“Powerful and raw, harrowing, and un sentimental.” —Washington Post Book World “Chilling, completely credible...[An] absolutely gripping story.” —Chicago Tribune “Mr. Lehane delivers big time.” —Wall Street Journal In Gone, Baby, Gone, the master of the new noir, New York Times bestselling author Dennis Lehane (Mystic River, Shutter Island), vividly captures the claustrophobia of working-class Boston. A gripping, deeply evocative thriller about the devastating secrets surrounding a little girl lost, featuring the popular detective team of Patrick Kenzie and Angela Gennaro, Gone, Baby, Gone was the basis for the critically acclaimed motion picture directed by Ben Affleck and starring Casey Affleck, Ed Harris, and Morgan Freeman.

Having survived a camping trip with the Photography Club, a group whose main extracurricular activity is offering its sexual services to the student body, Takashi Tono is suddenly thrust into the club's next group excursion—a summer hot springs retreat! Meanwhile, even the club's veterans of debauchery can't escape the worst fate of all—true love -- VIZ Media “Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to you.”

Forgetful Remembrance examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events. The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north-eastern counties of the Irish province of Ulster, where loyalist and republican Presbyterians — repeatedly tried to repress over two centuries discomfiting recollections of participation, alongside Catholics, in a republican rebellion in 1798. By exploring a rich variety of sources, Beiner makes it possible to closely follow the dynamics of social forgetting. His particular focus on vernacular historiography, rarely noted in official histories, professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance, which were masked by a local culture of reticence and silencing. Throughout Forgetful Remembrance, comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases of social forgetting.

*Businesses today want actionable insights into their data—they want their data to reveal itself to them in a natural and user-friendly form. What could be more natural than human language? Natural-language search is at the center of a storm of ever-increasing web-driven demand for human-computer communication and information access. SQL Server 2008 provides the tools to take advantage of the features of its built-in enterprise-level natural-language search engine in the form of integrated full-text search (iFTS). iFTS uses text-aware relational queries to provide your users with fast access to content. Whether you want to set up an enterprise-wide Internet or intranet search engine or create less ambitious natural-language search applications, this book will teach you how to get the most out of SQL Server 2008 iFTS: Introducing powerful iFTS features in SQL Server, such as the FREETEXT and CONTAINS predicates, custom thesauruses, and stop lists Showing you how to optimize full-text query performance through features like full-text indexes and iFilters Providing examples that help you understand and apply the power of iFTS in your daily projects*

*Tonino Valerii is one of Italy's best genre film directors. Starting out as Sergio Leone's assistant on For a Few Dollars More (1965), he went on to direct spaghetti westerns that stand out among the most accomplished in their class—Day of Anger (1967), The Price of Power (1969), A Reason to Live, a Reason to Die! (1972) and My Name Is Nobody (1973). He also directed the outstanding giallo My Dear Killer (1972). This book examines Valerii's life and career in depth for the first time, with exclusive interviews with the filmmaker, scriptwriters and actors, and critical analysis of his films.*

*Pray the cops find you first... Imagine Elmore Leonard behind the wheel of a car in Grand Theft Autos one Italian woman sets out to cut the mafia down to size -- one limb at a time... Two perfectly matched gangs are fighting for control of the north-east Italian region of Venetia. But a formidable young woman with vengeance on her mind has plans to upset the balance. Abandoned by her mother and violated by a gang of criminals just after they slaughtered her father, Mila Zago is a cold-blooded killer, a deadly assassin. Brought up by her grandfather on the Sette Comuni plateau under a rigid martial code, she returns home to seek her revenge, conspiring to create a spectacular showdown reminiscent A Fistful of Dollars. The Ballad of Mila is the first novel in an ongoing series focused on the formidable female Italian bounty hunter Mila Zago, a.k.a. Red Dread. As well as being shortlisted for the Premio Scerbanenco / La Stampa prize, it won the Premio Speciale Valpolicella 2011, and in its graphic novel format was awarded the the Premio Leone di Narnia as "Best Italian comic book series of the year".*

*Before Pornography explores the relationship between erotic writing, masculinity, and national identity in Renaissance England. Drawing on both manuscripts and printed texts, and incorporating insights from modern feminist theory and queer studies, the book argues that pornography is a historical phenomenon: while the representation of sexual activity exists in nearly all cultures, pornography does not. The book includes analyses of the social significance of eroticism in such canonical texts as Sidney's Defense of Poesy and Spenser's Faerie Queene.*

Soon to be a major motion picture starring Adrien Brody and Salma Hayek In the aftermath of the Iranian revolution, rare-gem dealer Isaac Amin is arrested, wrongly accused of being a spy. Terrified by his disappearance, his family must reconcile a new world of cruelty and chaos with the collapse of everything they have known. As Isaac navigates the terrors of prison, and his wife feverishly searches for him, his children struggle with the realization that their family may soon be forced to embark on a journey of incalculable danger.

Past and Present began publication in 1952. It has established itself as one of the leading historical journals, publishing in lively and readable form a wide variety of scholarly and original articles. Much important work by English and foreign scholars on the sixteenth and seventeenth centuries first appeared in the form of articles in the journal. Originally published in 1965, this collection brings together a broad selection of these articles which have much common ground in the questions they discuss. Together they cover many aspects of crisis and change in most European countries - in society, government, economics, religion and education. The book will be welcomed by all interested in this much debated period.

It's Rashin's first day of school in America! Everything is a different shape than what she's used to: from the foods on her breakfast plate to the letters in the books! And the kids' families are from all over! The new teacher asks each child to imagine the shape of home on a map. Rashin knows right away what she'll say: Iran looks like a cat! What will the other kids say? What about the country YOUR family is originally from? Is it shaped like an apple? A boot? A torch? Open this book to join Rashin in discovering the true things that shape a place called home.

Bawdy and thoroughly risqué&#xacute;eacute;, this 16th-century masterpiece is the work of Pietro Aretino, widely regarded as the originator of European pornographic writing. With a Foreword by Paul Bailey. Determined that her daughter should not be ignorant of the ways of men and love, Nanna seeks to "educate" the naïve Pippa. She tells of women—whores, housewives, and nuns all being essentially the same; and of how to win men—discreetly and with good manners. But mostly, she reveals to Pippa the secrets of her art as a courtesan. The ensuing dialogue, laden with satiric twists and naughty puns, offers a fresh and lively example of the harlot's world, displaying a frankness that confides in today's reader as shrewdly as it was intended in 16th-century Rome. Italian satirist and poet Pietro Aretino (1492-1556) was one of the most versatile writers of the 16th century; the author of plays, poetry, and letters, he is now principally remembered as the originator of European pornography.

**Set in the lush countryside of Provence, Deborah Lawrenson's The Lantern is an atmospheric modern gothic tale of love, suspicion, and murder, in the tradition of Daphne du Maurier's Rebecca. Drawn to a wealthy older man, Eve embarks on a whirlwind romance that soon offers a new life and a new home—Les Genévriers, a charming hamlet amid the fragrant lavender fields of Provence. But Eve finds it impossible to ignore the mysteries that haunt both her lover and the run-down old house. The more reluctant Dom is to tell her about his past, the more she is drawn to it—and to the mysterious disappearance of his beautiful ex-wife. An evocative tale of romantic and psychological suspense, The Lantern masterfully melds past and present, secrets and lies, appearances and disappearances—along with our age-old fear of the dark.**

**Bahar determined to help her family earn more money than what she makes selling rugs at the local bazaar. So she decides to become a fortune teller. After some lucky "accidents" telling correct fortunes, the king has summoned her to the palace to be his fortune teller. How will she get herself out of this situation without the king and everyone else discovering the truth that she's a fraud?**

**A London mum and Iraqi teacher should have nothing in common. Yet now, despite their differences, they're the firmest of friends . . . Talking About Jane Austen in Baghdad by Bee Rowlatt and May Witwit is a touching and poignant portrait of an unlikely friendship. Would you brave gun-toting militias for a cut and blow dry? May's a tough-talking, hard-smoking, lecturer in English. She's also an Iraqi from a Sunni-Shi'ite background living in Baghdad, dodging bullets before breakfast, bargaining for high heels in bombed-out bazaars and battling through blockades to reach her class of Jane Austen-studying girls. Bee, on the other hand, is a London mum of three, busy fighting off PTA meetings and chicken pox, dealing with dead cats and generally juggling work and family while squabbling with her globe-trotting husband over the socks he leaves lying around the house. They should have nothing in common. But when a simple email brings them together, they discover a friendship that overcomes all their differences of culture, religion and age. Talking About Jane Austen in Baghdad is the story of two women who share laughter and tears, and swap their confidences, dreams and fears. And, between the grenades, the gossip, the jokes and the secrets, they also hatch an ingenious plan to help May escape the bombings of Baghdad . . . Bee Rowlatt is a former show-girl turned BBC World Service journalist. A mother of three and would-be do-gooder, she can find keeping her car from going while caring for her three daughters (and husband) pretty tough, even in leafy North London. May Witwit is an Iraqi expert in Chaucer and sender of emails depicting kittens in fancy dress. She is prepared to face every hazard imaginable to make that all-important hairdresser's appointment.**

**This book explores the latest advances in the sustainable production of packaged foods. Packaging plays an important role in sustainable food production and consumption in industrialized countries, where there is an increasing pressure to reduce the environmental impact of packaged foods. For example, the European Union recommends packaging from renewable sources, with a focus on bio-based materials. Sustainable packaging processes guarantee the reuse of the entire waste material and at the same time avoid the loss of food safety and quality during storage by preventing food-borne diseases and chemical contamination. Furthermore, the dramatic problem of plastic waste accumulation and the conservation of oil and food resources need to be taken into consideration. This book presents eco-friendly packaging strategies to reduce food and plastic waste and address the end-of-life issues of persistent materials. It particularly focuses on the production of biodegradable microbial polymers and the use of by-products and waste from the agricultural and food industries. These strategies promote an innovative and productive waste-based food packaging economy, separating the food packaging industry from fossil reserves and allowing bio-polymers to return to the soil. Lastly, the book covers life-cycle assessment, life-cycle costing, and externality assessment to help readers understand the economical reliability of the innovations presented.**

**Valeria Miami's Celinda (1611), the only female-authored secular tragedy of early modern Italy, is here made available for the first time in a modern edition. Miami's tale of the doomed love of the Lydian princess Celinda for the cross-dressed Persian prince Autilio/Lucinia offers a striking example of the explorative attitude to gender identity that is such a marked characteristic of Italian drama in this period, both within the erudite and the commedia dell'arte tradition. Accompanied by Julia Kisacky's sensitive translation, and with a valuable contextualizing introduction by Valeria Finucci, this edition of Celinda makes an important contribution to our understanding of women's place within Italian literary culture in a period increasingly recognized as exceptional for the range and quality of femaleauthored writing it produced. --Virginia Cox Professor of Italian, New York University**

**“An extraordinary book, a gripping trip back through time to discover a different but still unique Venice and its political intrigues and mysteries” (Art as a Part of Culture). In a medieval Venice ravaged by famine and orgiastic revelries, the protagonists of The Apothecary’s Shop explore the depths of the city and the paths to the supernatural in their search for a missing child. The young Costanza, of the noble Grimani family, has disappeared. Edgardo, the family scribe, vows to return the girl to her family, an ambitious enterprise considering his failing eyesight. Physical ailments and emotional torment hinder Edgardo’s search, for as he undertakes this perilous investigation, images of his own lost love—Kallis, a slave from the Far East who disappeared in a storm years ago—are resurrected. Help arrives in the form of Abella, the only female doctor in Venice. From her, Edgardo learns of occult medical practices and of Sabbata’s Apothecary, where the city’s most desperate citizens seek heretical remedies and concoctions to sooth their suffering. It is here, however, where the secret of Constanza’s disappearance may lie. Venal physicians and legitimate healers, unscrupulous relatives, mystics and apothecaries, wealthy nobility and the wretched poor, undertakers, Eastern merchants, African slave traders, each plays a role this ingeniously constructed mystery set in the busy and licentious trade port of Venice. “Nobody writes about Venice like Roberto Tiraboschi in The Apothecary’s Shop.” —L’Unità “An extremely elegant intrigue, with cosmopolitan influences that reflect the character of the city, several unlikely plot twists, and the panache to put just enough confidence in the mind of the reader to keep the pages turning quickly.” —Seattle Review of Books**
