In these experimental lyric essays, Lowrey explores queerness, PTSD, anxiety, and created family. A framing of Rally Obedience and Dog Agility course maps create a textured story on the page, a hybrid form in which Lowrey recounts a spiritual-like relationship to dogs beginning in childhood, a passion for dog shows fractured in adolescence with a period of homelessness, a service dog, anxiety, and a return to dog sports. This collection transcends Lowrey's personal relationship with dogs to tell a larger story about healing, loss, trauma,

survival, and of course the love (and salvation) of many good dogs. I-I ()))))))))(((((((I-I ()))))))))(((((((I-I ()))))))))(((((((I-I ()))))))))(((((((I-I ()))))))))
Advanced Praise for Healing/Heeling "Healing/Heeling is a poetic fever-dream of a small book about training, handling and living with dogs: how they make us and save us and can even almost break us. Sassafras Lowrey's book is an essay, a harsh poem, an autobiography, a fractured narrative-and an apology and ode to the dogs of hir life: the spooky, the injured, the vulnerable, the brave. But the book's heartbreak is beautifully balanced by its close companion: the transcendent joy that comes from

working in close partnership with a dog. Serpentine and leap, heel and heal."Cat Warren, NYT bestselling author of What the Dog Knows: Scent, Science, and the Amazing Ways Dogs Perceive the World. "Merging the mechanics of dog handling courses with the intensely personal story of how relationships with dogs have shaped hir life, Sassafras Lowrey has created a new kind of memoir, both deeply engaging and emotionally devastating. Combining poetry and prose, ze explores the themes of queerness, family, and the deep bond between humans and dogs with raw honesty and grace."Michael Thomas Ford, 5-time Lambda Literary Award

*Winner"Using narrative mixed with the visuals of dog agility course maps, Sassafras guides us through a journey of obstacles, sudden turns, long tunnels, leaps of bravery, and now, eventually, so many "clean runs." So often, after inordinate trauma, it is necessary to not only leave what damaged us behind but also everything associated with it. Sassafras Lowrey shows us that it is possible to not only re-invent ourselves, but also to gather up and claim the lost pieces of what has always sustained us.-Sandra Gail Lambert, author of A Certain Loneliness"*This small book has a big impact if you love dogs. It is a deep and dreamlike meditation on how hir

love of dogs intertwined with and redeemed his brutalized childhood and how dog sports like agility, obedience and scent work nurtured a damaged sense of self worth and agency."-Esther Newton, author of My Butch Career: A Memoir

Training the Best Dog Ever, originally

published in hardcover as The Love That Dog Training Program, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. Training the Best Dog Ever relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of

practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is

at ease around strangers, and more. In other words, the best dog ever.

Published to benefit the SPCA, a lighthearted treasury by the creators of the Hot Guys and Baby Animals Wall Calendar features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

In the final book of the Ash and Sand trilogy, Ruka, son of Beyla, faces the emperor of the world, yet even victory may not save his

people...With the death of his ally, Farahi Alaku, Ruka 'Godtongue' is alone. Or not exactly... The island prince Kale Alaku now haunts his mind, rattling within his once peaceful 'Grove', promising revenge and growing every moment in power. Meanwhile, the Pyu isles are in chaos; the coastal kingdom of the Tong is still Ruka's enemy, and every day that passes brings the empire closer to destroying his dream of a new world for his people. Once again, the son of Beyla will need the strength of his dark twin,

Bukayag. Perhaps together they can unite three peoples, gather an army of ash, and defend or destroy their way to peace. But in the end, there can be only one king of heaven...
