He knows just how to make her forget her fear of flying... a sexy new story from USA TODAY bestselling author Jennifer Blackwood... As an Air Marshal, I have two rules: keep everyone safe and always remain professional. But when I take a seat next to the hot blonde in 7B, I can only promise one of those things. Abby Winters and her uptight librarian attire are more than a little distracting. And when she grabs onto me during turbulence—all bets are off. A mile-high hookup is great, but what happens when we land and neither of us wants to walk away...

If you want to know what really happened once upon a time, ask Briar Blackwood. Nearly sixteen, cynical and goth, Briar lives a less-than-fairytale life in the home of her rotten foster mother and snarky foster sisters. With her biting wit and deadpan demeanor, the other kids call her Queen of Darkness. All the better for keeping everyone at arm's distance, she thought. But now she's screwed up by seriously and inconveniently crushing on the most popular guy at school. And if that isn't sucky enough, Briar finds herself suddenly thrust into a hidden bloodthirsty world, filled with dark magic, curses, and poisoned spinning wheels where she learns the deadly truth of her identity and the reason she's never fit in. Can she truly be the fabled Sleeping Beauty? Or has she finally cracked? And, hello! Aren't elves and fairies supposed to be dainty and adorable? If she wanted to deal with drooling, snapping jaws she could have stayed at home. Now she has to rescue the gorgeous guy that may be her one true love, and stop a wicked queen bent on destroying her. Luckily, being a bad-ass has its perks.

With an uncontrollable power rising within her, no one knows for sure if Briar has a happily-ever-after future. But if she can handle the mean-girl clique at school, she can damn well go toe-to-toe with ogres, wolves and wicked witches.

Blackwood's Magazine

**Blackwood's was the most important and influential literary-political journal of its time, and a major institution not just in Scottish letters, but in the development of British and American Romanticism. Intemperate in political polemic and feared for its literary assassinations, the magazine became just as notorious for the shocking power of its fictional offerings. These set a new standard of concentrated dread and precisely calculated alarm, and were to establish themselves as a landmark in the development of the short magazine story. The influence of Blackwood's quickly reached many major authors, including Dickens, Emily Bronte, Robert Browning, and Edgar Allan Poe.**

*A Secret Bloodline to Steer the Course of Destiny For fans of The Alchemist -- An explosive true story which will stay with you forever. 603 AD: Who are the Secret Bloodline? My story begins in Medieval Britain, in the year AD 603, with the Holy Sword Excalibur being returned to me as promised by my grandson, the good King Arthur. I am The Lady of the Lake, and I bring you this prophesy: your life will be changed forever once you find the truth hidden within these pages. 2010 AD: Where Are They Now? I'm an engineer; I don't believe in ghosts and spirits. Yet since that night in Spain, when Mum appeared to me in a vision, something has awakened inside me and I'm restless to find answers. So here I am in Scotland, in search of buried treasure with my beloved knight by my side. I sense that Mum is still present, reminding me that her message is urgent. Yet despite everything that has happened, it still hasn't occurred to me that I've been sent on a quest to find King Arthur's Holy Grail. As the Seven Seals are opened and their secrets are slowly revealed, I discover that this life is not what I've been led to believe. What is the Great Plan? Chariots of the Gods, a ground breaking classic, provides irrefutable proof that Earth has been visited repeatedly by advanced beings from other worlds. Did the rhesus (RH) negative gene come from an evolved race? Is there a secret destiny for descendants of this rare bloodline? Flames of Love: Truth of the Holy Grail is the first in a planned trilogy to unveil the 'Great Plan' for humanity, and discloses the roles played by the Holy Bloodline, King David and Solomon, Jesus and King Arthur, and the Roman Catholic Church. Intertwines actual events with factual research in a quest for answers: Who are the Secret Bloodline? What is their relevance today? Is there a great plan for our evolution? Why does the Roman Church fear women? Who are God and Elohim? What does this mean to the world? A conscious and literal work of alchemy to challenges the reader beyond man-made constraints, which limit further growth. This unique and thoroughly original manuscript is a tool to prepare humanity for the very imminent next stage in our evolution. The reader will be empowered to: Awaken untapped potential. Expand the boundaries of conscious thought. Experience enlightenment and mindfulness. Explore the possibility of purpose and destiny. Embody an advanced level of human-being. Based on an explosive true story which will stay with you forever. Get it now*

**Separated from the rest of the world and shrouded in mystery, the small village of Blackwood lives in constant fear of the dark forest that surrounds them. As soon as the sun sets and shadows start to gather over the houses, shrieks and howls can be heard from within the trees. Nobody is quite sure what or who lives within Blackwood Forest, but what is known is that all manner of evil resides inside. Because of this, the adults in the village stay as far away from there as possible; however, the youth of Blackwood is far braver. Mare, Maria, and Ester are three young inhabitants of the village who are desperate to find themselves in the stuffy and rigid community they live in. Each decides to brave into the forest and team up with one of the mysterious creatures that lives inside to make their wildest dreams come true. But just because not every monster is evil doesn't mean that every monster is good. Some are there to bond and protect the children; others are there to create havoc and mayhem. Will the youth of Blackwood survive the creatures of the forest, or will they fall into their clutches? Will they discover their true selves, or will they disappear into the forest forever? The answers lay waiting to be discovered inside of Blackwood Forest.**

**Two years ago, the medical world was shaken by scandal, and Payton Daniels's family was at the center of it. The second she graduated, Payton left everything behind—her high school sweetheart, her family, and the controversy surrounding her mother's death—and hid within the anonymity of college. But Payton's ex, Blake Hiller, hasn't forgiven her for leaving, and when he enrolls in the same medical ethics class, she panics. She can't run the risk of him telling everyone who she really is. As if being at the same university isn't enough, both Blake and Payton land the same internship. Forced together, their passion for each other reignites, but when Payton is asked to testify in her father's high-profile trial, she must choose between risking her acceptance into medical school to help her father, and losing every connection to her past—including the only guy she's ever loved.
