*In Laying Foundations and Meeting Objections, Deanne Stiemer gives you the questions to ask and the answers to get from your witness so that your exhibits will be admitted in evidence. Set up the foundation for an exhibit and protect against the objections available to your opponent. This text provides easy-to-follow examples for text documents, e-mails, spreadsheets, computer printouts, charts, graphs, maps, diagrams, drawings, computer animations, and more. Never lose an exhibit to your opponent’s objection. Make sure you do not miss any of the four elements of foundation: competence of the witness, identification of the exhibit, relevance, and authentication. Each of the elements has specific requirements right from the evidence rules. Keep yourself on firm ground so that each element is met. See how you can separate the objection to foundation from the other objections--hearsay, original document, and policy (undue prejudice, confusion, waste of time)--so that you can respond quickly and effectively when your opponent challenges your exhibit..*

*This is a catechism for Christians who realize the need to become more thoroughly grounded in their faith. It’s a serious attempt to achieve a biblical foundation without trying to defend any particular tradition.*

*This book contains examples of effective and ineffective trial techniques that are seldom, if ever, taught in law schools. These examples are real, not hypothetical, and have been compiled from the author’s experiences as: A Navy JAG lawyer for three years; A trial lawyer in practice for thirty years; and A federal courtroom deputy for almost ten years. In this position, he was able to observe over eighty trials and contested hearings as a neutral observer and to discuss with jurors at the conclusion of trials to learn what they considered effective and ineffective trial techniques. MR. BRUESS graduated cum laude from both the University of Minnesota (1959) and the Indiana University School of Law (1963). From 1961-1962, he was a member of the Indiana Law Journal and was a Note Editor during the 1962-1963 school year. Upon graduation from law school, he was selected for membership in the Order of the Coif. Following the completion of Officer Candidate School, Mr. Bruss served as a legal officer with the Judge Advocate General Corps of the United States Navy from 1964-1967. From 1967-1997, Mr. Bruss was a trial lawyer with Barnes & Thornburg in Indianapolis, Indiana. From 1999-2008, he served as a courtroom deputy for the Honorable David F. "001 Foundation" is the first book in the Becker Bible Studies series for hungry Christians. It contains 1,057 Biblical workbook questions, each having Biblical references to support the answers. All lessons progress from simple statements of fact to new and difficult concepts, and are followed by tests written to enrich and challenge the learning process. A readable and comprehensive workbook for both teachers and studies.Although it is possible to use "001 Foundation" for self-study, it is recommended for most students to receive instruction through a teacher, most often in a home setting. The gathering of Christians to learn the Word of God in a setting most conducive to growth, guided by a teacher and in the presence of the Holy Spirit, is the ideal environment for this study of "001 Foundation" to nourish.It is imperative that serious Bible students who are hungry for the Word of God start their study with a solid foundation so everyone is on the same page. Since it is impossible to determine any gaps or misinformation in the foundation of a person’s spiritual knowledge, growth, and faith, this first book lays the foundation before the in-depth Bible studies take place.With many more books to follow upon which to build one’s spiritual knowledge and faith, "001 Foundation" is the first one with which to get started.

Many people dismiss the Bible as a real source of wisdom for every area of life, believing the popular delusion that the Bible is full of mistakes and is no longer relevant to our modern world. However, neglecting and rejecting God ’s Word has its consequences. There are many questions today that demand answers in our daily lives; we can ’t avoid them. The Bible is vital in solving (and preventing) the very real problems people face today. A group of 26 topics includes answers to 155 of the most asked questions about the Bible, such as: What was God doing before the beginning? Will we know our loved ones in heaven?

When does a baby receive its soul? Can a saved person ever lose their salvation? Under what conditions may Christians divorce & remarry? Will the world be destroyed in a nuclear holocaust? Why did God create Satan? The late Dr. Henry Morris, an acclaimed Christian apologetic scholar, scientist, and author, partnered with Christian counselor Dr. Martin Clark to help you apply the wisdom of the Bible to your personal challenges and nagging questions. These well-researched and referenced answers will fortify your faith in the Bible as the inerrant Word of God and irrefutable source of solutions for life.

**The Tao of Innovation is the first book to blend Eastern philosophy with tried-and-true innovation strategies. It presents a holistic, intuitive and practical approach to developing game-changing innovation. Having over 30 years of real-world global corporate, entrepreneurial, and consulting experience, and more than 10 years of teaching innovation and entrepreneurship to thousands of students in the East and West, the authors have distilled the most influential thinking on innovation into a holistic set of nine key innovation questions that every innovator must answer throughout the innovation cycle. These provocations apply to any business or organization and illuminate fundamental principles and practices of successful innovation. The Tao of Innovation’s use of nature’s fundamental elements and the yin-yang’s balance of opposing forces as metaphors, provide simple ways to navigate the complexities of business and innovation. They blend art, science, and Eastern and Western philosophies of what it takes to be an innovator. This book is written for individuals who have a passion for initiating change but struggle to find a process or methodology that helps them translate their dream into practical action steps that will get them through implementation. It aims to help organizations of all types proactively stay ahead in a rapidly changing world and change the world for the better. In short, this book is a fresh East-meets-West approach to innovation, helping readers develop a strategy to implement real change and ultimately achieve their innovation dream. The authors take readers through a complex process, sprinkling hints and do-it-yourself exercises throughout each chapter ... anyone willing to try a new flavor of business innovation will be richly rewarded." Publishers Weekly "The Tao of Innovation offers a fresh East-meets-West perspective on how organizations and individuals can live up to their creative best." Tom Kelley Partner, IDEO best-selling author of The Art of Innovation and Creative Confidence "Dr Teng-Kee Tan and his co-authors, Dr Hsien Seow and Sue Tan Toyofuku have a powerful grasp on what it takes to become a highly successful innovator. For those who have the courage, commitment and passion to innovate, this book will support them on their journey to transform the world." Tom Bloch Former President and CEO of H&R Block, Inc. Co-Founder, Unversity Academy "This is an excellent business and innovation book using a simple and intuitive framework to capture nine key questions all innovators must ask. The authors identified important dilemmas in each innovation question and proposed solutions to help reconcile the dilemmas we often face in the world of innovation. They talk about 'Innovation with Purpose' which deals with what drives and sustains innovation which I think is very important to advance human civilization in our global environment. I strongly recommend this book for learners, doers and enablers of innovation." Henry W Bloch Co-Founder, H & R Block "Drawing on his decades of experience in business and education, Dean Teng-Kee Tan shows the way to innovation. This is an invaluable read from a remarkable individual." Robert L Virgil Retired Partner, Edward Jones Dean Emeritus, John M Olin School of Business, Washington University in St. Louis "This remarkable book deals with using 'human centered – design thinking' as an important innovation process and mindset to help develop consumer insights and identify higher order needs which is often unarticulated. It is a must read for entrepreneurs, startups, innovators from all industries, for profit or non-profit enterprises. I strongly recommend it." Shuming Zhao Chair Professor and Honorary Dean, School of Business, Nanjing University, China "The insights provided by The Tao of Innovation are transformative and indispensable. It is a superb textbook for innovation management courses." Dr Michael Song Ranked as World’s No. 1 Innovation Management Scholar "This is an expression of Teng Kee’s vision for incorporating design thinking and experiential learning in innovation that has attracted attention from all disciplines of higher education and corporations." Steve McDowell President BNIM Architects AIA Award Winner "This book reconciles real-world tensions in innovation that can be applied immediately."
