

## ***Kenget E Milosaos De Rada***

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Memoir

**After class placements were decided, the school's two infamous 'problem youth' not only shared the same class, but the same desk. They're clearly good at studies, but pretend to be slackers. Fakers from head to toe who just keep walking farther down the path of their performance. Hear on the grapevine about the two big brothers who always fight over the last place in class. Basically, this is a serious comedy. About the little matters of growing up.**

**Kangët e Milosaos**

Incorporates every conceivable focus of interest from holidays to health care, national anthems to gross national product, natural resources, ethnic groups, voting age, performing arts, provincial capitals, leaders of the past and present, native plants and animals, and far more. Newly commissioned political and geophysical maps represent past and present realities. The thirteen volumes of this set examine the 50 countries, dependencies, and states of the European continent, putting into perspective this enormously influential center of commerce and culture.

**NATIONAL BESTSELLER** • Senator John McCain tells the story of his great American journey, from the U.S. Navy to his electrifying campaign for the presidency in 2000, interwoven with heartfelt portraits of the mavericks who have inspired him through the years. After five and a half years as a prisoner of war in Vietnam, naval aviator John McCain returned home a changed man. Regaining his health and flight-eligibility status, he resumed his military career, commanding carrier pilots and serving as the navy's liaison to what is sometimes ironically called the world's most exclusive club, the United States Senate. Accompanying Senators John Tower and Henry "Scoop" Jackson on international trips, McCain began his political education in the company of two masters, leaders whose standards he would strive to maintain upon his election to the U.S. Congress. There, he learned valuable lessons in cooperation from a good-humored congressman from the other party, Morris Udall. In 1986, McCain was elected to the U.S. Senate, inheriting the seat of another role model, Barry Goldwater. During his time in public office, McCain has seen acts of principle and acts of craven self-interest. He describes both extremes in these pages, with his characteristic straight talk and humor. He writes honestly of the lowest point in his career, the Keating Five savings and loan debacle, as well as his triumphant moments—his return to Vietnam and his efforts to normalize relations between the U.S. and Vietnamese governments; his fight for campaign finance reform; and his galvanizing bid for the presidency in 2000. Writes McCain: "A rebel without a cause is just a punk. Whatever you're called—rebel, unorthodox, nonconformist, radical—it's all self-indulgence without a good cause to give your life meaning." This is the story of McCain's causes, the people who made him do it, and the meaning he found. Worth the Fighting For reminds us of what's best in America, and in ourselves. Praise for Worth the Fighting For "When [John] McCain writes of people and patriotism, his pages shine with a devotion, a loving awe, that makes Worth the Fighting For worth the shelling out for. . . . McCain the man remains one of the most inspiring public figures of his generation." —Jonathan Rauch, The Washington Post " [An] unpredictable, outspoken memoir . . . a testimonial to heroism from someone who has first-hand knowledge of what it takes." —The New York Times

Hieronymus de Rada

The love story between a painter and a girl is set against the backdrop of a country in the midst of terrifying change as its inhabitants deal with the Westernization of a backward Balkan land, witness a series of strange events, and search for a tunnel to the Secret State Archives, which supposedly house records of crimes that may have been committed. Reprint.
