The Kindle Paperwhite has been the best Kindle for most people since 2015 when Amazon last updated it with a screen that was nearly on par with the high-end Voyage and Oasis models at just a fraction of the price. Today, Amazon has updated the Paperwhite again, adding new features that were introduced with the second-generation Oasis, including waterproofing and support for Audible audiobooks in a lighter and thinner package. Nearly every aspect of the new Paperwhite is better. The screen is now flush with the front in a seamless sheet of glass - just like the now-defunct Voyage offered - there are more LEDs for the illuminated display, and storage has been doubled on the base model to 8GB, with another model offering 32GB of storage. There's support for Audible audiobooks over a connected pair of Bluetooth headphones or speakers, just like the Oasis. In this book the author has made it simple for anyone with the Kindle Paperwhite to master their device in just an hour. Here is a preview of what you will learn: -Checking out books and purchasing them on the Kindle store-Enhancing your reading experience on your device-How to download and install app on your Paperwhite-Transferring books from computer to your Kindle Paperwhite-The Parental control feature-Kindle cloud reader-Navigating the Paperwhite Home screen-How to transfer books from an android device to your Paperwhite-How to use the Experimental Browser-Goodreads Recommendations-Creating a correction-How to Play audible books-How to remove a book from your Paperwhite-How to delete books from your device-Amazon Household-Troubleshooting common Kindle Paperwhite Problems-Much, much, More! One of the best parts of buying an eBook from Amazon is the syncing. You can read on your Kindle Paperwhite, and then the Kindle app on your phone and pick-up exactly where you left off. It's what digital reading should be all about. I thought this synchronization was only possible with eBooks you bought from the Kindle store, but I'm happy to admit I was wrong, you can do this with almost any eBook, whether you got it from Amazon or not. So, in this piece, I am going to show you how to simply send a single eBook to multiple Kindle devices and apps, and a lot more so you can read it seamlessly. Strap yourself in! An e-reader is a device that allows you to take digital content and put it on a portable device. One of the most popular readers on the market is the Amazon Kindle. There are many different versions of the kindle but the newest and more exciting version is the Kindle Paperwhite. With the Paperwhite you will be able to read Amazon Kindle Books as well as many other types of documents. In this book we will explore the Kindle Paperwhite, show you how to set it up, personalize it for your own reading experience and even find amazing content that goes far beyond the Amazon Library. So if you are looking for an upgraded device from your previous kindles or if you are getting your first kindle ever then you need to read this book and learn what you can do to get started with your Kindle Paperwhite.

An exciting journey through the huge - and varied - world of the Amazon Kindle Paperwhite! The Kindle Paperwhite is an incredibly useful, versatile piece of technology, considered both on its own and as an e-reader. In previous eras, large libraries could occupy entire massive buildings, and it could be expensive and inconvenient for individuals to collect large numbers of books. The Paperwhite, on the other hand, is like an entire library's worth of knowledge that can fit in your backpack, briefcase, or purse! It's certainly no wonder why e-readers have been surging in popularity these days. But as with all new technologies, no matter how advanced they may be or how convenient they might be, you need to know how to use them to really make the most of them. Would you like to know how to listen to audiobooks? Do you want to know how to set up parental controls? And would you like to make your e-reading experience as safe as possible, while also taking advantage of the insurance provided by the Paperwhite's waterproof features? Then this book is exactly what you are looking for! It doesn't matter if the Paperwhite is your very first e-book reader, you've used other e-readers before, or if you're an expert or veteran with e-reader technology--Amazon Kindle Paperwhite will have something that might help you. Within these (digital) pages you'll find easy-to-understand explanations and descriptions of your machine's abilities, functions, and protocols. There won't be any technical jargons or convoluted lists in here, just quick, lucid advice that will either get you from newbie-level to expert e-reader very quickly or ensure you remain an expert with e-reader devices like the Paperwhite. This book also contains several pictures to help with understanding the included instructions and avoiding any problems.

This Book Contains... Explanations of the Kindle Paperwhite's layout, what its various buttons do, and how to manipulate the screen
Tips and advice on keeping your Kindle safe and secure Explanations on how to resize text, brighten the screen, and generally make e-reading more pleasant and convenient Walkthroughs on connecting to the Internet with your Paperwhite, buying digital books with it, and other online activities Descriptions and explanations of several Kindle Paperwhite accessories, such as chargers and cases
Troubleshooting commonly encountered problems with the Paperwhite Activating and interacting with Paperwhite related programs and bonus features
Tips on getting free ebooks from various sites, while remaining safe and cautious Activating audio features, particularly usage of audiobooks, with your Paperwhite And much more! Would you like to know more? Scroll up to the top and hit that BUY BUTTON

Digital technologies have become a part of our lives. Traditional book reading and library culture are gradually transformed with the help of new technologies. These days some people appreciate the versatility of conventional Tablets while others make their choice for dedicated reading devices - electronic books. * Why read a book on a laptop computer or smartphone? * Are you sure that you selected the right type of device. * What is Kindle and a Kindle Reader? * What are the technical specifications of Kindle Reader or Kindle Fire? * How much time was working the device from Amazon? * You're confused about the gift you want to get to your friend, who also happens to love books, but you're at odds about what to buy him? * Do you wish to instill in your child a love for reading, but afraid to do so by using the tablet since you're worried about his possible health issues? * Want to buy a reader based on e-paper or tablet from Amazon? * You do not have time to go to bookshops, but want to keep abreast of new books? Take personal time more usefully, and download the latest product from the online store Amazon. Well, not to be mistaken with the choice of the reader, be sure to read this book. On these and other questions, I tried to answer in this book.
