Siblings Hocus and Pocus, students at a magical school, investigate the strange disappearance of Snow White's seven cousins, in a book where the reader's decisions determine the end of the story.

Comics artist Mark Leiknes delivers a laugh-out-loud story set in a fantastic world of dragons, rock creatures, and golden loungewear. The Quest Kids are ready for their first real quest. This time, they won't oversleep, they won't be put off by a little rain, and they won't accidentally burn down the village that hired them. All they have to do is find the Golden-Fleeced Rage Beast, shave it, and make a really nice golden tracksuit to appease a furious dragon. Simple, right? Meet the Quest Kids crew: Gil, a wizard (well, wizard in training . . . the beard isn't his); Terra, a 700-year-old elf kid; Boulder, a rock troll who is more of a cook than a fighter; Ash, a flatulent pig-dog-maybe-lizard hybrid; and, Ned, the intrepid and overly optimistic leader with his own personal quest to find his missing parents.

With humor, magic, mystery, and at least one acid swamp filled with skeletal alligators, Quest Kids and the Dragon Pants of Gold is a richly illustrated saga of fantasy friendship for readers from all kingdoms!

In a medieval age of chivalry and sorcery, you've been training hard to become a knight. Now the king has a mission for you: carry a message of the utmost importance to the leader of a neighboring country. But traps and enemies will be numerous on your route! Forge your weapons to make them more powerful, win points collecting magical cards, be victorious in battle, and advance through the levels to become strong enough to bring your mission to a successful end.
HERE'S HOW TO PLAY:
• To begin your quest, select your character.
• Numbers are hidden in every panel. Decide where you want to go next, and then flip to the panel with the matching number.
• Solve puzzles, collect supplies, and defeat enemies in your quest for success. If you succeed, you may be knighted!

For generations, the elves sought a safe haven against all who would do them harm. But the dream that Chief Cutter and his Wolfriders fought and died for, the Palace of the High Ones, may be the very thing destroying them. The skills that helped them survive the harsh world are fading, and there is a growing threat from a tyrant obsessed with exterminating all elves--creating a disastrous brew that must surely boil over. Volume 1 collects Wendy and Richard Pini's sixty-page special and the first six issues of The Final Quest, the newest adventures of the Wolfriders! "Even with a bit of a slowdown in pace, Wendy and Richard Pini's "Elfquest: The Final Quest" is a pleasant read. And with the setup for what's to come next time, I'm looking forward to seeing them in "60." as the old issues' letter-column liked to state things. I suspect readers who made it this far will agree." - Comic Book Resources "Elfquest is just one of those stories that you never want to end. It's so visually pleasing, I would be totally down for a virtual game or even just a tour of the palace. So yet again, Elfquest scores a five out of five." - Comic Bastards "Wendy Pini's art is as strong as it ever was, and we feel for the characters as they move forward in time and in their individual lives. The scripting augments the beautiful art so very well! If you're looking for some engaging fantasy, don't miss Elfquest: The Final Quest! It's something special and will pull you in from the first time you read it!" - Major Spoilers

*Dog Man meets the Lord of the Rings in this laugh-out-loud graphic novel debut about two aspiring adventurers who face off against startling ghosts, rampaging monsters, and bumbling wizards. Matt Braly, creator of Disney's Amphibia, proclaims Kitty Quest is "an absolutely charming story that had me chuckling the whole way through. I couldn't put it down!" Woolfrik and Perigold are two down-on-their-luck kittens in need of some extra cash, so they've decided to become professional monster slayers. Except they don't know the first thing about it! So when a huge beast starts rampaging through town, they are put to the ultimate test. Fortunately, the duo accidentally awakens a ghost named Earl Mortimore, who is the last not-so-living member of an ancient guild of warriors, and he's going to teach them everything he knows. But the monster is just the beginning of their worries, because someone even more troublesome is pulling its strings. So even though they've never been in a battle--or even gone on a real quest before--it's up to these kittens to save the day and prove they've got what it takes to be heroes.*
