them are inadequate in that they are either outdated or written for an American audience. Some of them are just plain wrong and unhelpful. This is the only book available which is focused entirely on how to pass the

**ABOUT THE BOOK**

*Page 38/282*

**You, or somebody you know, has likely purchased something from Jeff Bezos' company. He is one of the rare businessmen who has been able to successfully launch and grow a company of such wide use and**

**dominance that  
it's hard to  
imagine American  
life without its  
existence. This  
company is  
Amazon.com, the  
world's largest  
online retailer. A  
multinational  
company  
headquartered in  
Seattle,**

**Washington,  
Amazon.com  
initially started out  
as an online  
bookstore but  
quickly expanded  
into a general e-  
commerce site.  
Under Bezos'  
vision and  
leadership, it now  
sells everything  
from music CDs to**

**groceries and children's toys. It's not hard to understand why the company has been so successful. Launched in 1994, right around the time when the Internet became widely used by the average American,**

**the site offers busy individuals who don't have the time to physically shop at stores the ability to get everything they need in one place. MEET THE AUTHOR Based in the San Francisco Bay Area, Karen Lac has been**

**writing since 1999. Her articles have appeared in print in “The Occidental Weekly.” Her writing reflects her broad interests. She writes travel, entertainment, political commentary, health, nutrition, food, education,**

which he thought
