61 Minutes to a Miracle

The Seven Last Words

A classic work of Christian faith, "Life of Christ" is considered a Classic work which has been hailed as the most eloquent of Fulton J. Sheen's many books. This book explores the foretelling of Christ's birth, his life, temptations, death, and resurrection. But while Sheen himself was a scholar and academic, his recounting is both readable and accessible to the layperson and is unique in its readability. Broken into five parts, the book explores the early life of Christ, his temptations, the beatitudes, his public life and Passion, and his death and resurrection. Sheen explains the meaning of Christ's words, as well as the significance of the trials and temptations he overcame. Through careful scholarship, he connects the events of Christ's life, showing how even the humble location of his birth on Earth shared an important lesson: "Divinity is always where we least expect to find it." For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read And the Author reminds us that the words of Christ are not "from another time." Christ is timeless and His Word is eternal..

2017 Reprint of 1952 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. Originally published in 1937, this work discusses the correlation of Christ's early teachings--The Sermon on the Mount--and His dying words on the cross--The Seven Last Words. Sheen has written a compelling plea for a return to these basic teachings of Christ.

Reprint of the first version of Christ's biography Sheen wrote in 1954. He would expound upon these ideas further in 1958 with a much expanded edition building upon the ideas he first formulated herein.

"You mean sixty-one seconds. You said sixty-one minutes, but you mean a little over one minute." "No," I said. "He didn't have a pulse for over an hour." After a healthy pregnancy, on September 16, 2010, Bonnie L. Engstrom delivered a stillborn baby boy. After sixty-one minutes, just when the doctors were going to call a time of death, James Fulton's heart began to beat. In that sixty-one minutes, the Engstrom's been asking for and counting on the powerful intercession of James's namesake: Archbishop Fulton J. Sheen. That James was alive at all was a miracle. But the rest of the story is even more amazing. While the Engstroms were preparing for their little boy to grow up blind, unable to walk or talk, and be fed by a tube for the rest of his life, another miracle occurred. Against all medical odds, James not only survived, but he began - and continues - to thrive. In 2014, medical experts and theological advisors to the Congregation for the Causes of Saints unanimously approved the miracle. This amazing true story, full of weakness and strength, heartbreak and celebration, hope and joy, teaches us that through our faith in Christ and the prayers of the great cloud of witnesses, miracles are possible. "Believe the incredible, and you can do the impossible." - Venerable Archbishop Fulton J. Sheen

The Mystical Body of Christ

365 Days of Inspiration

When asked, "What's wrong with the world?" G.K. Chesterton famously replied simply, "I am." We want to be happy and yet we often seem to be the source of our own unhappiness, as well as that of others. Even when that is not the case, our lives — as blessed as they may be — have their share of sadness and disappointment. How do we respond? Do we become cynical and try, at all costs, to get as much pleasure as we can? Or do we recognize we were made for more? In

this classic work, Fulton Sheen explains the secret of authentic happiness: being spiritually remade. A genuinely spiritual life, Sheen contends, consists in more than obeying a set of commands, reading the Bible, or even following the example of Jesus. Before all else, it consists in being recreated and incorporated into a new, higher kind of life—the supernatural life of grace — and in being brought into a new kind of spiritual relationship, as a child of God through Jesus Christ. What does it mean to be a Christian? Christianity is not a system of ethics; it is a life. It is not good advice; it is divine adoption. Being a Christian does not consist in just being kind to the poor, going to church, singing hymns, or serving on parish committees, though it includes all of these. It is first and foremost a love relationship with Jesus Christ.

Joan Sheen Cunningham was happily growing up with her family in Illinois when her uncle Bishop Fulton Sheen offered her the opportunity of a lifetime: to attend a private school in New York City. With the blessing of her parents, she eagerly accepted, and Fulton Sheen became a second father, a role model, and a lifelong friend. In this memoir, Joan describes many formative experiences she had with Fulton Sheen—from shopping for a winter coat to meeting Al Smith, the governor of New York. She fondly recollects how her uncle guided her courtship, helped her and her new husband find an apartment, and baptized their children and grandchildren. Sheen is most known for his popular television show, *Life Is Worth Living*. The Sheen that Joan presents, however, is not only a polished television personality, but a man of prayer, generosity, and missionary zeal who interacted with countless people from all walks of life. In one story after another, she illustrates that this great man's chief concern was sharing the mercy of God with everyone.

Bishop Sheen asks readers to stop blaming their subconscious for their ills and examine instead their conscience, to turn away from the psychoanalyst and turn to God. He shows readers that peace of soul cannot come from humankind, but must come through Divine help.

Why is it, asks Bishop Fulton Sheen, that one hears so often the expression "Go to hell!" and almost never the expression "Go to heaven!" Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with "The First Faint Summons to Heaven," Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the "seven pallbearers of character" - pride, avarice, envy, lust, anger, gluttony and sloth - linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In *Go to Heaven*, a great spiritual teacher and writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the "reality of hell."

The Life of Christ

A Fulton Sheen Anthology

Brief meditations on faith, forgiveness, and other topics celebrate God's love and its importance in overcoming personal problems and finding peace

Fulton J. Sheen turned his voice and pen to many subjects during the course of a long and remarkable apostolate. But nothing came closer to the core of his message than bringing the life and saving words of Jesus to the problems of modern life and the modern world. In *A Brief Life of Christ*, Sheen draws out the meaning of the life of Jesus for our time and shows how Christ issues His challenge alike to nations, peoples, and individual souls. The final chapters on Christ's public life, and Passion, Death, and Resurrection contain tremendous insights and provide material for a lifetime of reflection.

With his characteristic eloquence and brilliance, Fulton J. Sheen presents a moving portrayal of the Blessed Virgin Mary that combines deep spirituality with history, philosophy and theology. All the major aspects and events of Mary's life are lovingly portrayed in this word portrait that is a never failing source of information, consolation and inspiration. Sheen also gives profound insights into all the Marian beliefs ranging from the Immaculate Conception to the Assumption to the miracle of Our Lady of Fatima. While considering the different phases of Mary's life, Bishop Sheen discusses various problems common to mankind of every age and reveals clearly that every problem can be resolved. He emphasizes the unique dignity, strength and gifts of women and their ability to help heal the world's problems. Sheen stresses mankind's need of the Mother of God and her burning love for all her children. The great resurgence of devotion to Mary is God's way of emphasizing the worth and dignity of every person against the false doctrines that have so confused the modern world.

As death approaches, the human heart speaks its greatest words of love to those it holds most dear. So it was with Jesus who in His final hours gave us seven last "words" rich with spiritual meaning for every human soul. For the first time ever, Archbishop Fulton Sheen's complete writings and reflections on Christ's last words have been compiled into this one book. Sheen shows how the seven words are, in fact, a full catechism on the spiritual life. From them, you'll learn the secrets to living the Beatitudes, ways to avoid the deadly vices of anger, envy, lust, and pride, and how to cultivate the heavenly virtues of fortitude, prudence, justice, and charity. Few books are such an inspiring call to sanctity, and few books are such a spiritual powerhouse. With Archbishop Fulton J. Sheen as your guide, you'll also learn: Why, during His Passion, Jesus never proclaimed his innocence. Why Jesus appealed to His Father to forgive, but did not Himself forgive directly. What Jesus' third word from the Cross says about lust. Why, like Jesus, the most innocent among us must suffer. Why darkness covered the earth after Jesus spoke his fourth word. The seven words spoken unto Jesus while He hung on the Cross and what they reveal about the impact of Christ's Passion on your soul. What the Passion says about judging others (and

why it's an assault against hope). How the conversion of the good thief is the key to the conversion of our modern world. Why you and I can sin a thousand times and be forgiven, and the angels who have sinned but once are eternally unforgiven. How envy becomes the denial of all justice and love. The difference between the virtue of hope and the emotion of hope.

Excerpt from The Eternal Galilean This is Christmas eve! In tens of thousands of homes tonight there is gaiety and gladness; gardens come to the Windows in the form of wreaths, and forests into parlors in the form of trees; the children's long advent is ended as they jump with joy about their toys: the very atmosphere is charged with cheer; love sparkles, gifts abound, greetings exchange, hearts soften. Everywhere there IS a new spirit, a new life, a new hope, a new joy! But What is it all about? Why are people making merry? Why call this a season of joy? There must be some reason for it. I can understand why we shoot off firecrackers on the Fourth of July, because that is the day we celebrate the shot of liberty that was heard 'round the world; I can understand why we are silent for a few moments on Armistice Day, for that is the day we pay tribute to the heroes of our battlefields. I can understand a man making a great feast because he has come into a fortune. But I cannot imagine him doing so if his fortune is only a joke. This three-book volume by Archbishop Fulton J. Sheen includes Preface to Religion (1946), The Life of Christ (1958), and The Priest is Not His Own (1963). These three works seek to educate both the new follower of Christ and the lifelong devotee on their place in the world and their responsibilities to God and their fellow human beings. Archbishop Fulton J. Sheen (b. 1895 - d. 1979) was a Catholic priest, writer, and presenter of several radio and television programs throughout the mid-20th century. This highly educated man of faith held two bachelor's degrees, a master's degree, a PhD in philosophy, and a Doctor of Sacred Theology. With such a thorough background in faith and philosophy, Archbishop Sheen was uniquely qualified to be an educator, both in universities and to the general public. To this end, he spent many years teaching at the Catholic University of America. He also shared what he'd learned with millions of Americans through his radio program, The Catholic Hour, and later through the popular television program, Life is Worth Living. He also wrote prolifically, sharing many books and articles with the world. Three of those books are included in this collection. Preface to Religion could be considered an introductory work, intended to guide those on the periphery of religion closer to God. The Life of Christ explores the life, temptations, Passion, death, and resurrection of Christ-the founder of the Catholic Church. And The Priest is Not His Own is a unique work for the priest or seminary student to help them be a better shepherd and closer adherent to the example set by Jesus Christ. While Preface and Priest were written for different audiences, when taken together with The Life of Christ they illustrate the depth of a life of faith. From the exploration of human nature and the

causes of discontent to the responsibilities of the priest who has devoted his life to the Church, these three books help to illustrate the challenges of life as both a new convert and as a firm believer. Preface to Religion is a work of both theology and philosophy. Beginning with the reasons for man's discontent, Archbishop Sheen proves to the reader that their unhappiness and lack of fulfillment is not because of what they have in life. For no material possession, no relationship, no achievement can ever give them the satisfaction they desire. The instinct to reach for something greater proves that there is more. For, as Archbishop Sheen writes, "...would there be in you a craving for unending life, perfect truth, and ecstatic love unless Perfect Life and Truth and Love existed?" The Life of Christ is one of Archbishop Sheen's best-loved works. Without a thorough understanding of Christ's life—His birth, actions on Earth, trials and tribulations, and ultimate sacrifice—one cannot hope to emulate His example and be a true child of God. The Priest is Not His Own is written for the educated theologian who is well acquainted with scripture and the life and death of Christ. But it is unique in its call to priests to emulate Christ, not only His preaching and counseling but in his victimhood. Through a spirit of sacrifice in word and deed, the priest becomes closer to Christ and is better able to lead his flock. The work also includes guidance to help the priest better communicate with and instruct his followers. When read together by the layperson, these three books can help the reader to understand the role of both the leader and the follower, and get a clearer sense of where man and priest fit into God's greater plan.

Introduction to the Spiritual Life

Cross and the Beatitudes

The Autobiography of Fulton J. Sheen

A compelling exploration of the biblical foundations, contemplative practices, and spiritual path of Jesus himself—from the bestselling author of *The Case for Jesus* “What happens when a biblical theologian explores classic spirituality? This book. Pitre’s students have asked, Why have we never heard this before? The reader wonders the same.”—Dr. David Fagerberg, author of *Liturgical Mysticism* The path of following Jesus is an ancient and storied spiritual tradition. Yet many believers are not familiar with the three major forms of prayer and the three stages of spiritual growth that exist to bring them closer to God. In his most personal book yet, Brant Pitre, PhD, draws on the riches of the Bible, the words of Jesus, and the writings of mystics across the centuries to shed light on the mystery—and wonder—of the spiritual life. Starting with the age-old belief that the path of prayer is not only informative but transformative, Dr. Pitre explores • the scriptural roots of the major forms of prayer: vocal prayer, meditation, and contemplation • the purgative, illuminative, and unitive stages of spiritual growth • the spiritual exercises of prayer, fasting, and almsgiving • the Jewish roots of the Lord’s Prayer • *Lectio Divina*: how to pray with the Bible • seven vices and their seven opposing virtues • the battle of prayer: how to deal with difficulty and distractions • the “dark night of the soul” in the Scriptures Full of sacred truths, contemplative insights, and practical steps, *Introduction to the Spiritual Life* is a biblical road map of the spiritual landscape that enables us to follow Jesus as our primary guide.

THERE are certain things in life which are too beautiful to be forgotten, such as the love of a mother. Hence we treasure her picture. The love of soldiers who sacrificed themselves for their country is likewise too beautiful to be forgotten, hence we revere their memory on Memorial Day. But the greatest blessing which ever came to this earth was the visitation of the Son of God in the form and habit of man. His life, above all lives, is too beautiful to be forgotten, hence we treasure the divinity of His Words in Sacred Scripture, and the charity of His Deeds in our daily actions.
