on the rocks, but eventually develops into something extraordinary and unique that alters the trajectory of both of their lives--and the whole town of Liberty--forever. Rhonda Rivera seeks to dispel the "silent enemy" that is at war with Christians and President Donald J. Trump in this call to action. While the enemy--Satan--is very silent, he is plaguing our nation. But by remaining faithful and staying strong in prayer, this enemy can be defeated and Trump's mission to bring prayer back to schools and society at large can be accomplished. The author praises Trump for standing up for the unborn, noting that he's said on many occasions that every child is a gift from God. Trump said, "Together we must protect the sanctity of every human life, and when we

glimpse the image of a baby in the womb, we glimpse the majesty of God's creation, and when we hold a newborn in our arms, we know the love that each newborn brings to a family." The author's earnest prayer is to lead others to the understanding that it is the Lord alone who can rewrite history and keep us safe until His return. He is in this battle with us—and we will win.

By the time he was nineteen, Frank Schaeffer's parents, Francis and Edith Schaeffer, had achieved global fame as bestselling evangelical authors and speakers, and Frank had joined his father on the evangelical circuit. He would go on to speak before thousands in arenas around America, publish his own evangelical bestseller, and work with such figures as Pat Robertson, Jerry Falwell, and Dr. James Dobson. But all the while Schaeffer felt increasingly alienated, precipitating a crisis of faith that would ultimately lead to his departure—even if it meant losing everything. With honesty, empathy, and humor, Schaeffer delivers "a brave and important book" (Andre Dubus III, author of House of Sand and Fog)—both a fascinating insider's look at the American evangelical movement and a deeply affecting personal odyssey of faith.

The apostle John pushed aside the incense. "I will not make your sacrifice," he announced to the Roman tribune. "There is one God, and his name is not Domitian." Standing next to John at the stone altar of the emperor's temple were other believers, including Asia's most wealthy citizen, Abraham of Ephesus, and his family. Will Abraham follow John's example? If he refuses to make the sacrifice, the shipping magnate's vast fortune will be confiscated by Rome, and he will either be executed or exiled to Patmos-Devil's Island. This exciting historical novel follows Abraham and his family as they make their choice to worship Ceasar or follow Christ, and it brings to life the days when Christians faced the lions in Rome's Coliseum—and when the exiled apostle received the great visions of Revelation. The days of heaven are holy days, From sin forever free Two little words are found in the Greek version here. They are translated "_ton kairon_" in the revised version, "Buying up for yourselves the opportunity." The two words _ton kairon_ mean, literally, the opportunity. They do not refer to time in general, but to a special point of time, a juncture, a crisis, a moment full of possibilities and quickly passing by, which we must seize and make the best of before it has passed away.

A message of hope and total healing from the daughter of one of the country's most dynamic and popular pastorsThe quickest way through a challenge is to hand it over to the One who calms the seas simply by saying, "Be still." If God can do that, He can certainly handle anything you are currently facing.Tish Hagee Tucker, daughter of Pastor John Hagee, is living proof of that. In Master of the Impossible she tells her story of being healed from cancer as an example of what God can do.

This inspirational message of hope will appeal both to her father's audience and to anyone who is struggling right now. Sometimes in our lives we face extreme obstacles and feel as if we have nowhere to turn. All our own resources are tapped out. But God has promised in His Word that He will make a way where there seems to be no way. He is the Master of the Impossible.

Christian Zionism has received no small amount of criticism from observers who take issue with the movement's pro-Israel politics or its theology. What if we listened seriously to what Christian Zionists and Jewish partners said about Jews, Judaism, and Israel? Christian Zionism is a vibrant contemporary movement that--agree or disagree--has more than just political implications. Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue, in houses of worship, community centers, rallies, and, of course, in Israel. As such, Christian Zionism is a useful case that allows us to think about contemporary Jewish-Christian relations in new ways. While some would argue that this is really "just" about pro-Israel alliance building, *Christian Zionism: Navigating the Jewish-Christian Border* shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity. Christian Zionism serves as one chapter in the history of two religious communities--and the fraught relationships between them--facing together the globalized world of the twenty-first century.

Who Is the Holy Spirit—and Why Do You Need Him in Your Life? After His crucifixion and resurrection, Jesus gave His disciples an assignment to change the world—but told

them to wait until the power of the Holy Spirit had come upon them before setting out. His charge to modern-day believers is no different: To do the works that Jesus did (and

even greater ones, as He said), it is imperative that we operate from the indwelling power of the Holy Spirit. But Who is this mysterious Third Person of the Trinity? How do we

get this power, and what are we to do with it when we receive it? Pat Robertson, founder of the Christian Broadcasting Network and beloved longtime host of *The 700 Club*,

tackles these questions and many others in this, the final book of a life that is now in its ninth decade. Robertson traces the path of the Holy Spirit through both the Old and New

Testaments, and shares stories from his own life and that of many *700 Club* viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today.

If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today, this book is for you.

The American political scene today is poisonously divided, and the vast majority of white evangelicals play a strikingly unified, powerful role in the disunion. These evangelicals raise a starkly consequential question for electoral politics: Why do they claim morality while supporting politicians who act immorally by most Christian measures? In this clear-eyed, hard-hitting chronicle of American religion and politics, Anthea Butler answers that racism is at the core of conservative evangelical activism and power. Butler reveals how evangelical racism, propelled by the benefits of whiteness, has since the nation's founding played a provocative role in severely fracturing the electorate. During the buildup to the Civil War, white evangelicals used scripture to defend slavery and nurture the Confederacy. During Reconstruction, they used it to deny the vote to newly emancipated blacks. In the twentieth century, they sided with segregationists in avidly opposing movements for racial equality and civil rights. Most recently, evangelicals supported the Tea Party, a Muslim ban, and border policies allowing family separation. White evangelicals today, cloaked in a vision of Christian patriarchy and nationhood, form a staunch voting bloc in support of white leadership. Evangelicalism's racial history festers, splits America, and needs a reckoning now.
