

Legion Dan Abnett

Book seven in the New York Times bestselling series A Great War is coming, and it will engulf the Imperium of Man. The Space Marines of the Alpha Legion, the last and most secretive of all the Astartes brotherhoods, arrive on a heathen world to support the Imperial Army in a pacification campaign against strange and uncanny forces. But what drives the Alpha Legion? Can they be trusted, and what side will they choose when the Heresy begins? Loyalties are put to the test, the cunning schemes of an alien intelligence are revealed, and the fate of mankind hangs in the balance.

The Legion of Superheroes finds itself

stranded in a distant galaxy, on the home planet of the vicious alien race known as the Progeny. Can the Legion overcome the Progeny and still make their way back home to Earth?

What are we afraid of and what can we do about it? Fear--of change, of intimacy, of loss, of the unknown--has become a corrosive influence in modern life, eroding our ability to think clearly. Exploited for power by politicians and for money by the media, it has become embedded in the way we think about our lives. Overcoming our fear, says Gordon Livingston, constitutes the most difficult struggle we face. Dr. Livingston, a psychiatrist, has increasingly found himself prescribing virtues like courage to his patients instead of tranquilizers or

antidepressants. Now he tells us all what we need to do to develop personal virtues in the face of societal fear-and our own individual fears. And he does this with the crystalline prose and leavening wit that have made him an internationally bestselling author. As the celebrated novelist Mark Helprin has said of Dr. Livingston: "To read him is to trust him and to learn, for his life has been touched by fire, and his motives are absolutely pure."

Re-release of the mass market edition of the first novel in the best selling Horus Heresy series Under the benevolent leadership of the Immortal Emperor the Imperium of Man has stretched out across the galaxy. On the eve of victory, the Emperor leaves the front lines, entrusting the great crusade

to his favorite son, Horus. Promoted to Warmaster, the idealistic Horus tries to carry out the Emperor's grand design, all the while the seeds of heresy and rebellion have been sowed amongst his brothers.

Luther, once Lion El'Jonson's trusted second-in-command, now languishes as an exile in all but name while his master struggles to thwart the traitors' advance upon the forge world Diamat. But an ancient evil gathers its strength beneath the surface of Caliban, and the First Legion will soon be thrust into a deadly conflict where all that they know will be cast into doubt. Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny--they led the Space Marine Legions in glorious conquest of the galaxy, and no

enemy of the Imperium could stand against them. However, even amongst this legendary brotherhood, the seeds of dissent has been sown long before the treacherous Warmaster Horus declared his grand heresy.

Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known--Fulgrim, Ferrus Manus, Lion El'Jonson and the twin primarchs Alpharious and Omegon--and the roles that they may have yet to play in war which threatens to change the face of the Imperium forever.

Everybody Wants To Rule The World

Prose Novel

No one is sure where the loyalties of the Space Marines of the Alpha Legion lie when they arrive on a heathen world to support the pacification campaign of the Imperial Army as mankind trembles on the brink of a Great War.

Book 14 in the much loved series,

"The Horus Heresy: Primarchs"

Legends abound of the glorious – or infamous – deeds of the Emperor's sons. Yet almost nothing is known of Alpharius, the most mysterious

of them all, for the Lord of the Alpha Legion is unparalleled in the art of obfuscation. Such are his gifts of secrecy and deceit that even his rediscovery has remained an enigma – until now. But when the tale comes from the serpent’s mouth, where does the deception end and the truth begin?

The most mysterious of Space Marines make their presence felt as the Excoriators battle an overwhelming tide of Khorne daemonkin – but are they saviours or harbingers of doom? Following the trajectory of a blood-red comet, the berserk World Eaters blaze a path of destruction across the galaxy in its wake. The small

cemetery world of Certus Minor appeals to the Space Marines of the Excoriators Chapter for protection, but the force dispatched to deal with this grim threat is far too small and their losses against the renegades are high. Just as all seems lost, salvation is borne out of legend itself as sinister spectral warriors descend upon this planet of the dead, and the enemies of the Imperium come face to face with those who have already travelled beyond the realm of the living... Book six in the New York Times bestselling series The planet of Caliban exists much as it has for thousands of years – the knightly orders protect the common people,

fighting back the beasts that lurk in the depths of the seemingly endless forests. Young Zahariel and Nemiel aspire to join the greatest of the orders, led by the example of mighty Lion El'Jonson and his vision of a peaceful and unified world. But the coming of the Imperium brings new concerns and a new destiny for the Lion as part of the Great Crusade, and the sons of Caliban must decide if they will follow him to glory among the stars.

Praetorian of Dorn

Terra comes under attack

from an enemy within as the Imperial Fists and Rogal Dorn prepare for the coming of Horus. Recalled from the Great Crusade after Ullanor, Rogal Dorn and the VII Legion were appointed as the Emperor's praetorians, but only after the Warmaster Horus' treachery was revealed did the full extent of that sacred duty become apparent. Now, the Solar System comes under attack for the first time since the war began, and many of the seemingly impregnable defences wrought by Dorn and his Imperial Fists Legion prove inadequate. With all eyes fixed firmly upon this new threat beyond the gates

of Terra, who in turn will protect Dorn from the enemy within?

An Alpha Legion warband goes on an epic quest for salvation that will pit them against both the Word Bearers and the Inquisition in a thrilling science fiction adventure. In the hostile universe of the 41st millennium, where allegiances are ever fickle, few of the Emperor's sons are more difficult to understand or predict than the Alpha Legion. Branded traitor since the Heresy, their motives and actions have always been shrouded in mystery. Alpha Legionnaire Occam the Untrue leads his warband out of its

hunting grounds in the Maelstrom on an epic quest for salvation, not just for himself, but for his whole Legion. With the forces of the Inquisition snapping at their heels, Occam and his followers must use all their guile and considerable martial prowess as they make their way to the cold heart of the galaxy, to a confrontation that no one, least of all Occam himself, could have foreseen.
