

## **Kotler And Armstrong Principles Of Marketing 13th Edition**

This book offers the most current applied, resourceful and exciting text for the introductory marketing course. An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

For the Principles of Marketing course. The comprehensive, classic principles text organized around an innovative customer-value and customer-relationship framework.

Marketing has gotten more global, and there is a need to develop marketers who understand marketing in the right context. Principles of Marketing: A Global Perspective seeks to do just that by exposing your students to a wide variety of contexts - whether international or from within Asia - that are presented in the cases, examples and vignettes. To help students to better relate what they are learning to their daily lives, examples comprising recognizable brand names and companies are used. Together with the use of strong visuals, students will find the text an exciting read - motivating and creating in them an interest in marketing. At the same time, non-native speaking Asian students will appreciate the concise language and visual learning aids included to help them grasp marketing concepts easily. Principles of Marketing:

A Global Perspective provides a good coverage of contemporary marketing issues like the use of technology in marketing and marketing ethics.

This accessible overview helps learners master the basic principles and practices of modern marketing in an enjoyable and practical way. Its coverage balances upon three essential pillars—(1) theory and concepts; (2) practices and applications; and (3) effective learning tools. A four-part organization details topics under the headings of: understanding marketing and the marketing management process, assessing opportunities in a dynamic marketing environment, developing marketing strategy and the marketing mix, and extending marketing. For individuals interested in taking an intriguing, discovery-filled journey to the business of marketing—in sales forces, retailing, advertising, research, or any other
