With deep messages for every reader, these rich, short stories will give you courage and vision for a fulfilling life. They will help you judge right from wrong; the good from bad. Read 100 Inspiring Stories to Enrich Your Life to become a spiritually evolved, high-achieving and well-rounded individual. Dr. G. Francis Xavier is a trainer and author of international repute. He is a gold medalist with a doctorate in self-improvement. He has worked in prestigious capacities at several educational institutions across India. He was formerly the Financial Adviser to the Asian Confederation of Credit Unions (ACCU), Bangkok. He now conducts the popular Trainers' Training Program, both in India and abroad. Dr. Xavier is the author of more than 15 books on diverse subjects. His inspirational stories have been translated into eight Indian languages.

Unveiled in this book are the secrets of the occult sciences of Yantra, Mantra and Tantra to help the reader achieve worldly success and spiritual enlightenment. Detailed instructions are given for the preparation and application of Yantras for specific purposes: to win favours, defeat for selecting and using Mantras to attain miraculous powers, and fulfilment of one's desires, are explained in detail. In the Tantra section of the book, methods of treatment of diseases by herbs are given. Information is provided about Tantric articles and where to obtain them.

Ramadhanya Charitre incorporate metaphors taken from everyday life, which fascinate the commoners and offers them respite from mundane life-struggles. While such metaphorical expressions represent a remarkable trend in Bhakti poetry, in Kanakadasa's depiction of Nala and Damayanti's misfortunes, the toilsome life of common men and women stares forth.

Download Free Kannada Mahabharata Story

Hauled out of their palatial leisurely living, a curious turn of events compels them to survive amidst endless suffering. On one hand Nala Charitre is a poignant story of love, and on the other, it thematizes human existence, humandivine relationship and simplifies poetry to reach the audience beyond the limited circle of literates. As the Bhakti Literature assimilates the vernacular into devotional poetry, Kanakadasa's epic poem interweaves mythological themes from Mahabharata with struggles of medieval Indian society, thus overcoming the binaries of human and divine.

Ramayana Stories in Modern South India

An invaluable encyclopedia of Hinduism Hinduism is one of the world's oldest religions; an amalgam of diverse beliefs and schools, it originates in the Vedas and is rooted in Indian culture. Hinduism: An Alphabetical Guide illuminates complex philosophical concepts through lucid definitions, a historical perspective and incisive analyses. It examines various aspects of Hinduism, covering festivals and rituals, gods and goddesses, philosophers, memorials, aesthetics, and sacred plants and animals. The author also explores pivotal ideas, including moksha, karma, dharma and samsara, and details the diverse commentaries on the Bhagavad Gita and other important texts. Citing extensively from the regional languages, the book describes Hinduism's innumerable myths and legends, and looks at the many versions of texts including the Ramayana and Mahabharata, placing each entry in its historical context and tracing its evolution to the present. • Outlines all eighteen major Puranas, the 108 Upanishads, and a selection of Vaishnava, Sahiva and Tantric texts • Provides quotations from rare original texts • A product of years of research, with a wide range of entries

Death is a taboo in most societies in the world. But what if we have got this completely wrong? What if death was not the catastrophe it is made out to be but an essential aspect of life, rife with spiritual possibilities for transcendence? For the first time, someone is saying just that. In this unique treatise-like exposition, Sadhguru dwells extensively upon his inner experience as he expounds on the more profound aspects of death that are rarely spoken about. From a practical standpoint, he elaborates on what preparations one can make for one's death, how best we can assist someone who is dying and how we can continue to support their journey even after death. Whether a believer or not, a devotee or an agnostic, an accomplished seeker or a simpleton, this is truly a book for all those who shall die!

Pick up this book for a rollercoaster ride through centuries of world history How did the world become what it is today? How and when were the countries formed? Where did people come from? How did art, technology, science, language and literature begin? In The Puffin History of

the World- Volume 1, Roshen Dalal traces the origin of human beings and the different aspects of their development and growth, right from the big bang and the origin of the universe, up to CE 1500. Well-researched and comprehensive, this book speaks of great civilizations and empires, epics, myths and legends, religions old and new, wars and conquests, clothes, food and lifestyle, trade, travel and adventure and much more. It packs in exciting trivia, numerous maps and illustrations that provide a breathtaking overview of global history. Ideal for students and young readers, this amazing reference guide helps to bring the past to life like never before.

History of Ancient India : Ancient India

It Is A Transformation Of An Ancient Legend Into A Modern Novel. In This Process, It Has Gained Rational Credibility And A Human Perspective. The Main Incident, The Bharata War, Symbolic Of The Birthpangs Of A New World-Order, Depicts A Heroic But Vain Effort To Arrest The Disintegration And Continue The Prevailing Order. It Is Viewed From The Stand Points Of The Partisan Participants And Judged With Reference To The Objective Understanding Of Krishna. Narration, Dialogue, Monologue And Comment All Are Employed For Its Presentation. Shot Through With Irony, Pity And Understanding Objectivity, The Novel Ends With The True Tragic Vision Of Faith In Life And Hope For Mankind.

This book is going to be of immense use to all the students and professionals in the field of Journalism specialising in Television. And indispensable for Research Scholars who have joined for Phd., course in Journalism and Mass communication. Phd., is a Marathon and not a sprint.. ironically as much of a procedure as of knowledge. And in this marathon journey there are so many aspirants of Doctoral Degree who are struggling to get the right information which is essential and crucial in the early stages. I am sure this book will be accessible and affordable to them and to all the people who are interested in Social science research in the subject of Journalism and Mass Communication.

You may have a lot of questions about the art and architecture of Karnataka. There may be queries about the various heritage touring circuits. You might like to understand what went into designing, planning and constructing monuments over a thousand year ago. You may still wish to know how art and architecture progressed during the ancient and medieval times in Karnataka. This book attempts to answer a lot of these questions, for example: 1.What is the name of the first established Village in South India and where is it located? 2.Where did the earliest gold miners live in Karnataka? 3.Which was the first Agrahara established in Karnataka? 4.Which is the first existing temple dedicated to Siva in Karnataka? 5.Which is the first existing temple dedicated to Krishna in Karnataka? 6.What roles did temples have other than being the places of worship? 7.Which is the first temple dedicated to Rama in Karnataka? 8.What was Karnataka referred to as in the Puranic times? 9.Which is the first existing temple dedicated to Shakti in Karnataka? 10.How old is the Kannada language?

Essays on Modern Kannada Literature

This volume forms a part of the Critical Discourses in South Asia series which deals with schools, movements and discursive practices in major South Asian languages. It offers crucial insights into the making of Telugu literature and its critical tradition across over a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, re-interpretations of primary concepts, categories and interactions in Telugu. It presents 32 key texts in literary and cultural studies representing thoughts, debates, signposts and interfaces on important trends in critical discourse in the Telugu region from the middle of the 19th to the end of the 20th century, with nearly all translated by experts for the first time into English. The volume covers a wide array of themes, ranging from a text by Kandukuri Veeresalingam on women's education to Challapalli Swaroopa Rani on new readings of the oral literature of the marginalised communities. These radical essays explore the interconnectedness of the socio-cultural and historical developments in the colonial and post-independence period in the Telugu region. They discuss themes such as integrative aesthetic visions; poetic and literary forms; modernism; imagination; power structures and social struggles; ideological values; cultural renovations; and collaborations and subversions. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Telugu literature in South Asia. It will be essential for scholars and researchers of Telugu language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies and South Asian studies. It will also interest the Telugu-speaking diaspora and those working on the intellectual history of Telugu and conservation of languages and culture.

Valmiki's Ramayana, composed as early as 500 BCE, remains a story that speaks to every generation and continues to enthral millions of people in the Subcontinent and beyond. The noble prince Rama is exiled from Ayodhya on his stepmother's whim, and his loyal brother Lakshmana and beautiful wife, Sita, follow him into the forest despite the many dangers it holds. But when Sita is kidnapped by Ravana, king of the rakshasas, Rama must go deep into himself to find the physical and emotional resources he needs to rescue her. Apart from exploring the fundamental human question of how to be good, the Ramayana is also the story of a god who comes to earth to establish righteousness. The tension between Rama's essentially divine nature and his all too human trials makes this one of the most compelling epics in world literature.

Folk Culture, The Perennial Substratum Of The Sophisticated Metropolitan Culture, Takes Many Lively And Colourful Forms. This Is Particularly True In India. This Book Is A Study Of One Such Expression Of The Folk Culture Obtained In South Kanara, India. It Is Not One Of Those Dry Academic Studies Usually Made By Foreign Scholars. For The Authors, The Book Has Been A Passionate Involvement In A Traditional Art Form Yakshagana. The American Authors Have Put Down Their Experience With The Hope That The Reader Will Enjoy An Imaginary Trip To South Kanara, A Walk Through The Fields And A Thrilling Night Of Yakshagana. In A Lively Style, This Book Brings Home To The Readers Almost Everything About This Particular Form Of Dance-Drama, The Music, Dance Costumes And Make-Up And Impromptu Dialogue As Well As Its Literature On Which The Dramatic Themes Are Based, The Rituals Performed Before, During, And After The Drama, The Organization Of A Troupe, The Existing Troupes, And The Training Of The Performers. With Nineteen Four-Colour Reproductions, Twenty-Tree Black-And-White Illustrations And Eighteen Line Drawings, Yakshagana Has Something To Offer To Each Of Its Readers. For Those Trained In Music There Is The Style Of Singing And Rhythms Peculiar To Yakshagana. And Those Who Are Learned In Poetry, Religious Epics And Legends Can Revel In The Beauty Of The Poetry, And Those Who Have A Sense Of Colour And Design Can Be Enchanted By The Costumes And Make-Up. The Readers Will Vicariously Experience The Intricate Steps Of The Dance, Not To Be Seen In Any Other Indian Dance Forms, Yet They Are Characteristically Indian. Yakshagana, As Experienced By The Authors, Reveals The Deeper Meanings Of The Indian Epics And Legends Through The Extempore Dialogue Of The Performers. Their Descriptions Of The Risqué Humour Of The Buffoon And His Comic Movements Come Alive Before The Readers. Here Is A Point Of Departure For More Study In New Directions, Valuable To The Students Of Arts And Folk Culture, And Yet Tempting The General Readers With Its Rich Fare Of Aesthetic And Intellectual Experiences. Yakshagana Is Tempting To The Booklover In Many Other Ways: The Subject Of The Book Has Been Presented And Decorated By One Of The Famous Indian Artists K.K. Hebbar, And Introduced By C. Sivaramamurti, A Noted Historian And Archaeologist Whose Deep Knowledge In Iconography Has Made Rich Contributions To The Study And Understanding Of The Ancient And Medieval Visual Arts In This Country.

An Alphabetical Guide

Indian Alternatives in Linguistics

No country in the world is blessed with a greater variety of forms in music, dance and theatre than ours. One of the theatre forms generally described as folk but possessing a strong classical connection is the Yakshagana. Although the name signifies the music of celestial beings, Yakshagana is an amalgam of the sky with the earth. There is both mystery and robustness about this form in which singing and drumming merge with dancing, and words with gestural interpretation, and players clad in costumes of striking colour and contours. It is the cherished

cultural possession of the coastal districts of Karnataka. Dr. K.S. Karanth is the foremost living authority on Yakshagana and has been working on all its aspects, namelyâ€dance, music, and literature, since 1930. He has led the way to a deep and systematic study of this art form. He has spent decades travelling to remote villages within Karnataka to inspect and study every Yakshagana manuscript, the earliest going back to A.D. 1651. With his fine literary judgement and aesthetic sensibility, he has traced the changing trends in the performance of Yakshagana. He has interacted with hundreds of Yakshagana artistes to find out what customs in training and interpretation had prevailed earlier and had fallen into disuse and deserved to be resuscitated. He has put together his findings in the shape of two standard books Yakshagana Bayalata (1958) in Kannada, and Yakshagana in Kannada and English (1975). The present volume is a revised edition of the earlier book, with additional material and illustrations. It is hoped that the book will provide valuable insights into one of the most attractive and dynamic art forms of our land, as well as into a penetrative mind.

SWASTIKA: Epigraphy, Numismatics, Religion and Philosophical Studies is a Festschrift presented to Prof. Hampa Nagarajaiah a renowned Jaina Scholar in India, on his 85th birth anniversary (7th October 1936) . Prof. Hampana one of the major litterateurs of Karnataka, has authored more than 80 books in English and Kannada. His writings, spread over more than five decades, cover a wide range of topics embracing different disciplines and fields of research. Some of his books have been translated into English, Hindi, Marathi, Gujarati, Tulu, Tamil and Telugu. He has taught undergraduate and post- graduates students, for over 37 years. He has served Kannada sahitya parishad , as secretary for 8 years, as well president for 8 years , With 'hampana' as his nam de plume , he is a recipient of a number of state and national Awards. Contemporary literati honoured him with 8 festschrifts.. His contribution to the study of Jainology, in particular, insignificant and seminal. These articles in other way serve as garland of flowers to decor Prof. Hampa Nagarajaiah; A great scholar in Jainism, Literature, Epigraphy, Numismatics, Religion and Philosophy , History and Cultural Studies. There are more than 31 articles shedding light on Recent Trends in Jainism Studies. This prestigious volume contains a wide spectrum of research articles covering Jainism in Archaeology, Art, and Architecture. The volume containing a good collection of research papers contributed by renowned authors from India and abroad will serve as an important source of information and reference book for research students and teachers as well. Incidentally, this volume also highlights the love and affection of Prof.

Hampa Nagarajaiah enjoys in the intellectual world.

Saiva Philosophy is an outgrowth of the religion characterized by the worship of the phallic form of God siva. Saivism as a religion has persisted since the pre-historic time of the archaeological finds of Harappa and Mohenjodaro. It has a continuous history of at least five thousand years. It is a living faith practiced all over India. AN OUTLINE HISTORY OF SAIVA PHILOSOPHY first appeared as part of Volume III of Bhaskari in 1954 in the Princess of Wales Saraswati Bhavan Texts Series. The work is now reprinted as an independent volume to meet an increasing demand of the interested readers and scholars.

Accessions List, India

I have planned and designed this representative Anthology of Kannada short Stories in English (Fifteen stories). My main objective is to offer the best short stories in English. The seeds of Kannada short story as a literary form can be traced back to Katha Sarastisagara, Panchantantra, Jataka tales and great oral folk legends and wonderful tales. Some of the oral and written stories were carried to the West mostly by traders, wanderers, monks and cultural ambassadors. They also carried with them the two greatest epics like Ramayana and Mahabharata, Vedas and Upanishads. The travellers brought back the great stories/epics of the West like Illiad, Odyssey and Biblical stories. With the invention of printing press in Germany in 16th century it became possible to reach out to countries far and wide through the medium of print. The short story as a genre developed steadily over the centuries and it lost its amorphous body and acquired a well defined order, arrangement and form.

History of Indian Nation India, the cradle for one of the most ancient civilizations in the world, has a long and rich history, spanning thousands of years. In fact, the history of India begins with evidence of human activity millions of years ago. The Indus Valley Civilization was the first major civilization. Vedic Civilization witnessed the rise of major polities. Almost the whole country was controlled by Mauryan Empire and it was again united under Gupta Empire. Muslim rule in the subcontinent began when the Arabs conquered Sindh and Multan. Then, several invasions from Central Asia led to the formation of Muslim empires, such as the Delhi Sultanate and the Mughal Empire. Mughals conquered most of northern

India and finally controlled the entire sub-continent and Afghanistan. Mughal Empire declined in the 18th century. Then, East India Company gained ascendancy over South Asia. Dissatisfaction with Company rule led to an unsuccessful revolt in 1857, after which India was directly administered by the British Crown. In the 20th century, a nationwide struggle for independence was launched by Indian National Congress. The subcontinent gained independence from Great Britain in 1947, but the country was partitioned into two dominions of India and Pakistan. After Independence, a new era began. This comprehensive book, comprising four volumes covers the entire history of the Indian Nation in a very compact manner. This book is an asset for historians, teachers, students and general readers, at par.

Surveys the many regional literatures of 20th century India.

Karnataka Through the Ages

The Indian Short Story in English

This book foregrounds practices and discourses of translation in several non-Western traditions. Translation Studies currently reflects the historiography and concerns of Anglo-American and European scholars, overlooking the full richness of translational activities and diverse discourses. The essays in this book, which generally have a historical slant, help push back the geographical and conceptual boundaries of the discipline. They illustrate how distinctive historical, social and philosophical contexts have shaped the ways in which translational acts are defined, performed, viewed, encouraged or suppressed in different linguistic communities. The volume has a particular focus on the multiple contexts of translation in India, but also encompasses translation in Korea, Japan and South Africa, as well as representations of Sufism in different contexts."

The Vijayanagara Empire flourished in South India between 1336 and 1565. Conveying the depth and creativity of Hindu religious and literary expression during that time, Vijayanagara Voices explores some of the contributions made by poets, singer-saints, and philosophers. Through translations and discussions of their lives and times, Jackson presents the voices of these cultural figures and reflects on the concerns of their era, looking especially into the vivid images in their works and their legends. He examines how these images convey both spiritual insights and physical experiences with memorable candour. The studies also raise intriguing questions about the empire's origins and its response to Muslim invaders, its 'Hinduness', and reasons for its ultimate decline. Vijayanagara Voices is a book about patterns in history, literature and life in

South India. By examining the culture's archetypal displays, by understanding the culture in its own terms, and by comparing associated images and ideas from other cultures, this book offers unique insights into a rich and influential period in Indian history.

A History of Ancient and Early Medieval India is the most comprehensive textbook yet for undergraduate and postgraduate students. It introduces students to original sources such as ancient texts, artefacts, inscriptions and coins, illustrating how historians construct history on their basis. Its clear and balanced explanation of concepts and historical debates enables students to independently evaluate evidence, arguments and theories. This remarkable textbook allows the reader to visualize and understand the rich and varied remains of India's ancient past, transforming the process of discovering that past into an exciting experience.

The volume, complexity, and irregularity of computational data in modern algorithms and simulations necessitates an unorthodox approach to computing. Understanding the facets and possibilities of soft computing algorithms is necessary for the accurate and timely processing of complex data. Research Advances in the Integration of Big Data and Smart Computing builds on the available literature in the realm of Big Data while providing further research opportunities in this dynamic field. This publication provides the resources necessary for technology developers, scientists, and policymakers to adopt and implement new paradigms in computational methods across the globe. The chapters in this publication advance the body of knowledge on soft computing

techniques through topics such as transmission control protocol for mobile ad hoc networks, feature extraction, comparative analysis of filtering techniques, big data in economic policy, and advanced dimensionality reduction methods.
