

Kid Owner

For Katherine and her three American children, Greece was meant to be a one-year refuge from the late 1930's Depression. Her husband's family-owned orchard should have provided for their well-being, but instead embroiled them in legal debate. WWII Axis bombings of Kalamata prompted the young family to flee to the remote mountain village of Katherine's birth, but Nazi invasion-and seemingly endless occupation of their village and their house-trapped them there until the war's end. Told through the eyes of John, Katherine's youngest child, he shares a universal story of fear and frustration faced by all innocent civilians during war in occupied countries. American Kid is a moving recollection of Katherine's courage, their family's sparse village existence on Mt. Paron, and years of fear-filled interactions with Nazi soldiers.

Yes, this really is a kids book about racism. Inside, you'll find a clear description of what racism is, how it makes people feel when they experience it, and how to spot it when it happens. This is one conversation that's never too early to start, and this book was written to be an introduction for kids on the topic.

From New York Times bestselling author and former NFL player Tim Green comes a riveting new stand-alone football novel about being a leader and finding your inner strength. Perfect for fans of Mike Lupica. When Ryan's estranged father unexpectedly dies, Ryan learns that he has inherited the Dallas Cowboys. With his new role as owner of this NFL team, Ryan has high hopes that he can be more than just a middle-school misfit. Maybe he can even get off the bench and into the starting lineup of his own football team. With the help of his friends Jackson and Izzy, Ryan takes advantage of his newfound stardom. He convinces his coach to use a tricky passing offense that plays to Ryan's strengths. But just when things are looking up, Ryan's nasty stepmother makes a legal play to make her own son the Cowboys' kid owner. With drama heating up both on and off the field, Ryan quickly realizes he may lose much more than just the Dallas Cowboys.

From lemonade stand to CEO...Embracing your child's dream of entrepreneurship yields practical life skills, financial awareness, and priceless rewards for the entire family. Hundreds of kids start businesses every year-and hundreds more have their dreams extinguished by well-meaning parents. But the benefits of business ownership far outweigh the fear of risk that often stands in the way of a parent's support. Drawing from more than 200 interviews and Jerry and Sarah Cook's expertise in parenting, child development, and

entrepreneurship, *The Parents' Guide to Raising CEO Kids* provides comprehensive assistance for helping your child succeed in business and life, as well as inspiration for those who wish to attain business success at any age. This integrative handbook guides parents-and their children-to turn the dreams of business ownership into tangible reality.

This interactive alphabet book featuring hand drawn artwork of cute, Theodore the Teddy Bear, helps young readers learn the alphabet with great pictures to engage and stimulate the children. Your child will love this easy reading alphabet book for children. Perfect for bedtime reading as you use this book as a learning tool to help teach your children how to learn the letters from A to Z, while enjoying the adventures of Theodore.

Written by an expert dog whisperer and dog owner, the *Kelpie Complete Owner's Manual* has the answers you may need when researching this tireless herding breed. Learn about this highly energetic, very smart, purebred and find out whether or not this outstanding working dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Kelpie 's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Kelpie, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

Brock is on the run again in New York Times bestselling author Tim Green ' s companion book to *New Kid*. Perfect for fans of Mike Lupica or Dan Gutman ' s *Baseball Card Adventure* series. With his strong left arm, Brock knows he can be a great quarterback, and with the help of his new friend, Mak, he has a plan to make the first team. But the coaches have plans of their own, especially for the kids from the

wrong side of the tracks, which is exactly where Brock now lives. As Brock is trying to fit in, his father ' s past is catching up to him—and one chance meeting causes everything to come crashing down. Will Brock finally be able to navigate his new life, or will his past force him back on the run?

From New York Times bestselling author and former NFL defensive end Tim Green comes a football story about a boy who is given a chance to prove that wealth and privilege don ' t matter on the football field, as long as he has the skills to compete. Perfect for fans of Mike Lupica! Cory has always been passionate about football. But life for him and his single mom has been hard, making it difficult for Cory to play. And though Cory is a good kid, he ' s constantly surrounded by negative influences. But when the coach from an elite private school with one of the best football programs in the country recognizes his talents on the field, Cory is presented with an unbelievable opportunity. Cory knows that football could be his ticket out. But leaving to attend private school also means struggling to fit into a world where most people look at him and just see a scholarship kid from the wrong side of town. Cory knows that if he can fight hard enough—both on and off the field—he may be able to secure a bright future that looks different from his unpromising past.

Help make good nutrition a more reachable goal by encouraging your child to take a more vigilant role in it. You have to remember that you won't always be there to watch what your child eats. That is why it is important that you train you child to choose the right foods all the time. Read a copy of this educational book today!

This goes out for all the future models and designers of the world. Make your baby girls' dreams unfold before their eyes at an early age and train them step by step in fashion with this princess dresses coloring book. You shouldn't be surprised if the next thing they do is draft designs better than seen in this book. Grab a copy now!

What thoughts crossed your mother's mind the first time she saw you? What dreams did your father hold in his heart? Told from the perspective of a baby in utero whose parents are seeing the ultrasound picture for the first time. A colorful and inspiring way to instill the message that we are each wonderfully treasured and made. Fun Fact: In early spring 2013, while putting socks on her newest daughter's feet, the author Ruth spoke out loud, "Look at those toes, where will they go?" In a moment of sheer inspiration, she grabbed her eldest daughter's Tinkerbell notebook, and between folding laundry and scrambling eggs, wrote the manuscript for this book.

"When Ryan learns his estranged father left him the Dallas Cowboys in his will, it is all Ryan can do to keep his dad's other son from snatching the team away"--

From the Dynamike Series: It's almost Thanksgiving, and Dynamike's friends are dreaming of all the delicious foods they'll be eating. But Dynamike is depressed because he won't be celebrating with a big feast this year. Just when he thinks his Thanksgiving is ruined, Dynamike gets something to really be thankful for. It is easy to get caught up in the festivities of Thanksgiving and forget that not everyone is fortunate enough to celebrate. But Dynamike: Friendsgiving reveals how thinking about others at Thanksgiving can give everyone more to be thankful for.

A child compares pets in this silly look at cats and dogs. "My cat can sleep. My dog can sleep. My cat can sleep on top of my dog." Simple sentences and whimsical illustrations are ideal for toddlers, preschoolers, and beginning readers.

Bunnies are cute and oh-so-fluffy! It's no wonder kids want to have them as pets! But keeping a bunny is not easy. They have special requirements that you should learn about so that your relationship with your pet will be healthy. Go over the pages of this book and learn all about your pet bunnies. Good luck!

Teaching a child to tell time is quite challenging. How can you put into words a good explanation as to why numerals are to be read in many ways? When introducing the concept, start with the use of an analog clock because it gives the concept of change through the moving hands. This educational book is perfect for little learners. 19th Century Idaho Farm Life

Extreme Ownership

Alphabet ABC Books for Kindergarten Kids

The Dry Creek Chronicles offer a window onto the daily lives of Idaho families who owned and worked the land in the Dry Creek Valley and Green Meadow, southwestern Idaho, from 1863 to 1900. Two nineteenth century farming communities, one in the creek valley and one on the floodplain of the Boise River, forged an enduring social bond through marriage and shared economic fortunes in similar environments. Over the course of forty years, however, their destinies diverged: one remained rural for more than 150 years, while the other became a settled part of nearby Boise City. This is the story of the families who created those communities.

Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

At Last! A Beginner's Guide to Toddler Technology Just when you've mastered your infant's maintenance routine, he begins to malfunction, refusing fuel, crying inexplicably, and resisting your attempts to clothe him. Your infant has upgraded to a toddler! But how can you master your toddler's changing technology? Through step-by-step instructions and helpful schematic diagrams, The Toddler Owner's Manual explores hundreds of frequently asked questions: How should I react when my toddler throws a tantrum? How do I

train my toddler for self-waste disposal? Whatever your concerns, you'll find the answers here—courtesy of pediatric psychologist Dr. Brett R. Kuhn and co-author Joe Borgenicht. Together, they provide plenty of useful advice for anyone who wants to learn the basics of toddler care.

Life As a Laundromat Owner

An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, Extreme Ownership shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, Extreme Ownership revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

The Adventures of the Reptile Kid By: Noel Rawle The adventures of Patti Doherty, AKA "The Reptile Kid," are teemed with mischief, intrigue, and fool-hardy endeavors. Although his escapades only occurred in three counties in Ireland, his deeds and misdeeds are

legendary. His ex-girlfriend often noted that trouble always seem to follow anywhere that reptile dared go. He lived off his wits, reveling in being a walking contradiction to the norm with dating exploits and spiteful quirks, much to his family's dismay. Yet to some he was seen as a modern day Robin Hood. His cousin, Benefubble, despite his virtuous nature, married The Reptile Kid's ex-girlfriend and caused a rift between them. However, Benefubble still remained relentless in telling the kid how foolish and convoluted his aspirations were. At times, he even felt like the Sancho Panza to Don Quixote. In the end, it will be the kid's tortured victim, Mrs. Glynn, who will be his savior. New York Times bestselling author and former NFL defensive end Tim Green delivers another baseball tale that will keep kids on the edge of their seats. Perfect for fans of Mike Lupica or Dan Gutman's Baseball Card Adventure series. Tommy's the new kid in town, like he's been so many times before. Now he goes by the name Brock, and he's having a hard time fitting in, especially when his new friend is the bully from the wrong side of the tracks. Thanks to a prank gone wrong, the baseball coach notices Brock and offers him a place on his failing baseball team. But can Brock prove himself on and off the field before he becomes a new kid...again?

So you want to own a Laundromat but don't know where to start. This book is the first in a Series that covers the basics of a Laundromat to help you develop a better understanding of the dynamics of store setup and operation. Clear explanations of industry terms and examples from actual stores provides a solid foundation to start your own Laundromat business.

It is an activity well-loved because of its many benefits, especially the formation of essential life skills like patience, determination control and self-confidence too. Control your child's fear of the dentist; grab a copy of this coloring book today!

An inspiring and deeply personal coming of age memoir from one of Silicon Valley's youngest entrepreneurs—a second-generation Latino immigrant who taught himself how to code as a thirteen-year-old and went on to claim his share of the American dream. As his parents watched their restaurant business collapse in the wake of the Great

Recession, Michael Sayman was googling “how to code.” Within a year, he had launched an iPhone app that was raking in thousands of dollars a month, enough to keep his family afloat—and in America. Entirely self-taught, Sayman headed from high school straight into the professional world, and by the time he was seventeen, he was Facebook’s youngest employe ever, building new features that wowed its founder Mark Zuckerberg and are now being used by more than half a billion people every day. Sayman pushed Facebook to build its own version of Snapchat’s Stories and, as a result, engagement on the platform soared across all demographics. Millions of Gen Z and Millennials flocked to Facebook, and as teen engagement rose dramatically on Instagram and WhatsApp, Snapchat’s parent company suffered a billion-dollar loss in value. Three years later, Sayman jumped ship for Google. App Kid is the galvanizing story of a young Latino, not yet old enough to drink, who excelled in the cutthroat world of Silicon Valley and went on to become an inspiration to thousands of kids everywhere by following his own surprising, extraordinary path. In this candid and uplifting memoir, Sayman shares the highs and lows, the successes and failures, of his remarkable journey. His book is essential and affirming reading for anyone marching to the beat of their own drum.

From New York Times bestselling author Tim Green comes a captivating baseball story about one brave boy’s search for a miracle. Perfect for fans of Mike Lupica. Ever since Ryder could remember, it's always been just Ryder and his mom. But in one day, everything changes. Ryder's mom is in the hospital fighting for her life after being struck by a truck while crossing the street. When he learns that his mom will need an expensive operation to survive, he steps up to the plate. Ryder finds in his mother's closet a letter and a baseball signed by a Major League Baseball player, and he's sure the signature is his father's. So with this clue and the help of his next door neighbor and a New York City firefighter, Ryder goes on an epic quest to find his father and get the support he needs to save his mom. But will everything fall into place in time, or will Ryder become a lost boy forever?

The book covers many topics, including unconditionally secure RFID systems, dynamic RFID tag authentication, RFID ownership transfer, fingerprinting RFID tags, and secure RFID-supported supply chains.
