Testimonies of How God's Word Impacts Lives

**Jesus told a story about three servants, their master and some sacks of money. It is a great story that tells us about God and how he has work for us to do. Jesus told stories, great stories, that tell us about who God is and what he is like. In the Stories From Jesus series the parables are retold and explained for young children.**

**An inspiring story of a journey from self-pity to service, based on Joni's bestselling Joni.**

**"The God I Love is the book that captures my heart and thoughts in the events, dialogues, memories, images, and scenes of my life—my walk with God."—Joni Eareckson Tada**  
**Joni's name is synonymous around the world with the words "loving God." She has lived out these words since the diving accident thirty-six years ago that left her paralyzed from the shoulders down. Now in The God I Love she looks back on the whole of her life through eyes that can see how that accident actually moved her in a new direction, saving her from another tragedy of her own making. This story-driven narrative captures the events and images of Joni's remarkable life as she describes her life in six themes. She begins with her life as an ordinary girl who is blessed by an extraordinary God—but not without tragic turns. Then she ponders the question, would she have been an artist if she had not broken her neck? She recognizes that through prayer she enters into God's holy presence and finds that he answers her prayers in full measure. She acknowledges that it is only through the kindness of friends that she has bathed or eaten or done the countless simple tasks that make up everyday life. Because of her unusual situation, her wheelchair has rolled onto platforms around the world where millions of people have heard her speak about her Savior. Through tragedy Joni has come to know God, the living, surprising, wonderful Lord of all. A note from Joni—The God I Love is a memory still unfolding of the journey that keeps taking me deeper into the heart of my Savior. It's my prayer that this story, which spans over fifty years, will resonate with each person who takes time to pick up the book...it's my prayer that The God I Love will serve as a roadmap, a guide, a signpost to light the journey of each reader, helping them to see their sweet, soft desperation of Jesus, too.**

Even in churches and movements founded on the truths of the Bible, man-centered

approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled *Gospel*, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

A biography of the Dutch woman who survived imprisonment in Nazi concentration camps to become a Christian missionary.

An exhilarating story of a young Navy SEAL whose relentless faith transformed his life and inspired everyone who knew his courageous story. In *A Warrior's Faith*, Ryan Job's close friend, Robert Vera, recounts how the highly decorated Navy SEAL's unstoppable sense of humor, positive attitude, and fierce determination helped him survive after being shot in the face by an enemy sniper on a roof in Ramadi, Iraq. Though blinded, the irrepressible Job recovered from his wounds and began facing a new set of obstacles with his characteristic humor and resolve. He married the girl of his dreams, hunted elk, climbed Mt. Rainier, graduated college with honors, influenced countless people around him, and was looking forward to being a father—before his life was tragically cut short by a hospital medical error. Vera's raw, often funny, and heartfelt account of his friend's life offers readers a way to find hope in the middle of life's raging storms. Brian Gault is one of the 450 survivors of the 'miracle-drug' Thalidomide's exposure to the British market in the mid-twentieth century. To the shock of his parents, he was born with no arms. Otherwise physically and mentally fit and able, Brian has struggled throughout his life to overcome the restrictions society has tried to place on him, beginning with the cumbersome prosthetic arms of his childhood, which he had to sabotage to escape wearing them! Brian's story is lively, funny, challenging and moving and centres around his call to Christian faith. With a foreword by Joni Eareckson Tada.

31 Days Toward Intimacy with God

Mary Slesor had a shocking temper and fiery red hair. Brought up in a Dundee slum, her father was an alcoholic and one of hardship and poverty. However, God had a plan to reach the head-hunting tribes of Calabar, superstitious in their beliefs, living in squalor and violence. So without her knowing it, Mary Slessor had spent a large part of her life in a training mission. Mary's training ground was a life in the slums of Dundee in the 1800's. Many missionaries went to Calabar and never home---never to be seen again. Mary Slessor, however, blazed a trail to the very tribes to which every other missionary would not go. Courageous, plucky, impulsive, Mary Slessor's temper was still notorious. It was said that even chiefs trembled when she flashed. If you've ever wondered 'What's the point? What can I do?' read this book and realise it's not about what you can do about what God can do with you... and he can do anything.

The story of John Knox who went from being a bodyguard to a preacher of God's Word. He stood with his conviction in the face of political opposition.

George Müller was a thief but God changed him so he became a champion for orphans. This book is about how with God you can change the world.

This is the true love story of Joni and her husband of 30 years, Ken Tada. A love story showing what it truly means for a woman to live in love ... in sickness and in health. Even the honeymoon wasn't easy. Did Ken realize what he was getting when he proposed to Joni, a quadriplegic woman? As their marriage years moved on, Ken became increasingly overwhelmed by the ceaseless demands of caring for Joni, who begins to experience chronic, extreme, nightmarish pain. Ken sinks into depression. The couple finds themselves on parallel tracks in life, married and living under the same roof but drifting apart emotionally. In their fight for their marriage and find their way through the mazes of depression and pain, they wrap their two lives around a rock—Jesus. During Ken's denial of Joni's diagnosis, and Joni's thoughts of how wonderful a quick exit to heaven would be, she experiences a personal visitation with the savior you will never forget.

I first read The Cry of the Soul decades ago when I was still sorting through a lot of hurt and frustration connected with my quadriplegia (yes, I read it on that music stand holding a mouth stick). The Cry of the Soul showed me what to do with my anger and hurt—not stuff it under the carpet of my conscience, or minimize it, but actually do something good with it." All emotion—whether positive or negative—can give us a glimpse of the true nature of God. We want to control our negative emotions and dark desires. God wants us to recognize them as the cry of our soul to be made right with Him. Beginning with the Psalms, Cry of the Soul explores what Scripture says about our darker emotions and points us to ways of honoring God as we faithfully embrace the full range of our emotional life.*

***It's easy to trust God when things are going our way and the world makes sense. But when suffering strikes--especially seemingly senseless suffering--we are filled with doubt and stunned by events spiraling beyond our control. In the midst of suffering, we often question the very foundation of our faith--our belief in the God who says he loves us. Since our trust and obedience rest on God's character, the questions that life's tragedies force us to face are difficult, even frightening. Who is God? Can he really be trusted? What are his purposes in the face of suffering? If he can stop suffering, why doesn't he? Joni Eareckson Tada, a woman who has lived in a wheelchair for more than thirty years, and Steve Estes, a pastor and one of Joni's closest friends, explore the answers. When God Weeps is not so much a book about suffering as it is about God. It tackles tough questions about heaven and hell, horrors and hardships, and why God allows suffering in this life. Through a panoramic overview of what the Bible says about suffering, the authors make clear who God is, why he permits so much heartache and pain, and how it is we can trust him. With both a practical edge and heartfelt warmth, When God Weeps offers dependence on his love and mercy in spite of our doubts, fears, longings, and questions. It's a message much needed. Despair and discouragement are rampant. At the same time, fewer people are able to balance God's purposes and his mercies. Instead, attempting to avoid tragedy and suffering, many Christians confuse simple formulas for faith. But where does that leave the family who loses a son on a military mission? Or the young mother who isn't healed of cancer? When God Weeps is for people like these . . . and for thousands more who need more -- much more -- than answers.***

***Arrested by the Government of Romania in the 1960s, Richard Wurmbrand was convicted of a crime - Loving Jesus. Using a flashback technique Catherine Mackenzie retells Richard's gripping, and at times gruesome story. Despite suffering years of mental and physical torture, God used Richard to witness to many people from prison guards to government officials. Even after his release from prison Richard prayed that if God could use him to reach others for Christ, to send him back. God heard his prayer and Richard was re-arrested and sent to prison for another period of torture. His story is inspirational.
