At the dawn of the next
world war, a plane crashes
on an uncharted island,
stranding a group of
schoolboys. At first, with
no adult supervision, their
freedom is something to
celebrate. This far from
civilization they can do
anything they want.

Anything. But as order
collapses, as strange howls
echo in the night, as terror
begins its reign, the hope
of adventure seems as far
removed from reality as the
hope of being rescued.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for

its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
