The world chronicle of Jo(h)annes Antiochenus is a

decisive source in the development of Christian universal historiography and world chronicles in the Christian Orient. It stretches from Adam to the beginning of the reign of Heraclius (610). The author

When I first met Lola I was living in the countryside with my parents and brothers and sisters.

Lola was lonely and ill then, but it was love at first sight, and I knew that I wanted to take care of her. A beautifully told, heart-warming story about friendship and survival, with a very surprising and satisfying ending.
