*This book explores how corpus linguistic techniques can be applied to close analysis of videogames as a text, particularly examining how language is used to construct representations of gender in fantasy videogames. The author demonstrates a wide array of techniques which can be used to both build corpora of videogames and to analyse them, revealing broad patterns of representation within the genre, while also zooming in to focus on diachronic changes in the representation of gender within a best-selling videogame series and a Massively Multiplayer Online Role Playing Game (MMORPG). The book examines gender as a social variable, making use of corpus linguistic methods to demonstrate how the language used to depict gender is complex but often repeated. This book combines fields including language and gender studies, new media studies, ludolinguistics, and corpus linguistics, and it will be of interest to scholars in these and related disciplines.*

*The debut novel from the author of *Summer at Gaglow*, called "a near-seamless meshing of family feeling, history and imagination" by the *New York Times Book Review* *Escaping gray London* in 1972, a beautiful, determined mother takes her daughters, aged 5 and 7, to Morocco in search of adventure, a better life, and maybe love. *Hideous Kinky* follows two little English girls -- the five-year-old narrator and Bea, her seven-year-old sister -- as they struggle to establish some semblance of normal life on a trip to Morocco with their hippie mother, Julia. Once in Marrakech, Julia immerses herself in Sufism and her quest for personal fulfillment, while her daughters rebel -- the older by trying to recreate her English life, the younger by turning her hopes for a father on a most unlikely candidate. Shocking and wonderful, *Hideous Kinky* is at once melancholy and hopeful. A remarkable debut novel from one of England's finest young writers, *Hideous Kinky* was inspired by the author's own experiences as a child. Esther Freud, daughter of the artist Lucian Freud and great-granddaughter of Sigmund Freud, lived in Marrakech for one and a half years with her older sister Bella and her mother. *Hideous Kinky* is now a major motion picture starring Kate Winslet ("*Titanic*," "*Sense and Sensibility*").*

Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney’s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. Kinky Sex Tips For Curious Girls provides a fun, shame-free introduction to kink and BDSM, modeled after the activity books you loved as a kid. It mixes solid advice about kink and BDSM with puzzles, games, and coloring pages. Each chapter is based on the most commonly asked questions Natasha is asked when coaching women who are new to exploring kink and BDSM. In addition to the kinky activities and color pages, there is a template for a modern day slave contract (yes, including options for people with real life obligations like work and kids) as well as pair of negotiation forms similar to the one Natasha uses when taking in new clients. Whether you are just trying to spice things up a little - or dive in deep - this book will help you understand yourself and your partner - while providing hours of entertainment! Natasha Strange has been a professional dominatrix since 1995, specializing in creative sadistic escapism. Offering sessions in a wide variety of disciplines, she has cultivated a deep understanding of what draws people to kink. Miss Strange loves deep and longer term relationships with submissives above all else she can truly invade their brain and bring their kinks to life. She believes that most people who indulge in kink and BDSM are searching to fulfill emotional needs. As a dominant she uses those emotional goals as a guide when addressing physical desires. She is well known for her love of sissification and emasculation, and love

As the co-owner of Sub Rosa, a fully equipped boutique fetish space located in Portland Oregon, she and her business partner, Mistress Viola Parker, strive to create an inviting space for others to learn and practice safe, sane, consensual kink and BDSM. A story featuring the foul-mouthed Kinky Friedman, ace private eye. Little old ladies are dropping dead at an alarming rate in the vicinity of the family's ranch/summer camp in Texas, and Kinky is asked to investigate. A faded photograph of ten pretty girls is just the clue he needs.

The Mile High Club is a novel of intrigue, irreverence, international terrorism, humor, suspense, and cross-dressing, in which the intrepid Kinky Friedman gets more than his leg pulled when he encounters a mysterious vamp on an airplane. It all starts with a casual flirtation, two people on a flight from Dallas to New York. She is gorgeous and mysterious; he is a private detective. When the plane lands, the detective -- our hero Kinky Friedman -- finds that he's been left holding the bag,

this case literally holding a bright pink cosmetic bag. The mysterious woman, having asked the Kinkster to watch her luggage while she visits the dumpster, has taken a powder and somehow has vanished. Confident that he'll find the mysterious woman again, Kinky holds on to the bag. Sure enough she does turn up, but not before Kinky has excited the interest of an array of "suits" from the State Department, been party to a thwarted kidnap attempt by Arab terrorists, and found a dead Israeli agent parked on the toilet of his downtown Manhattan loft. Employing the able-bodied assistance of his usual sidekicks, the Village Irregulars, Kinky eventually gets to the bottom of all the comings and goings and comings and many visitors to his loft -- including two late-night visits by the mysterious, and suddenly affectionate, woman from the plane and one not-so-late visit by her ardent brother. Before it's over, the bag is gone. Despite the many comparisons made by the critics, citing his resemblance to one great writer after another, the truth is no other writer combines intriguing mystery with bawdy one-liners quite like Kinky Friedman. Alternately raunchy, offbeat, and hilarious, *The Mile High Club*, complete with a surprise ending, is Kinky at his very considerable best.
