Janet Burroway's bestselling Imaginative Writng: The Elements of Craft explores the craft of creative writing in four genres: Fiction, Poetry, Drama, and Creative Nonfiction. A trade author as well as a professor of creative writing, Burroway brings her years of teaching and writing to this book. "Try-This" exercises appear throughout each chapter. Provocative and fun, these exercises help writers develop the specific writing skills discussed within the text. "Working toward a draft" exercises encourage writers to

develop their ideas into complete drafts. In response to reviewer requests, the preface "Invitation to the Writer" has been expanded into a full chapter. This new chapter introduces writers to important skills such as reading like a writer, journaling, and participating in the writer's workshop. This book offers lots of ideas and encouragement at a great price!

An irrepressible new girl dethrones the reigning recess bully by becoming her friend in this infectious playground romp. Mean Jean was Recess Queen and nobody said any different. Nobody swung until Mean Jean swung. Nobody kicked until Mean Jean kicked. Nobody bounced until Mean Jean bounced. If kids ever crossed her, she'd push 'em and smooch 'em, lollapalooosh 'em, hammer 'em, slammer 'em, kitz and kajammer 'em. Until a new kid came to school! Parents and teachers will appreciate the story's deft handling of conflict resolution (which happens without adult intervention). "A lively story about the power of kindness and friendship" -- Publishers Weekly "A lighthearted look at a serious topic in schools and on playgrounds everywhere..." -- School Library Journal "Great for reading aloud and joining in." -- Booklist

In this updated 2nd edition of the ASCD best-seller, Douglas Fisher and Nancy Frey dig deeper into the hows and whys of the gradual release of responsibility instructional framework. To gradually release responsibility is to equip students with what they need to be engaged and self-directed learners. On a day-to-day level, it means delivering lessons purposefully planned to incorporate four essential and interrelated instructional phases: Focused Instruction: Preparing students for learning by establishing lesson purpose, modeling strategies and skills, thinking aloud, and noticing how students respond. Guided Instruction: Strategically using prompts, cues, and questions to lead students to new understanding. Collaborative Learning: Allowing students to consolidate their understanding through exploration, problem-solving, discussion, and thinking with their peers. Independent Learning: Requiring students to use the skills and knowledge they've acquired to create authentic products and ask new questions. The authors explore each phase, using real-life examples from a variety of disciplines. You'll find tips and tools for classroom implementation, including checklists for planning and assessment; advice on feedback, homework, group work, differentiated instruction, and blended learning; answers to frequently asked questions; and examples that align to Common Core State Standards. No matter what grade level or subject you teach, *Better Learning Through Structured Teaching* is your essential guide to helping students expand their capacity for successful and long-lasting learning.

To make writing more exciting for third and fourth grade students, you need to give them a chance to grow their creativity and imagination. "The Writing Prompts Workbook" is a collection of imaginative situations and questions that will get your students and children using their brains to come up with wildly creative ideas when they begin to put pen to paper. Bryan Cohen, the author of "1,000 Creative Writing Prompts" and "500 Writing Prompts for Kids," has compiled 200 of some of his best prompts for third and fourth graders in this workbook. Use them for journals, assignments, poems, conversations, songs and more.

Being a great teacher is more than lesson plans and seating charts. In this revised and expanded new edition of the classic bestseller, you learn what it takes to be the very best educator you can be, starting from day one in your new classroom! Filled with real-world life lessons from experienced teachers as well as practical tips and techniques, you'll gain the skill and confidence you need to create a successful learning environment for you and your students, including how to: Organize a classroom Create engaging lesson plans Set ground rules and use proper behavior management Deal with prejudice, controversy, and violence Work with colleagues and navigate the chain of command Incorporate mandatory test preparation within the curriculum Implement the latest educational theories In this book, veteran teacher Melissa Kelly provides you with the confidence you'll need to step into class and teach right from the start.

The development of good reading and writing skills is essential not only for success in school but also for success in life. Writing daily will help your student develop their writing skills. Practicing sentence development is a fundamental key to becoming an excellent writer. The 1st Grade Writing Journal can be used in conjunction with ready-made story-starters. It can be used daily by student writers to record their daily activities, adventures, and imaginative thoughts. Journals can help students clarify their thoughts. Taking time to jot down feelings and thoughts about daily events can give young writers an opportunity to discover what they think and how they feel about different topics. Writing in a journal is comfortable for beginning writers because it is a casual and informal process. It isn't structured or graded. Students are allowed to free-write and become immersed in expression. Students should be allowed to write about different topics, which will give them the opportunity to improve their writing skills while exploring their thoughts without being chastised for grammar, usage, or other errors. Let this journal be an "idea book"--a place where the student is free to "think" in writing.

This kids writing prompt journal is perfect for teachers to use for a classroom monthly journal or help parents develop strong writing skills at home by incorporating drawing fun.

Are you looking for writing prompts for your school age children? Or maybe you are just searching for writing prompts to your kids more interested in creative writing? Well look not further as we have created this book of writing prompt and story starters for kids in Grades 1-3! Why are writing prompts important for young kids? At this age, children have the creative ability to write about a range of simple issues but usually they just need a bit of inspiration on how to start writing. Hence, our story starters can help them to tap into their imagination. To reinforce a good writing habit, it is also necessary to learn writing skills at this age. When kids begin writing, they will further learn how to put their thoughts on paper and how to use words to describe concepts. Now, to get them to enjoy writing, let's help to tap into their creativity of using fun writing prompts. ENJOY!

Teach your students to write. Capture student interest with these original, thought-provoking writing prompts. Mark Linley is a master teacher and curriculum developer with over 20 years of teaching experience in the primary grades. This book features: * 75 thought-provoking writing prompts * 10 templates for use as extension pages * An instructional guide for teaching writing to first graders. First Grade Sentence Starters work because they invite students to reflect deeply upon themselves and the world around them. These high-interest Sentence Starters will prompt rich, insightful, thought-provoking, touching, and perhaps even startling pieces of writing from your students. Use in class. Send as homework. Buy this book and get started! Made in the USA

Write your own stories with the help of these illustrated story starters for little kids! With 101 fun and unique writing prompts, you'll have no trouble kicking your imagination into high gear. Each story starter consists of: 1-2 short sentences to boost imagination. Large text for easy reading. A black and white illustration for visual inspiration. Leave writer's block and blank-page anxiety behind! Whether you write animal stories, funny stories, or something else entirely, you'll find dozens of ideas and inspiration to help you get started. Inside, you'll find story starters in each of the following categories: Crazy Changes. Animals Acting Strange. Monsters, Aliens, and Other Spooky Stuff. Adventure. Funny. Realistic Stuff. These illustrated story starters are perfect for little kids in grades 1-3 but can be used by anyone young at heart. Use this book in the classroom or give it as a gift to a budding author.

Simple but powerful, Journal Buddies is no ordinary journal. It is an invitation to experience a journaling adventure and to expand creativity and express feelings. It is an opportunity to strengthen self-esteem, build healthy relationships and create a positive outlook on life. It is a unique journal created with the help of important people in life, such as friends, parents, teachers, family members, etc.
