Hendrickson presents two classic works on the Holy Spirit by A. W. Tozer, together in one volume for the first time. A superb addition to the best-selling Hendrickson Christian Classics series, *Life in the Spirit* combines Tozer's *How to Be Filled with the Spirit* and *The Counselor: Straight Talk About the Holy Spirit* from a Twentieth Century Prophet. In Tozer's own words, *How to be Filled with the Holy Spirit* "was made available to the Christian public with the prayer that it may lead thirsty believers to the fountain of living waters." Since its publication, hundreds of thousands of copies of this practical yet deeply devotional guide have been sold. *How to be Filled with the Holy Spirit* will refresh and open the reader to the filling of the Holy Spirit. In *The Counselor*, Tozer speaks to the current conflict and confusion about the Holy Spirit from a balanced, biblical perspective—not academic, but practical. Tozer promises that the Holy Spirit "is willing—yes, willing—to do for us all that Jesus would do if He were here on earth." The chapters of this book were originally preached as sermons at Southside Alliance Church in Chicago. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

For many believers, the mystery of the Holy Spirit remains just that. God in You, now in popular trade paperback format, is the layperson's guide to this often-misunderstood member of the Trinity. Pastor David Jeremiah explores the Holy Spirit in concrete terms, leaving abstract concepts behind. Not an idea, not an influence, not some vague, mystical force. Jeremiah explains, the Holy Spirit is actually the almighty God of the universe come to live inside the believer's skin. And a clear understanding and appreciation of His attributes can ignite the passion of every Christian's walk with Christ. In this compelling, gently instructive book Jeremiah affirms, "Without [the Spirit], we're about as useful to God's kingdom as an unplugged toaster."

Cultivating the Spirit THIS GROUNDBREAKING WORK IS BASED on a five-year study of how students change during the college years and the role college plays in facilitating the development of their spiritual qualities. Students, the authors argue, grapple with the big questions in life: Who am I? What are my values? Do I have a mission in life? Why am I in college? What kind of person do I want to be? What sort of world do I want to help to create? Their answers to these questions help determine their academic and career choices and are tied to the development of personal qualities such as empathy, caring, and social responsibility. The study finds that, while students' religious engagement declines during college, at the same time they become substantially more caring, tolerant, connected with others, and actively egaged in a spiritual quest. Spiritual growth also enhances academic performance, leadership development, and satisfaction with college. The study provides strong evidence pointing to specific experiences during college that can contribute to students' spiritual growth. The need for spiritual development in college is apparent. Two-thirds of the students in the study express a strong interest in spiritual matters, well over half report that their professors never encourage discussions of religious or spiritual matters, and about the same proportion report that professors never provide opportunities to discuss the purpose and meaning of life. Cultivating the Spirit aims to raise the awareness of academic administrators, faculty, and the public at large to the vital role that spirituality plays in student learning and development. Throughout the book, the authors identify strategies for enhancing students' development and encourage the academy to give greater priority to the spiritual aspects of students' educational and personal development.

The many relevant Scripture passages, combined with wisdom from the saints, the Catechism, and church tradition, make this a truly inspired Bible study.*

His practical guide covers a variety of topics, showing readers how to set their minds on the things of the Spirit, put to death the deeds of the body, be led by the Spirit, know the fatherhood of God, and hope and pray in the Spirit. Berding applies the Bible to life through many of his own personal experiences, helping readers make connections to their own spiritual journeys.
