The Fire HD Kids' Edition is a full Amazon Fire HD tablet - no features or hardware have been stripped out or reduced. However, its user interface, called Fire OS, has been

We started with American evidence--an unparalleled resource unique to Oxford. Our staff logged more than 50 editor-years, checking every entry and every definition. Oxford's ongoing North American Reading Program, begun in the early 1980s, keeps our lexicographers in touch with fresh evidence of our language and usage--in novels and newspapers, in public records and magazines, and on-line, too. To provide unprecedented clarity, the entries are organized
