So don't wait! Scroll up and buy now. From Nikki Katz, the author of The Midnight Dance , comes The King's Questioner, an epic YA fantasy featuring royal drama, dark magic, and a secret that could topple a kingdom. Kalen is a mental picklock, able to access a person's memories and secrets by touch. His skills make him the perfect questioner to the king, and he spends his days interrogating prisoners of the crown. But when Kalen's estranged childhood friend, Prince Cirrus, falls into a sudden coma, the king begs Kalen to intervene. By accessing Cirrus's mind, Kalen saves his life—and uncovers a terrifying secret. The prince has a sister, banished long ago, and she is the key to the destruction or survival of the kingdom. With the help of Cirrus and a silver-haired thief named Luna, Kalen must find the princess and bring her home. Or risk death at the hands of his king.

"Phileas Fogg's bet that he can span the world in eighty days takes him by train, ship, sled, and elephant across nineteenth-century India, China, and America in one of the wittiest, most enjoyable classics of all time."--Back cover.

Truth hurts. Unemployment, despair, anger—visible and invisible unrest feed the undercurrent of Detroit's unease. A city increasingly invaded by phantoms now faces a malevolent force that further stokes fear and chaos throughout the city. Anya Kalinczyk spends her days as an arson investigator with the Detroit Fire Department, and her nights pursuing malicious spirits with a team of eccentric ghost hunters. Anya—who is the rarest type of psychic medium, a Lantern—suspects a supernatural arsonist is setting blazes to summon a fiery ancient entity that will leave the city in cinders. By Devil's Night, the spell will be complete, unless Anya—with the help of her salamander familiar and the paranormal investigating team—can stop it. Anya's accustomed to danger and believes herself inured to loneliness and loss. But this time she's risking everything: her city, her soul, and a man who sees and accepts her for everything she is. Keeping all three safe will be the biggest challenge she's ever faced. Embers A sizzling debut from a red-hot new author . . .

Jules, the Bounty Hunter

From the Roman Praetorian Guard to the English shire-reeve to the U.S. marshals, lawmen have a long and varied history. At first, such groups were often corrupt, guilty of advancing a political agenda rather than protecting citizens. It was about the turn of the twentieth century that police officers as we know them came into being. At this time, a number of police reforms such as civil service and police unions were developed. Citizen committees were formed to oversee police function. About this same time, the technology of motion pictures was being advanced. Movies evolved from silent films with a limited budget and short running time to films with sound whose budget was ever rising and whose audience demanded longer, more complex story lines. From the infancy of moviemaking, lawmen of various types were popular subjects. Bounty hunters, sheriffs, private eyes, detectives and street officers—often portrayed by some of Hollywood’s biggest names—have been depicted in every conceivable way. Compiled from a comprehensive examination of the material in question, this volume provides a critical-historical analysis of law enforcement in American cinema. From High Noon to The Empire Strikes Back, it examines the police in their many incarnations with emphasis on the ways in which lawmen are portrayed and how this portrayal changes over time. Each film discussed reveals something about society, subtly commenting on social conditions, racial issues and government interventions. Major historical events such as the Great Depression, World War II and the McCarthy trials find their way into many of these films. Significant film genres from science fiction to spaghetti western are represented. Films examined include Easy Street (1917), a nominal comedy starring Charlie Chaplin; Star Packer, a 1934 John Wayne film; The Maltese Falcon (1941) with Humphrey Bogart; Dirty Harry, a 1971 Clint Eastwood classic; Leslie Nielsen’s spoof Naked Gun (1988); and 1993’s Tombstone featuring Kurt Russell. The filmography contains a synopsis along with information on director, screenplay, starring actors and year of production. Photographs and an index are also included.

High-speed car chases, hiding out in overgrown bushes, nabbing the bad guy—all in a days work for Julianne aka Jules St. James. Sure growing up with a bounty hunter for a father was a little unorthodox, but she wouldn't have it any other way. After all, how many sixteen-year-old girls can take a man down with her bare hands, fire an assault rifle, or become a chameleon by using fake identities to nab bail jumpers? On her father's Texas ranch, she's just one of the guys with her older, twin brothers, Remington and Colt.So when Jules's father insists she spend the summer with her absentee mother—a former Savannah debutant and current member of high society, she is more than a little pissed off. Jules has had little use for her mother since she blew out of town six years ago to trade garden parties and black tie affairs for being a bounty hunter's wife. A summer in Savannah with Mommie Dearest means having refinement and culture shoved down her throat while styling the latest haute couture fashion.But Jules's father has another reason behind sending her to Savannah. The society family of Emmett Marshall, a white-collar bail jumper resides there. The mission is for Jules to get close to Marshall's teenage son, Jackson, thus trying to unravel any clues about his father's whereabouts. Locating Marshall could mean a hefty payoff --enough for Jules's freshman year of college.Since she's better at taking down a guy than hooking up with one, Jules feels like she's in over her head. Enter Wyatt Deluca. Working for Jules's bounty hunting cousin, Wyatt's suave services are enlisted to help her reel Jackson in. The tattooed, motorcycle riding bad boy is a 180 from sweet, cultured Jackson, but the more that Jules hangs around with Wyatt, the more confused she is about her true feelings and her ability to do her job

With her mind powers now at full strength, Jules continues her growth within the Fortress. The Royals are always nearby, and Jules must constantly be on guard and ready to deal with unknown dangers from them. Now assured in her belief that the Royals will try to attack the Fortress, Jules plans to use her honeymoon as part of an attempt to foil their plot. The plan is risky. The heart of the Alliance is at stake. The Royals will attack hard. Only one will ultimately achieve DOMINANCE.

When a mysterious client asks former Delta Force operator Case Lee to investigate a massive New Guinea gold discovery, the job quickly unravels into an incredible world of spies, terrorists, and tribal headhunters. Case-with a sense he's being played-walks away from the entire mess. Until life-threatening events pull him back in. This time, he's not taking any prisoners.A murdered wife. A bounty on his head. Case lives an isolated life on the Ace of Spades, an old wooden cruiser plying the waters of the Intracoastal Waterway from Virginia to Florida. His only friends are a collection of former Delta Force teammates spread across the globe. And an enigmatic broker of clandestine information, Jules of the Clubhouse. Case wants out. But bounty hunters and spies and shadowed players keep pulling him back in. And discover his special skills. Very special skills.

The Evergreen Classic Story (Annotated) By Jules Verne.

Mistletoe & Mayhem & Santa's Sexy Secret

As the lead songwriter for Jacob’s Ladder, the last thing Gabe Renard needs is a debilitating case of writer’s block. After years of meaningless one night stands, he’s finding it hard to pen the love-filled ballads the label is requesting. In an effort to clear his mind, Gabe takes his jeep off-roading in the North Georgia Mountains. When a wrong-turn leads to him getting stuck more than just creatively, he’s forced to call for help. To his surprise, the “Ray” who has been sent by Hart Wreckers to his aid is actually “Rae”—a sexy-as-hell spitfire in a pair of tight-as-hell jeans. The combination of Rae’s sassy mouth and rocking body might be the inspiration Gabe needs. But for the first time since becoming a rock star, his advances have been shot down. Reagan Hart has never been a fan of musicians. In fact, just the mention of one might cause her to throw a tire trol. Her disgust for them started when she was just eight and her mother ran off with a traveling country singer, and it only worsened when at seventeen, her rocker boyfriend knocked her up before blowing out of town. As a single mother taking care of her family’s collision business, Rae doesn’t have time for hook ups, much less a relationship. And if she did make time, a musician would be last on her list, even one as good-looking as Gabe Renard. Can Gabe find the words to prove not only to Rae, but himself, that she’s the only one for him?

One wouldn't expect a sexy-as-sin rocker like Eli Renard to spend time with a woman just as a friend, but that's exactly what Emersyn Wallace is to him. Just a friend. Even though she's matured into a beauty, Eli still doesn't remotely see his childhood pal as a sex-object. When tragedy brings her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. But after spending so much time with her in such close quarters, Eli finds his feelings beginning to shift. He no longer sees Emersyn as the once awkward young girl he played some of his first songs with. Soon it's not only his body that reacts to her, but it's also his heart. He's about to learn what a dangerous game it is to dry a widow's tears. After losing her husband and singing partner in a tragic accident, Emersyn Wallace spent the last eight months drowning in a sea of grief. With the bills piling up and her family and friends concerned about her emotional welfare, she reluctantly agrees to join the Jacob's Ladder's tour. While recapturing her lost love of singing and performing, she finds both comfort and healing in Eli's gregarious personality and outrageous sense of humor. But as the anniversary of her husband's death approaches, she finds herself in turmoil over her new amorous feelings for Eli. Can Eli and Emersyn find the perfect melody to transition from friends to lovers, or will their relationship end out of tune?

Stories Told in Whispers tells of a slave named Bob and his free wife. It's a story of love, tradition, and the great moral testing of America and the system of slavery. Bob is a Baptist preacher and a horse trainer living on the plantation called White Oak. He is owned by Henry Koger. In 1810, after marrying Marie, they were forced to become runaways. Alone and vulnerable, their difficult journey to Ohio leads them through the rugged mountains of Kentucky and Virginia. The journey tests their strength, their courage, and their faith. Along the way they discover a loosely knit organization of people who are willing to offer aid and share the risks for the cause of freedom. The coalition is made up of the many Christians who operate the shadowy Underground Railroad. This book gives you a taste of the antebellum south, as well as glimmer of the grass root forces that formed the America of today. It is testimony to the many unsung heroes of the elusive Freedom Train and its ghostly riders.

"Diamonds! Diamonds!" The cry heard around the world that changed the destiny of Dallas Warbuck, the most famed bounty hunter of all time. 1906, Southern Arkansas. A small wagon train of God fearing dirt farmers on their way to California in search of homestead land are stranded in the midst of a tumultuous diamond rush. A blossoming romance developed when Warbuck met farmer Will's daughter. The situation that evolved between a love smitten bounty hunter and two cowardly outlaws created a chain of hilarious events while the discovery site became besieged with greed, thievery, claim jumping, robbery, seduction, double-crossing and skullduggery.

Thorn From the first time I played army as a kid, the military has been my life. As an Airborne Major, I’d led my men through two tours in Afghanistan. But when my father was elected president, I became an even greater target for the enemy—a prize for someone to take out. To ensure not only the safety of myself, but of my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management position at my father’s company. After years of trekking through the desert with an assault rifle, I was way out of my area of expertise, which my transition coordinator was more than happy to let me know on a daily, if not hourly basis. The brunette bombshell would be the death of me in more ways than one, especially since I hadn’t been with a woman since my last deployment. She’s turning out to be one of the greatest foes I’ve ever done battle with. Isabel In the backwoods Georgia town I was born in, you either married right out of high school or got the hell out of town. I chose the second and never looked back. After graduating top in my class, I started working for The Callahan Corporation. Fast forward five years and I was about to become the youngest female manager in the history of my department. And then all the blood, sweat, and tears I’d put into my career were for nothing when the boss’s billionaire son was handed my position on a silver platter. Not only that, I was expected to help transition him into the job that was supposed to be mine. Sure, he’s easy on the eyes with his chiseled good-looks and impossibly built physique, but I’m not going to let that distract me. I hope soldier boy is good at military strategy because sabotage is the name of the game I’ll be playing.

The village of Eudinia is slowly crumbling under the pressures of hunger and loss, created by their new King. To rebel is to die, and the people succumb to his demands to protect themselves and their loved ones. But when the King takes away his family and home, Nyle Oakwing is determined to save them and his village and to bring everything back to its rightful balance. If asking Damien, the village outcast, for help is the only way to do it, so be it. With unwanted affection and uncertainty clouding his vision, will he be able to keep his eyes on his goal? Or will his doubts consume him?

When Jules Grace comes face to face with the physical embodiment of Hell itself, she sees a reflection of her own tortured soul. As a bounty hunter on the planet Sierra, Jules knows tracking down the most elusive and powerful creature in the universe will set her up for life and possibly quell her own inner demons for a while with the distraction of the hunt. What she doesn't count on is meeting Ethan Knight, Commander of Empress Anna Devereaux's War Angel contingent from Earth who have vowed to track Helena down before it's too late. Ethan is determined not to fail his fellow War Angel, Cade, a second time and is on a personal mission to save his friend's last gift to the world by any means necessary. Unfortunately for Ethan and the other War Angels, Helena refuses to listen to reason and is determined to keep the one and only physical reminder she has left of Cade. Jules understands Ethan's deep set desire to honor his friend, but she also comes to realize how much Helena has already lost and is sympathetic of her plight. Caught in the middle of a fight that will undoubtedly have a violent resolution, Jules follows her heart and tries to make each side remember how delicate and precious life is, especially one that the universe has never seen before or ever will again.

Verne is generally considered a major literary figure, where he has had a wide influence on the literary avant-garde and on surrealism. His reputation was markedly different in Anglophone regions where he had often been labeled a writer of genre fiction or children's books, largely because of the highly abridged and altered translations printed.

Doubts

Sixteen year old Jules Blaze, heir of a Keeper, suspects his family hides a forgotten secret. It's bad enough that his people, the Elfies of Reign, triggered a curse which reduced the entire inhabitants to a mere inch centuries ago. All because of one Keeper who failed his purpose. Even the King's Books, penned with the Majesty's own blood, did not help ward off this anathema. Now, Gehzurolle, the evil lord, and his armies of Scorpents, seem bent on destroying Jules and his family. Why? Gehzurolle's agents hunt for Jules as he journeys into enemy land to find the truth. Truth that could save him and his family, and possibly even reverse the age-long curse. Provided Jules doesn't get himself killed first.

Mistletoe & Mayhem All she wants for Christmas... Librarian Jodie Freemont's New Year's resolution is to get a life! Plain, predictable Jodie is going to turn into a daring, free-spirited femme fatale. And she gets her chance when rugged bounty hunter Shane Sullivan comes to town. Shane's got a reputation for always getting his man. But he doesn't stand a chance when Jodie decides to catch hers—under the mistletoe! Santa's Sexy Secret There are a few surprises under that suit... Working undercover as a jolly department-store Santa is no holiday for Detective Sam Stevenson! He's supposed to be investigating a large-scale theft ring, but instead he's spending more time checking out his gorgeous assistant elf, Edie Preston. The cute little pixie is one giant-size distraction. And thanks to a little mistletoe, Santa Sam is suddenly hearing wedding bells instead of jingle bells!

Barrett The name's Barrett Callahan. Yeah, that Barrett Callahan—the one the press dubbed “Bare” after those naked sexting pictures surfaced. At twenty-five, I was armed with an MBA from Harvard, an executive position at my father's Fortune 500 company, a penthouse, and a different piece of delectable eye candy in my bed every weekend. I had a life most men dreamed of. But then my father decided to run for president, and my playboy lifestyle became a liability to his campaign that was built on family values. My “makeover” comes in the form of a fake fiancée who I don't even get to choose—one who is an uptight, choirgirl acting priss but also sexy-as-hell. Addison My latest relationship had gone down in flames, and I was drowning in a sea of student loans when in true Godfather status, James Callahan made me an offer I couldn't refuse. Seven figures for seven months on the campaign trail pretending to be the adoring fiancée of his son, Barrett. As soon as he won the election, our engagement would be dissolved amicably for the press, I was free to ride off into the sunset a million dollars richer, and because of the NDA, no one would be the wiser. Sure, I'd never met the guy, but I'd been a theater nerd in high school. I could pull off any role from Lady Macbeth to Maria Von Trapp. But that was before I met my fake fiancé—the infuriating, self-absorbed, egotistical, drop-dead-sexy King of the Manwhores. The race will be a fight to the death finish, and that's not even the actual campaign.

Dakota Territory, 1883: A land of violence, lawlessness-and vicious monsters. Jules Castle can outsmart, outgun, and outrun any bandit in the Old West. But are her legendary skills be enough to save her father? Three years ago, Jules' outlaw father vanished during a mysterious mission. Since then, she's kept up the family business, robbing banks and chasing clues to his whereabouts across the Territory. Unfortunately, his trail sets her right in the path of supernatural, hard-to-kill creatures known as Vipers, whose bite will transform anyone into one of their kind. Jules is determined to save her father, no matter the peril or cost. With the help of a bounty hunter and her adopted sister Miranda, she will have to pull off an impossible rescue. Hounded by former members of her father's gang, hunted by a U.S. Army posse, and pursued by Vipers, Jules' chances are slim. Can she beat the odds one last time? From Amazon bestselling author Rob Blackwell comes Riders on the Storm, a unique urban fantasy combining elements of a Western with the supernatural, suspense, and action. Find out why readers praise his novels for their unpredictable twists, jaw-dropping endings, and unforgettable characters.

Welcome to the daring, thrilling, and downright strange adventures of William Willis, one of the world's original extreme sportsmen. Driven by an unfettered appetite for personal challenge and a yen for the path of most resistance, Willis mounted a single-handed and wholly unlikely rescue in the jungles of French Guiana and then twice crossed the broad Pacific on rafts of his own design, with only housecats and a parrot for companionship. His first voyage, atop a ten-ton balsa monstrosity, was undertaken in 1954 when Willis was sixty. His second raft, having crossed eleven thousand miles from Peru, found the north shore of Australia shortly after Willis's seventieth birthday. A marvel of vigor and fitness, William Willis was a connoisseur of ordeal, all but orchestrating short rations, ship-wreck conditions, and crushing solitude on his trans-Pacific voyages. He'd been inspired by Kon-Tiki, Thor Heyerdahl's bid to prove that a primitive raft could negotiate the open ocean. Willis's trips confirmed that a primitive man could as well. Willis survived on rye flour and seawater, sang to keep his spirits up, communicated with his wife via telepathy, suffered from bouts of temporary blindness, and eased the intermittent pain of a double hernia by looping a halyard around his ankles and dangling upside-down from his mast. Rich with vivid detail and wry humor, Seaworthy is the story of a sailor you've probably never heard of but need to know. In an age when countless rafts were adrift on the waters of the world, their crews out to shore up one theory of ethno-migration or tear down another, Willis's challenges remained refreshingly personal. His methods were eccentric, his accomplishments little short of remarkable. Don't miss the chance to meet this singular monk of the sea.

Shocking his stodgy colleagues at the exclusive Reform Club, enigmatic Englishman Phileas Fogg wagers his fortune, undertaking an extraordinary and daring enterprise: to circumnavigate the globe in eighty days. With his French valet Passepartout in tow, Verne's hero

traverses the far reaches of the earth, all the while tracked by the intrepid Detective Fix, a bounty hunter certain he is on the trail of a notorious bank robber.
