The highly anticipated sequel to the New York Times bestselling and critically acclaimed If I Stay Picking up several years after the dramatic conclusion of If I Stay, Where She Went continues the story of Adam and Mia, from Adam's point of view. Ever since Mia's decision to stay – but not with him – Adam's career has been on a wonderful trajectory. His album, borne from the anguish and pain of their breakup, has made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite – with wholly satisfying results. And don't miss Gayle's newest novel, JUST ONE DAY and the forthcoming companion, JUST ONE YEAR.

"Boundary-pushing... Stories that stake a new claim on old tropes." –Publishers Weekly, starred review
Eleven fresh vampire stories from young adult fiction's leading voices in this bestselling anthology! Parker, Tessa Gratton, Heidi Hellig, Julie Murphy, Mark Oshiro, Rebecca Roanhorse, Laura Ruby, Victoria "V. E." Schwab, and Kayla Whaley. An Imprint Book "Vampire fans, sink your teeth into this satisfying collection." –Kirkus Reviews

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In The Life You Can Save, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show us our response to world poverty is not only insufficient but morally indefensible. The Life You Can Save teaches us to be a part of the solution, helping others as we help ourselves.

Musings on Medicine, Myth, and History: India's Legacy is a collection of fourteen short essays. It presents a holistic view of ancient medical history and Indian developments in ophthalmology, the authors' medical specialty. Deep respect for their homeland is apparent, as is their concern for sighted and visually impaired patients at home in the United States or on service trips abroad. Readers may be surprised to learn that cataract surgery was first described and performed in India nearly three thousand years ago. Much of current practice in ophthalmology can be traced to medical pioneers in Ancient India. This book is sure to broaden your perspective of India's contributions to modern health care. But also, in the process, you will become better acquainted with many other aspects of India, which was once the world's leading economic "superpower."

Technology Of Life

Make It Sweet

V.K. Wellington Koo and the Emergence of Modern China

With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter's day that changed her life forever.

According to the World Health Organization, health is defined as [a] state of complete physical, mental, and social well-being and not merely the absence of disease or infirmity[.] In other words, health is the ability to function effectively withn a given environment. Good health also involves continuous adaptation to changes in the physical, biological, and social environment. Environmental Pollution, and Health exposes the three main types of environmental pollution[air, water, and land]and their effects on human health. It also focuses on photochemical air pollution, marine pollution, thermal pollution, noise pollution, and radioactive pollution and their effects on human health.

"One of my favorite authors."—Colleen Hoover
An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more!
One summer. Two rivals. A plot twist they didn't see coming...
Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome county doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the day. Charlie is not an ideal hero and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

I'm Glad My Mom Died

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION AND BOOK LOVERS! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just update everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

You Deserve Each OtherPenguin

After receiving a letter from her deceased grandmother, Anastasia is determined to follow her grandmother's wishes and decides to spend time at her grandmother's remote cabin. Unbeknownst to her, the cabin is inhabited by an old friend of her grandmother's; a spirit named Ahren. Through dream and circumstance, Anastasia falls in love with Ahren while being stalked by his evil ghostly brother. Together they work to find a way to banish the evil and "live" happily EVER after.

In this rom-com about rom-coms, in the spirit of Kasie West and Jenn Bennett, a hopeless romantic ten attempts to secure a happily-ever-after moment with her forever crush, but finds herself reluctantly drawn to the boy next door. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he's back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz's butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

Vampires Never Get Old

"Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." – Helena Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne!
Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her.

Can you find real love when you've always got your head in the clouds?
Maybell Parish has always been a dreamer and a hopeless romantic. But living in her own world has long been preferable to dealing with the disappointments of real life. So when Maybell inherits a charming house in the Smokies from her Great-Aunt Violet, she seizes the opportunity to make a fresh start. Yet when she arrives, it seems her troubles have only just begun. Not only is the house falling apart around her, but she isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous--and it turns out he has a very different vision for the property's future. Convincing the taciturn Wesley to stop avoiding her and compromise is a task more formidable than the other dying wishes Great-Aunt Violet left behind. But when Maybell uncovers something unexpectedly sweet beneath Wesley's scowls, and as the two slowly begin to let their guard down, they might learn that sometimes the smallest steps outside one's comfort zone can lead to the greatest rewards.

From New York Times bestselling author Kristen Callihan comes a charming, emotional romance about redefining dreams and discovering unlikely love along the way.
Life for Emma isn't good. The world knows her as Princess Anya on Dark Castle, but then her character gets the axe—literally. The cherry on top is finding her boyfriend in bed with another woman. She needs a break, and sanctuary comes in the form of Rosemont, a gorgeous estate in California promising rest and relaxation. Then she meets the owner's equally gorgeous grandson, ex-hockey player and current recce Lucian Osmond, and she sees her own pain and yearning reflected in his eyes. He's charming when he wants to be but also secretive and gruff, with protective walls as thick as Emma's own. Despite a growing attraction, they avoid each other. But then there's an impromptu nighttime skinny-dip, and Lucian's luxurious innecade starts and cream cakes start arriving at Emma's door, tempting her to taste life again... In trying to stay apart, they only grow closer—and their broken pieces just might fit together and make them whole.
The first book in an epic new series about a princess hiding a dark secret and the con man she must trust to clear her name for her father's murder. In the Cyrrilian Empire, Affinities are reviled. Their varied gifts to control the world around them are unnatural-dangerous. And Anastasya Mikhailov, the crown princess, has a terrifying secret. Her deadly Affinity to blood is her curse and the reason she has lived her life hidden behind palace walls. When Ana's father, the emperor, is murdered, her world is shattered. Framed as his killer, Ana must flee the palace to save her life. And to clear her name, she must find her father's murderer on her own. But the Cyrrilia beyond the palace walls is far different from the one she thought she knew. Corruption rules the land, and a greater conspiracy is at work—one that threatens the very balance of her world. And there is only one person corrupt enough to help Ana get to its core: Ramson Quicktongue. A cunning crime lord of the Cyrrilian underworld, Ramson has sinister plans—though he might have met his match in Ana. Because in this story, the princess might be the most dangerous player of all. "Cinematic storytelling at its best."—Adrienne Young, New York Times bestselling author of Sky in the Deep and The Girl the Sea Gave Back
"Zhao shines in the fast-paced and vivid combat scenes, which lend a cinematic quality that pulls readers in."—The New York Times Book Review
"Zhao is a master writer who weaves a powerful tale of loyalty, honor, and courage through a strong female protagonist. . . . Readers will love the fast-paced energy and plot twists in this adventure-packed story."—SLJ

How to Accept Yourself in a World Striving for Perfection

A Novel

I Have No Mouth & I Must Scream

Love for Imperfect Things

Where She Went

A courageous and determined young teacher opens up a new world of hope and redemption for sixteen-year-old Precious Jones, an abused young African American girl living in Harlem who was raped and left pregnant by her father.

Saraswati Health and Physical Education is a much acclaimed and popular series in Health and Physical Education. The series demonstrates a deep understanding of the principles and concepts related to the subject while providing students with all the pedagogical tools necessary for comprehension and application. The fully revised edition, which includes all the latest developments in the field, in its colourful avatar will not only enhance the teaching-learning process but will also make it more enjoyable.

Jane's young, She's broke. Oh, and she just discovered she has supernatural powers so bizarre they may end up killing her. Since she read a biography of Catholic saints and began spontaneously healing the sick and calling down lightning, Jane's day-to-day has become a trippy journey of self-discovery. Lucky thing a pair of magical special agents appear and offer to train her because it turns out that, not only has Jane's life taken a hard turn for the weird, but the fabric of reality is beginning to unravel. Urban legends like Mothman, the Jersey Devil, and Bunyman are manifesting in a sleepy Pennsylvania town, and they are haanrgy. The good news: Jane's new boyfriend is part of an ancient corporation of literary superheroes ready to save the world. The bad news: life expectancy for people with powers kind of sucks. If Jane wants to live long enough to see the year 2002, she'll have to work with her new mentor, a leonaged, angry King Arthur; her current crush, cuddly god-man Erikki; and a gun-nun from a neighboring combla-town to seize her role as a tin-hard hero and stop a middle-aged madwoman from ripping a hole in the multiverse. Indie Saint is an urban fantasy adventure with a dose of Superman, Arthurian, and modern mythologies, and a dash of romance. Fans of Quentin Tarantino, Tamsyn Muir, and Buffy the Vampire Slayer will enjoy the cheeky writing, loasty romance, and technicolor brawls.

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: lovers ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

Hate Notes

Environmental Pollution, and Health

Violet Hinton started out as a factory worker and put herself through college and law school with the help and support of her husband and four children. She has been an attorney for 23 years and has primarily practiced in the areas of family and criminal law. On a couple of occasions she has found herself out investigating the crime that her client, Ellery Rose, was being accused of. The first time she couldn't get the prosecutor to look at the case and it was dropped. This time, however, she decided to investigate the crime which turned out to be a twist and turn of events. She had read about witches but this was one person who actually thought she was a witch, not just a witch but a black witch. Those around this black witch feared her. After investigating this case it is clear that the Chief of Police was scared of Heather Rose and since no one will pursue her, the State Police must know something that they will not divulge even though the Freedom of Information Act is in place. The prosecutor will not do anything. Either Heather Rose is so evil that she made everyone fear her, or they know that she is 6-foot under as the Chief of Police said that she should be killed. The only way to bring this danger out to the public is to write the story of what occurred back in January 1996. Yes it happened in Battle Creek, Michigan but she could be anywhere now, maybe living next to you.

Chinese diplomat V.K. Wellington Koo (1888-1985) was involved in virtually every foreign and domestic crisis in twentieth-century China. After earning a Ph.D. from Columbia University, Koo entered government service in 1912 intent on revising the unequal treaty system imposed on China in the nineteenth century, believing that breaking the shackles of imperialism would bring China into the "family of nations." His pursuit of this nationalistic agenda was immediately interrupted by Chinese civil war and Japanese imperialism during World War I. In the 1930s Koo attempted to use international law to force western powers to honor their treaty obligations to punish Japanese expansion. Koo also participated in creating the League of Nations and later the United Nations in the hope that collective security would become reality.

For close to 30 years, Basic Electrical Engineering has been the go-to text for students of Electrical Engineering. Emphasis on concepts and clear mathematical derivations, simple language coupled with systematic development of the subject aided by illustrations makes this text a fundamental read on the subject. Divided into 17 chapters, the book covers all the major topics such as DC Circuits, Units of Work, Power and Energy, Magnetic Circuits, fundamentals of AC Circuits and Electrical Instruments and Electrical Measurements in a straightforward manner for students to understand.

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment. Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

The Instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey
"Will Smith isn't holding back in his bravely inspiring new memoir. . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today
Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the like its author. In a category by itself.

Environmental chemistry is becoming increasingly crucial in understanding important issues that range from climate change to local pollution problems. It is the study of the chemical and biochemical phenomena that occur in the environment. It also studies the effects of these chemicals on ecosystems, animals, and human health. Advanced Environmental Chemistry discusses environment and its biological cycles. The book provides students and professionals with a clear understanding of the science and its applications. It provides an in depth introduction to the chemical composition of the atmosphere and water. The author also thoroughly explores important concepts such as soil pollution, radioactive pollution, and environment toxicology. All the chapters are followed by multiple choice and short answer questions.

A heartbreaking and hilarious memoir by ICarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the ICarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on a journey and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Warning! This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below.Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak." Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson Fate for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game?Only revenge?Only a dare?Or is it something more?This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised.Kinks/Fetishes with: erotic humiliation, fearpplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay

India's Legacy

Susan Cain, New York Times bestselling author of Quiet: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In Love for Imperfect Things, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things—including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of The Things You Can See Only When You Slow Down Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller The Things You Can See Only When You Slow Down, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself—and the flaws that make you who you are—can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, Love for Imperfect Things will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.

Ruthless People #1...the book that started it all..... "One Marriage + Two Bosses = 3X the Chaos." To the outside world, they look like American royalty, giving to charities, feeding the homeless, and rebuilding the city. But behind closed doors is a constant battle for

dominance between two bosses, cultures, and hearts. Ruthless People is a romantic crime fiction set in modern day Chicago and follows the life and marriage of Melody Giovanni and Liam Callahan - rivals by blood and leaders through fear. Theirs is an arranged marriage with the goal of ending years of bloodshed between the Irish and the Italians. Liam assumes he's getting a simple-minded wife, one he can control, one who bends to his every need...he'll soon find out that his wife to be does not fit that mold. Melody knows exactly what type of

man Liam is and would rather die than give up the power she has spent her life earning. The mafia of the past has evolved, and with rival bosses gunning for their family, Melody and Liam will have to learn to work as one to take down those who stand in their way. Check out more thrilling titles in the Ruthless People series: RUTHLESS PEOPLE #1 "One Marriage + Two Bosses = 3X the Chaos." THE UNTOUCHABLES (#2) "One Secret, Multiple Casualties." AMERICAN SAVAGES (#3) "Villains by Choice." A BLOODY KINGDOM (#4) "After the battle, sharpen your knives." DECLAN + CORALINE (preguel novella that takes place 2 years before Ruthless People) "You don't find love: it finds you." And look for the Ruthless People spinoff, Children of Vice--out 5.17.17"From the Ruthless, Vice shall Rise."

This book has nothing to do with science, it is about life - the gift we manage in a different way. That is why you will not find reference to the people whose thoughts I retell sometimes word to word and sometimes modify on my own way, sifting it through the sieve of my own perception. This book is destined to all living in the world now and to those who will live a thousand years from now. But there is special category of people for whom it destined first of all, though there are not many of them. This book is for heroes. For the people which desire to remake their country or the whole world. And desire to do this, as it seems to them, is completely selfless. V.Tarasov

Seven stunning stories of speculative fiction by the author of A Boy and His God. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

BOOK ONE IN THE BROKEN EMPIRE TRILOGY " Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medievalesque Fantasy Trilogy, entirely on its head." —Locus
When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king...! It's time for Prince Honorous Jorg Anchrath to return to the castle he turned his back on, to take what 's rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar 's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father 's castle.

Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

The essay and bibliography cover the essential information and controversies regarding the World War I battle that is credited as being a turning point in the war. The essay provides factual background, identifying major historiographical contentions, including the quality of British generalship, the use of technology, and the effectiveness of tactical planning. The alphabetically arranged bibliography consists of military history works related to Somme, but because aspects of strategy were influenced by politics some politically focused volumes have also been included. Annotation copyright by Book News, Inc. Portland, OR

"When Leeds meets Layla, he's convinced he'll spend the rest of his life with her—until an unexpected attack leaves Layla fighting for her life. After weeks in the hospital, Layla recovers physically, but the emotional and mental scarring has altered the woman Leeds fell in love with. In order to put their relationship back on track, Leeds whisks Layla away to the bed-and-breakfast where they first met. Once they arrive, Layla's behavior takes a bizarre turn. And that's just the beginning of many inexplicable occurrences."

"Perfect for fans of Outlander... A lush story of star crossed lovers and time traveling assassins." - Laura Sebastian, New York Times bestselling author of Ash Princess
Fate brought them together. Time will tear them apart. When a mysterious Scotsman suddenly appears in the middle of the road, Klara thinks the biggest problem is whether she hit him with her car. But, as impossible as it sounds, Callum has stepped out of another time, and it 's just the beginning of a deadly adventure. Klara will soon learn that she is the last Pillar of Time—an anchor point in the timeline of the world and a hiding place for a rogue goddess 's magic. Callum believes he 's fated to protect her at all costs after being unable to protect the previous Pillar, his best friend, Thomas. A dark force is hunting the Pillars to claim the power of the goddess—and Klara and Callum are the only two people standing in the way. Thrown together by fate, the two have to learn to trust each other and work together...but they ' ll need to protect their hearts from one another if they ' re going to survive.

The Kiss Thief

An Urban Fantasy Adventure

From the author of the "raw, ingenious, and utterly fearless" (Wendy Walker, USA TODAY bestselling author) Temper comes a dynamic psychological thriller about two women who give bad men exactly what they deserve. Scarlett Clark is an exceptional English professor. But she's even better at getting away with murder. Every year, she searches for the worst man at Gorman University and plots his well-deserved demise. Thanks to her meticulous planning, she's avoided drawing attention to herself—but as she's preparing for her biggest kill yet, the school starts probing into the growing body count on campus. Determined to keep her enemies close, Scarlett insinuates herself into the investigation and charms the woman in charge, Dr. Mina Pierce. Everything's going according to her master plan...until she loses control with her latest victim, putting her secret life at risk of exposure. Meanwhile, Gorman student Carly Schiller is just trying to survive her freshman year. Finally free of her emotionally abusive father, all Carly wants is to focus on her studies and fade into the background. Her new roommate has other ideas: Allison Hadley is cool and confident—everything Carly wishes she could be—and the two girls quickly form an intense friendship. So when Allison is sexually assaulted at a party, Carly becomes obsessed with making the attacker pay...and turning her fantasies of revenge into a reality. Featuring Layne Fargo's trademark "propulsive writing style" (Kirkus Reviews) and "sinister, of the moment" (Chicago Review of Books) suspense, They Never Learn is a feminist serial killer story perfect for fans of Killing Eve and Chelsea Cain.

National Bestseller could not get enough of Jasmine and Ashton! I adored Jasmine—her ambition, her confidence, her attacks of self-doubt, and especially her hilarious, snarky, and loving cousins. She and Ashton have such a steamy, swoony, love story that I didn't want the book to end!"—Jasmine Guillory, New York Times bestselling author RITA®

Award Winning author Alexis Daria brings readers an unforgettable, hilarious rom-com set in the drama-filled world of telenovelas—perfect for fans of Jane the Virgin and The Kiss Quotient. You Had Me at Hola is a New York Times Editor's Choice Pick, an O Magazine Best Romance Pick and on many more Best Of lists! Leading Ladies do not end up

on tabloid covers. After a messy pickup breakup, soap opera darling Jasmine Lin Rodriguez finds her fate splashed across the tabloids. When she returns to her hometown of New York City to film the starring role in a bilingual romantic comedy for the number one streaming service in the country, Jasmine figures her new "Leading Lady Plan" should be easy enough to follow—until a casting shake-up pairs her with telenovela hunk Ashton Suárez. Leading Ladies don't need a man to be happy. After his last telenovela character was killed off, Ashton is worried his career is dead as well. Joining this new cast as a last-minute addition will give him the chance to show off his acting chops to American audiences and ping the radar of Hollywood casting agents. To make it work, he'll need to generate smoking-hot on-screen chemistry with Jasmine. Easier said than done, especially when a disastrous first impression smothers the embers of whatever sexual heat they might have had. Leading Ladies do not rebound with their new costars. With their careers on the line, Jasmine and Ashton agree to rehearse in private. But rehearsals lead to kissing, and kissing leads to a behind-the-scenes romance worthy of a soap opera. While their on-screen performance improves, the media spotlight on Jasmine soon threatens to destroy her new image and expose Ashton's most closely guarded secret.

A troubled young mother yearns for a shot at redemption in this heartbreaking yet hopeful story from #1 New York Times bestselling author Colleen Hoover. After serving five years in prison for a tragic mistake, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter. But the bridges Kenna burned are proving impossible to rebuild. Everyone in her daughter's life is determined to shut Kenna out, no matter how hard she works to prove herself. The only person who hasn't closed the door on her completely is Ledger Ward, a local bar owner and one of the few remaining links to Kenna's daughter. But if anyone were to discover how Ledger is slowly becoming an important part of Kenna's life, both would risk losing the trust of everyone important to them. The two form a connection despite the pressure surrounding them, but as their romance grows, so does the risk. Kenna must find a way to absolve the mistakes of her past in order to build a future out of hope and healing.
