Dorothy Day, cofounder of the Catholic Worker movement, has been called the most significant, interesting, and influential person in the history of American Catholicism. Now the publication of her letters, previously sealed for 25 years after her death and meticulously selected by Robert Ellsberg, reveals an extraordinary look at her daily struggles, her hopes, and her unwavering faith. This volume, which extends from the early 1920s until the time of her death in 1980, offers a fascinating chronicle of her response to the vast changes in America, the Church, and the wider world. Set against the backdrop of the Depression, World War II, the Cold War, Vatican II, Vietnam, and the protests of the 1960s and '70s, she corresponded with a wide range of friends, colleagues, family members, and well-known figures such as Thomas Merton, Daniel Berrigan, César Chávez, Allen Ginsberg, Katherine Anne Porter, and Francis Cardinal Spellman, shedding light on the deepest yearnings of her heart. At the same time, the first publication of her early love letters to Forster Batterham highlight her humanity and poignantly dramatize the sacrifices that underlay her vocation.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ.

“ The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church ’ s journey in years to come. ” – Pope Francis

This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “ the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned, ” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “ to recognize the traces of God ’ s Spirit in events great and small. ” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*
