Cooks: A Cookbook

Easy recipes for beginning bakers. The majority of recipes in this kids' cookbook focus on sweets, but there are savory recipes, too, including a section for pizza.

Comfort classics with a lighter spin, from the creator of the healthy-eating blog Well Plated by Erin. Known for her incredibly approachable, slimmed-down, and outrageously delicious recipes, Erin Clarke is the creator of the smash-hit food blog in the healthy-eating blogosphere, Well Plated by Erin. Clarke's site welcomes millions of readers, and with good reason: Her

recipes are fast, budget-friendly, and clever; she never includes an ingredient you can't find in a regular supermarket or that isn't essential to a dish's success, and she hacks her recipes for maximum nutrition by using the "stealthy healthy" ingredient swaps she's mastered so that you don't lose an ounce of flavor. In this essential cookbook for everyday cooking, Clarke shares more than 130 brand-new rapid-fire recipes, along with secrets to lightening up classic comfort favorites inspired by her midwestern roots, and clever recipe hacks that will enable you to put a healthy meal on the

table any night of the week. Many of the recipes feature a single ingredient used in multiple, ingenious ways, such as Sweet Potato Boats 5 Ways. The recipes are affordable and keep practicality top-of-mind. She's eliminated odd leftover "orphan" ingredients and included Market Swaps so you can adjust the ingredients based on the season or what you have on hand. To help you make the most of your cooking, she's even included tips to store and reheat leftovers, as well as clever ideas to turn them into an entirely new dish. From One-Pot Creamy Sundried Tomato Orzo to Sheet Pan Tandoori

Chicken, all of the recipes are accessible to cooks of every level, and so indulgent you won't detect the healthy ingredients. As Clarke always hears from her readers, "My family doesn't like healthy food, but they LOVED this!" This is your homey guide to a healthier kitchen.

Known as much for her youthful looks and natural chic as she is for her sunny and heartfelt songs, Sheryl has written a cookbook that is true to her style Rock star. Activist.

Mother of two. How does Sheryl Crow have time to keep so healthy and fit? Sheryl knows how to eat right and deliciously thanks to personal chef Chuck White, affectionately known as "Chef Chuck." The duo met while Sheryl was battling breast cancer, which for her, was a wake-up call to eat better. Since then, Chuck has taught Sheryl how to do just that by cooking foods that are seasonal, locally grown, and vitamin-rich to keep her on top of her game and always ready to perform. This wholesome

approach to every dish has been successfully integrated into all aspects of Sheryl's busy life—from dinner parties, to touring, to settling in at home near Nashville, TN with her two sons, Wyatt and Levi. Now Sheryl and Chuck want to bring their nutritious, delicious creations from her kitchen into yours. Rock-and-roll flavored throughout, If It Makes You Healthy will have a full menu of approximately 125 recipes grouped seasonally, which reflects Sheryl's busy schedule: Summer months offer tomatoes and corn, and summer also puts Sheryl on the road. Fall and winter brings apples and winter squash, when Sheryl is at home and in the studio. From the big entertaining menus that are prepared for her crew while touring (Mojito braised pork) to small home-cooked meals for Sheryl and her children (basil

You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any

cheese?...'" --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine L'Express drew 1.8 million views--a record since the site was created. And her comic has just been picked up by The Guardian. Many women will recognize
