Yet, it is not well articulated in the academic literature and, when it is, resistance is most often considered counter-productive. Simple evaluations of resistance as positive or negative are avoided in this volume; instead it is conceptualised as a vital process for human development and well-being. While resistance is usually treated as an extraordinary occurrence, the focus here is on everyday resistance as an intentional process where new meaning constructions emerge in thinking, feeling, acting or simply living with others. Resistance is thus conceived as a meaning-making activity that operates at the intersection of personal and collective systems. The contributors deal with strategies for handling dissent by individuals or groups, specifically dissent through resistance. Resistance can be a location of intense personal, interpersonal and cultural negotiation, and that is the primary reason for interest in this phenomenon. Ordinary life events contain innumerable instances of agency and resistance. This volume discusses their manifestations, and it is therefore of interest for academics and researchers of cultural psychology, cultural studies, anthropology, sociology, and human development.**

The Witness

Saakshi

Brauhi Language

Remembered Verses from Premodern South India

Saakshi uses the Puranas and Vedanta as well as Gandhian concepts to discuss the meaning of truth and its distortions through greed, sexuality and desire.

Overcome by guilt at having committed perjury in court, in a murder trial, Parameshwarayya, a village elder, commits suicide. Yama, the god of death and righteousness, affords him the privilege of presenting his case himself.

Thereafter, he commands Parameshwarayya to return to earth in spiritual form to witness, but not to intervene, in subsequent events. Parameshwarayya observes his daughter Savitri, son Ramakrishna, son-in-law Satyappa, the woman Lakkoo and the sensitive Dr Hasheem as they are confronted by difficult decisions and revelations, which cause them to look inward and attempt an appraisal of their lives and values. Bhyrappa ' s portrayal of the greedy Nagappa, who grudges his only grandson the rice he eats and the arrogant, selfish and lustful Manjappa creates indelible impressions on the mind. This powerful novel questions what it means to be a witness—in a courtroom, before the gods, to the lives of others, or finally to one ' s self.

A drug addict is attacked during the early hours of the morning on the railway tracks near Churchgate station, which leaves a number of attackers dead and the junkie barely holding on to his life as he is brought to the government hospital and is kept under close guard. A reporter is given the story to cover. Initially unmotivated by what she thinks is just a waste of time, a meeting with one of the hospital staff, who gives her a photograph, makes her realise that there is lot more to the attack than what meets the eye. As she unsuccessfully searches for clues, she eventually arrives at a run-down bar in the heart of Colaba market and begins the interview of the resident, the in-house drunk, who might have some answers. What follows is a story of Bombay and the underworld, looked at from an angle that the reporter never thought existed. Through a haze of cigarettes and beer, the alcoholic weaves an impossible tale, as it becomes clear that the junkie in the hospital has been targeted for termination by the police assigned to protect him, and the reporter realizes that she is in a race against time to find the answers that might save his life. Through twists and turns the reporter is taken on a mind-bending journey that starts in the south Bombay neighbourhood of Colaba and moves through the battlefields of the Iran-Iraq war of the 80s, to the Tamil Tigers of Sri Lanka and the communal riots in Bombay during the 90s, and tells the extraordinary story of Wastra, a figure of legend and smoke and mirrors. As the story reaches an explosive climax, the reporter finds that the sting in the tale might be more than what she bargained for, as the shades are pulled aside and she faces an

uneviable choice.

This book of oral tales from the south Indian region of Kannada represents the culmination of a lifetime of research by A. K. Ramanujan, one of the most revered scholars and writers of his time. The result of over three decades' labor, this long-awaited collection makes available for the first time a wealth of folktales from a region that has not yet been adequately represented in world literature. Ramanujan's skill as a translator, his graceful writing style, and his profound love and understanding of the subject enrich the tales that he collected, translated, and interpreted. With a written literature recorded from about 800 A.D., Kannada is rich in mythology, devotional and secular poetry, and more recently novels and plays. Ramanujan, born in Mysore in 1929, had an intimate knowledge of the language. In the 1950s, when working as a college lecturer, he began collecting these tales from everyone he could--servants, aunts, schoolteachers, children, carpenters, tailors. In 1970 he began translating and interpreting the tales, a project that absorbed him for the next three decades. When Ramanujan died in 1993, the translations were complete and he had written notes for about half of the tales. With its unsentimental sympathies, its laughter, and its delightfully vivid sense of detail, the collection stands as a significant and moving monument to Ramanujan's memory as a scholar and writer.

India is a vast country of continental size. Despite increasing literacy, English continues to be the link language for want of acceptable language within the country. However, Hindi still remains the language of the masses, spoken by more than half the population and understood by nearly three-fourths. Although Hindi is taught in school syllabi, its purpose is purely academic that hardly serves to promote national unity through ease in conversation. Understanding this need in filling this disjointed gap, V&S Publishers has taken the first fledging step by deciding to bring out a conversational Indian Language series, beginning with Telugu-to-Hindi module, in the name of "e;sampurna vyakaran sahit....."e;After years of research and hard work and supported by knowledgeable persons of literary taste, we have come out with this unique volume that is significantly different from all the other language learning courses out there. The major difference: this module format also provides the basics of grammar which are absent from all the other titles in the market. These basics of grammar not only provide knowledge base of the language, but also enable an individual to learn the language while speaking it.

The poems are remarkable for their wit and precision, their lyrical insight on the commonplace, their fascination with sensual experience, and their exploration of the connection between language and desire. Taken together the catus offer a penetrating critical vision and an understanding of the classical traditions of Telugu, Tamil, and Sanskrit. Each poem is presented in a contemporary English translation along with the Indian-language original. Jugari Cross is a suspense thriller woven around the everyday incidents that occur with an ordinary farming couple's life. The story set within 24 hours is not just a typical suspense thriller with a trace of history and a literary quest, but enormously stimulates the reader to analyze the broader spectrum of philosophy, literature, and the principles of global economies established around us. I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

Great Stories for Children is a collection of some of Ruskin Bond's most delightful children's stories. It stars Toto, the monkey, who takes a fancy to the narrator's aunt, much to her dismay, a python besotted by his own appearance, a mischievous ghost who enjoys stirring up the house when things get dull, three young children stranded in a storm on the Haunted Hill and Ruskin Bond himself, who happens to make the acquaintance of a ghost at a resort late one night.

Hailed as early feminist literary voice, Akka Mahadevi was born in the twelfth century in the southwest Indian province of Karnatka. As a child she was initiated into the worship of Channamallikarjuna (translated here as 'jasmine-tender'), her village's version of Siva. She was forced to marry her region's ruler. But because she was devoted only to Siva, she left her husband and all her possessions, including her clothes, and wandered a naked poet-saint covered only by her long hair. Her vacanas--a new populist literary form meaning literally 'to give one's word'--collected here demonstrate both her radical devotion to Siva and the radical commitment to equality, for her the vira-saiva movement, she joined.
