Read, Rhyme, and Romp: Early Literacy Skills and Activities for Librarians, Teachers, and Parents

Farm Life

If you want kids to do God's Word and not just hear it—you're in exactly the right place. Each session focuses on one key Bible truth—kids will discover it, think about it, talk about it, pray about it, and apply what they learn. You'll drive that point home through Bible exploration, fun discussions, giggle-worthy games, and oh-wow activities that engage kids in multiple ways. Just add an adult or teenage leader to these easy-to-lead sessions to keep kids engaged, entertained, and growing in their faith! Each session is Flexible—sessions work for 1 or 2 kids, 12 kids, or more Multi-aged—suitable for all elementary kids Low-prep—using easy-to-find supplies 45 minutes of fun—with time stretchers to fill an hour Relational—children grow close to Jesus and each other Perfect for any children's ministry program—Sunday school, children's church, and more! Help kids discover the faith-building, life-changing truths tucked into the stories of 13 animals that God created. They will see how God used some thirsty camels, low-flying quail, a talking donkey, and more. Along the way, kids will be assured that God knows them and loves them—and is ready to use them in big ways too!

The Kindergarten-primary Magazine

A necessary resource for church school teachers of 3 to 5 year olds. "The Preschool Church "provides teachers with practical lesson ideas for preschoolers, recognizing that 3-5 year olds are curious about God and want to learn. Lesson seeds include discussion topics, suggestions for telling Bible stories, songs, activities, supply lists, and craft ideas that are easy for little hands, inexpensive to make, and result in a finished product kids can be proud of. The book also contains suggestions for church community and involving adults in the church school activities. This book will be helpful to: - Sunday school teachers - Vacation Bible School teachers - Parents for use in home instruction - Weekday Church School classes Eve Parker is an experienced preschool teacher. She is also an attorney, holding a B.A. degree and a J.D. Law degree from the University of Minnesota. She makes her home in Minneapolis where she is raising her two young sons. Her father and sister are

This unique resource helps educators spark young children's interest in learning the alphabet and develop beginning reading skills right from the beginning to the close of school. Included are over 500 ready-to-use individual and classroom activities designed to be used sequentially, from one month to the next, to build skills, relate reading to other curriculum areas, and foster children's enthusiasm for books and learning to read. All activities are organized into nine monthly sections, September through May/June, and include over 100 activity sheets. Each month includes a list of 10 picture books for daily reading, phonics and other basic skills instructions, "ABC Marching Band Letters" for learning letter-sound connections, reading links to holidays and special events, reading links to writing, math, social studies, science & health, author-of-the-month studies and activities, plus 10–13 illustrated reproducible activities.

This book was developed with the intention of taking up to 1 year to complete. Focus on the benefits received to the child. Activities have to paint and cut paper to learn with fun. Divided into 8 chapters as follows. Chapter 1 Simple Lines and Shapes: Lines and Shapes are the foundation of math. Children should recognize lines and shapes. Chapter 2 Animal Face: This category helps kids recognize different animal faces. Due to the coloring. And cut the paper to help him remember them more easily. Chapter 3 Cookware and cooking: Let them know the kitchen equipment And will make the kids love cooking Chapter 4 Vegetables and Fruits: This section helps children to recognize fruits and vegetables. And also instill in children a love for eating more fruits and vegetables Which is beneficial for children's health Chapter 5 Pizza: They will have fun coloring the pizza and cutting it too. It's a simple puzzle for kids to enjoy developing their brain. Chapter 6 Child Face: Let the kids coloring and cutting paper eyes, noses, mouths and fun to arrange on the face. Chapter 7 Sea Animals: This section is a section for children to practice and cut various types of water animal paper and has a simple puzzle for children to enjoy while practicing. Chapter 8 Farm Animals: Easy activities for children to play and cut paper to assemble the farm, you can bring the farm animals to make them look as beautiful as they like. Chapter 9 This book will help develop children, develop the muscles of fingers and eyes, and also help to practice concentration. Hope it will bring benefit and happiness to your child. Chapter 10
