Feeling a deep and

soon finds himself

Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles

while searching for a

when Arthur learns the

Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
