Practical Measures for Destinations

In recent years, the country has sought to accelerate economic diversification, emphasising growth in its industrial, agricultural and service sectors. The second-biggest economy of the Economic and Monetary Community of Central Africa, which the country is chairing in 2013, Gabon has a population of 1.6m, according to the most recent data available from the World Bank. The country benefits from a wide base of natural resources, including large mineral deposits and timber, as well as arable land – all of which have helped feed its export revenues and boost headline indicators. However, it is the oil and gas sector that has been the dominant sector, with the country's onshore and offshore blocks making it the fifth-largest producer on the continent. Production has been maturing recently, prompting the search to shift to deep-offshore blocks, but also encouraging greater diversification through the government's Gabon Emergent strategy, which looks to channel capital and activity into key sectors such as tourism and manufacturing.

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to

present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory patter presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribbs - No Assistants - Large Fonts Make
