When Dime is thrown out of the house due to poor behavior, she moves in with her brother, where she tries to rebuild her life.

I see so many women writing, blogging, and posting about the problems or issues they have with us men. How their man cheated, "won't change", or refuses to settle down. It makes me laugh to see some of the stuff the ladies are saying because half the time, they are the root to their own issues with us. I'm not saying that women are 100 percent to blame; I'm just saying? take some responsibility in your decisions and roll in the situation? hell, at least your selection process! I'm not even supposed to be giving the game away like this but I had to step in. I got some of the fellas together to tell some of their situations so I can point out what the real issues are. Then, after I've dropped a few secrets and gems on you, I'm going to tell my own story. These are stories you won't believe; a story filled with love, betrayal, deceit, friendship, failure, and of course sexual experiences that even my boys and couldn't believe we had. They are guaranteed to start a debate about who was in the wrong. Ladies don't shoot the messenger. I'm just being honest? I'm about to get Kicked Out The Player's Club for this one?.

The Education of a Wrestler

Story of Kicked Out Boss By: Henry the Friend *This is a true story of the author's eighteen years working for an American corporation established in Central Europe. It shows how an individual's private life is influenced by their professional life and how important it is to have common sense, integrity, friendship, and love in our daily lives in order to reach our true potential. Also it shows how egotistical decisions can be destructive both for the person making them as well as the people surrounding them.*

Written as a unique firsthand account, this poignant memoir of John Wheeler, the last American journalist in Cuba in the late 1960s, reveals the untold story of Cuba's struggle to reform in the early days of the Cold war. For nearly three years, Wheeler was the only U.S. reporter in Cuba and one of the few Americans to directly witness Castro's attempts at economic, political, and social reform. The real-life stories of spies, counter spies, dissidents, defectors, revolutionary patriots, Soviet journalists, and, of course, Castro himself are featured in this remembrance of the gripping international political tension that characterized the late 1960s.

The Day Grandma Got Us Kicked Out of Mexico is an expat humor book that celebrates the joys and the challenges of life as a bumbling foreigner. Drawn from The Culture Blend Blog, author Jerry Jones shares his personal stories and challenges other global people to laugh at their own.

This book is written for individuals that have felt alienated from God because the church failed. After our son was sexually molested by another member of our church, Richard and I looked to our pastors to help us navigate through trauma and pain that such an event produces. Not only were our pastors ill equipped to direct us toward healing, they were unable to express empathy or support. Their solution was a "don't talk" rule and "just forgive" directive. When these failed to satisfy us, the senior pastor stated he would "released us to find healing somewhere else." In other words, we were KICKED OUT OF CHURCH. Like so many people that have been wounded by the church or church people, our children were ready to just walk away from the church and the Lord. After all, how do you separate the two.? These were the only pastors our children had ever known. Our pastors had taught us to view the church as family. They had repeatedly reminded us, "We were in covenant relationship with the Lord and each other." Yet when life got ugly, they couldn't wait to get rid of us. How do you separate the truth from the lies after such rejection? Richard and I have a relationship with the Lord Jesus Christ that precedes our joining that church. We knew that Jesus had not treated us so coldly. We were not willing to walk away from Jesus. Yet we, too, needed to learn to separate Jesus from religious tradition and religious people. This is a recounting for that journey of learning to separate the God that loves us from the church that so often misrepresents Him. May it give you hope.

Sanctuary (Church People, Book #2) in one book, where we take a peek inside of the diary of... Selah John, a stunning 41-year-old married writer and mother who has her humdrum days shaken and stirred when she falls into a controversial emotional affair with a younger married man, who's aptly named... Paul Sinclair, a 30-year-old Lothario who shares the same first name as Selah's non-churchgoing, emotionally-unavailable husband, Paul John. Paul S has recently been appointed leader of the Tech Team ministry that Selah joins at the newly launched local branch of their 50,000-member megachurch. However... Gina Sinclair, 33 -- Paul's weary wife -- is getting hip to this next strange woman in the assembly line of ladies in her handsome husband's scope. As infuriating clues of infidelity increase along with her pregnancy hormones, Gina fights like a lioness for her marriage, and searches Google like a sleuth to uncover hints of betrayal in Selah's writing -- no longer counting on warnings from people like... Vanessa Thompson, Selah's personal prophet and "bestie," a woman who serves on the same ministry team with the "married, but not to each other" duo. As nightmarish scenarios of illicit sexual escapades play out in her action-packed lifelike dreams, providing dark and foreshadowing omens of danger to come, Vanessa's own jealousy rears its snaky head as she watches her BFF frolic in fires of lust with Paul S and leave the trio's three Musketeers-like friendship in the dust in favor of the hot duo's May-December dalliance. Mounting episodes...and one soul-baring confession followed by a severely shocking search-engine spied-out revelation rocks then restores two marriages -- and brings Selah from the brink of suicide and divorce to the heights of Hollywood success and heavenly wholeness. Episode 1: Somebody That I Used to Know "I need you both to F me," Paul S quips to Selah and Poppy, a cute multi-racial 21-year-old who is one of the youngest in a cadre of megachurch concubines enamored with the handsome and charismatic rising star. Surprised that a younger man finds her clearly as attractive as she finds him, Selah focuses her attention away from her inattentive husband at home and races full speed ahead, launching a weight-loss journey that will put her even further in her leader's vigorous line of vision. Episode 2: Cheating in the Next Room One body-rocking hug with her spiritual superior. One all-night fellowship session with the Tech Team. One cursed-out-by-her-husband Selah. Paul S is making inroads into his kind cougar's heart -- and potentially her PayPal account. So why is Poppy all of a sudden rising from the role of understudy to leading lady in Selah's movie-star mental picture of her romantic drama with him? The Things I Learned After Being Kicked Out of Church

Satan Was Beat Up, Kicked Out of Hell, and Thrown Into the Bottomless Pit.

A non-traditional children's book for 18+ because this was the only thing left we thought you'd understand...about becoming an ADULT.

Not many children are excited about visiting art museums. There are so many difficult rules to follow. For the young visitors, those rules don't mean much, thus are not easy to remember. How (NOT) To Get Kicked Out Of A Museum is a fun book about a cat who did not know the museum rules. The cat got kicked out for inappropriate behaviors such as skateboarding, climbing, and fixing paintings in the art museum. See how he learns the rules. The book is perfect for discussions about museum visitor behaviors with children.

Just when you thought that women on earth had it bad!! Got Kicked Out Of Heaven Because Of My P.M.S blends elements of farce and fantasy to provide a comedic look at a serious topic, the so-called "monthly curse." Bernadette Jackson, is a Physics student at Harvard. One day while on her way to class, she is hit by a semi-truck and killed. At the crash site, she is approached by two angels who ask her to become a guardian angel. But that wasn't the only thing that she had to deal with. Bernadette also had to deal with the effects of her holy period; which drives her into doing something that she later regrets. While in heaven, Bernadette develops an enemy named Meghan, who is a goody too shoes that does anything and everything to get on Gods good graces. Twenty-one days of the month, Bernadette can barely stand it, but for the seven she menstruates, the mere sight of Meghan nauseates her. She physically assaults Meghan, and God banishes them both to the inferno. The struggles Bernadette undergoes with Meghan in the inferno lead to two startling developments: hell can be the source of good, and PMS can be a blessing. Jesus Christ warned us about Satan when we were in a previous universe. That He would create a creature called Lucifer in Genesis & who would end up being called the dragon in Revelation. So Jesus created this universe & He mixed our Sanctified Angels who existed in a previous universe with Lucifers angels. Sheep & goats were mixed together in heaven, just like Sheep and goats are mixed up together on this earth today. Jesus created Lucifer and there were good times in heaven for a while, when Lucifer the most beautiful angel Jesus created was the highpriest, governor & prophet of God. Job 38:7" When the morning stars sang together, and all the sons of God shouted for joy?" Then God says that a political sea came out of Lucifer, from his womb & God contained it with a swaddlingband of darkness, meaning that Satan and his angels will never come out of darkness & never see the Truth or Light. Job 38:8" Or who shut up the sea {political sea} with doors, when it brake forth, as if it had issued out of the womb? 9: When I made the cloud the garment thereof, and thick darkness a swaddlingband for it. 11: And said, Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?" So we see that it was pride that the political sea of Satans heart was set upon. Now what happened was Lucifer started to wheel and deal in heaven and as a highpriest fell to filthy lucre. Just like we have seen spectacular falls of televangelists with money on earth, Satan the highpriest fell to money in heaven & started to lie and use violence to get things from the other Angels. So Lucifer's church's fell. Ezekiel 28:15-16 . It goes on to say that Lucifer was too ashamed to repent because he was too beautiful- his beauty defiled his wisdom. He decided to fight God thus the second verse in Genesis became true, chaos and darkness engulfed heaven and earth. Isaiah 14:12 " How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13: For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14: I will ascend above the heights of the clouds; I will be like the most High. 15: Yet thou shalt be brought

down to hell, to the sides of the pit." People in hell looked upon Satan in hell- Isaiah 14:9" Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations." 18: " All the kings of the nations even all of them, lie in glory (there is no fire in hell to lie in glory) every one in his own house." (Satan and his demons are beat up and kicked out of hell) 19: But thou are cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet. 20: Thou shalt not be joined with them in burial, because thou hast destroyed thy land, and slain thy people: the seed of evildoers shall never be renowned." So Satan was kicked out of heaven to the earth, kicked off the earth to hell, kicked out of hell into the bottomless pit, kicked out of the bottomless pit to earth universe again, then finally kicked into the Lake of fire forever in Revelation. Satan was cursed as the snake in Genesis to crawl on his belly and eat dust all the days of his life. What that means is that he was cursed to always do low down dirty things, crawl on his belly like pedophilia to fight the Church etc, etc, he was also cursed to eat dust, meaning he will eat frustration all the days of his life, no matter whatever he tried, he will always be frustrated, eat dust. Satan has never been to hell. And when he gets there he wont rule it. They beat him up and kicked him out. Jesus destroyed Satan's government on this earth.
